Complete Layman's Guide To End Times Prophecy A Biblical Perspective Robert R. Ramirez, 2011-11 Have you looked around at the world and felt as though everything was falling apart America is struggling economically and no one has any answers Unemployment has been over 9% for over two years now It feels like the government is trying to take control of our lives There is speculation that Greece might collapse economically and if they do other European countries will follow suit The Middle East is in total chaos and very unstable with all these people rioting in the streets and wreaking havoc on their respective countries along with dictators falling and rising from power Iran is still telling everyone they are intent on annihilating Israel as they improve their nuclear capabilities As Christians our hope is in Jesus Christ we know that our God is sovereign so all the chaos in the world has no effect on how God brings the world to an end But the end is in sight and people are looking for something certain in this world There are so many questions Christians have regarding End Times Prophecy and do not understand simply because the church has not fulfilled its purpose in rightly dividing the Word of truth for the saints The Complete Layman's Guide to End Times Prophecy will bring together all the questions one might have regarding the end of the world and the return of the Warrior King Jesus Christ to this earth to set up His millennial kingdom This book is clear concise and cogent in its message and attempts to address all End Times Prophecy questions Doctor Robert Ramirez B A Political Science College of Santa Fe B A Pastoral Studies Moody Bible Institute MDiv The Master's Seminary DMin Trinity Southwest University Pastor Alive In Christ Bible Church President and Founder New Mexico Bible Institute Bookstore

X: The Experience When Business Meets Design Brian Solis, 2015-10-19 Welcome to a new era of business in which your brand is defined by those who experience it Do you know how your customers experience your brand today Do you know how they really feel Do you know what they say when you're not around In an always-on world where everyone is connected to information and also one another customer experience is your brand And without defining experiences brands become victim to whatever people feel and share In his new book X The Experience When Business Meets Design bestselling author Brian Solis shares why great products are no longer good enough to win with customers and why creative marketing and delightful customer service too are not enough to succeed In X he shares why the future of business is experiential and how to create and cultivate meaningful experiences This isn't your ordinary business book The idea of a book was reimagined for a digital-meets-analog world to be a relevant and sensational experience Its aesthetic was meant to evoke emotion while also giving new perspective and insights to help you win the hearts and minds of your customers And the design of this book along with what fills its pages was done using the principles shared within Brian shares more than the importance of experience You'll learn how to design a desired meaningful and uniform experience in every moment of truth in a fun way including How our own experience gets in the way of designing for people not like us Why empathy and new perspective unlock creativity and innovation The importance of User Experience UX in real life and in executive thinking The humanity of Human-Centered Design in all you do The art of Hollywood storytelling from marketing to

product design to packaging Apple's holistic approach to experience architecture The value of different journey and experience mapping approaches The future of business lies in experience architecture and you are the architect Business meet design X

Digital Media Law Christopher S. Reed, 2022-10-18 Digital Media Law offers a practical guide to the law of media and communication focusing on digital channels models and technologies It draws together the aspects of media law that are most critical for those engaged in the production and distribution of digital media from traditional broadcasters and internet based services to major internet platforms As an expert scholar and educator in media law Christopher S Reed brings considerable experience as an in house lawyer for a U S based media company with extensive news sports and entertainment operations This blend of practical and scholarly insight delivers a textbook which packs foundational principles and concepts into the context of the digital environment focusing on how those doctrines are applied in the face of rapidly evolving newsgathering production and distribution technologies Key features include In the News sections that tie the legal principles to real world events or situations An integrated fictional case study of a media enterprise Insights into digital media policy This accessible textbook is the ideal companion for advanced undergraduate and graduate students as well as practitioners interested in law journalism and media studies

Asian American Film Festivals Erin Franziska Högerle, 2020-10-26 Responding to a lack of studies on the film festival's role in the production of cultural memory this book explores different parameters through which film festivals shape our reception and memories of films By focusing on two Asian American film festivals this book analyzes the frames of memory that festivals create for their films constructed through and circulated by the various festival media It further establishes that festival locations both cities and screening venues play a significant role in shaping our experience of films Finally it shows that festivals produce performances which help guide audiences towards certain readings and direct the film's role as a memory object Bringing together film festival studies and memory studies

Asian American Film Festivals offers a mixed methods approach with which to explore the film festival phenomenon thus shedding light on the complex dynamics of frames locations and performances shaping the festival s memory practices It also draws attention to the understudied genre of Asian American film festivals showing how these festivals actively engage in constructing and performing a minority group s collective identity and memory
