Transcultural Nursing Assessment And Intervention 5e:

Transcultural Nursing - E-Book Joyce Newman Giger, 2016-01-29 Get up to speed on how to properly assess the care needs of today's culturally diverse clientele with *Transcultural Nursing Assessment and Intervention* 7th Edition. Centering on Giger's unique transcultural model of clear, easy-to-apply assessment and intervention strategies for the clinical setting, this one-of-a-kind resource will help you learn to identify the six key cultural phenomena used in caring for clients from different backgrounds: communication space, social organization, time, environmental control, and biological variations, and show you how to apply these phenomena to a variety of individuals in different cultures. UNIQUE! Giger and Davidhizar's Transcultural Assessment Model devotes a full chapter to each of the six aspects of cultural assessment: communication space, social organization, time, environmental control, and biologic variations, to help readers apply this model to any client of any culture, even those not covered in the text. 2010 census data is incorporated throughout the book to provide the most current analysis of demographic trends. UNIQUE! Sample care plans demonstrate how to apply principles to specific client needs. UNIQUE! Discussion of the spiritual component provides a more holistic, integrated approach to culture and assessment. Case studies and critical thinking questions help readers apply the assessment framework in practice. Clarification of biologic variations for select cultural groups raises readers' awareness of potential risks and influences on client health. NEW! Completely revised cultural chapters reflect the shifting experiences of various cultural groups in our society. [Transcultural Nursing](#) Joyce Newman Giger, Ruth Elaine Davidhizar, 2007-09-26 This is a Pageburst digital textbook; the product description may vary from the print textbook. With *Transcultural Nursing Assessment and Intervention* 5th Edition, you can easily find specific assessment and intervention strategies for clients from a variety of cultural backgrounds. Divided into two parts, Part One provides a systematic model of nursing assessment and intervention which takes six cultural phenomena into account: communication space, social organization, time, environmental control, and biological variations. Part Two applies these six cultural phenomena to the assessment and care of individuals in specific cultures. This user-friendly assessment tool is an outstanding resource for improving client care. Plus, this new edition includes all new NCLEX examination style review questions, updated research and census data, and an increased emphasis on genetic and biologic variations. Authors Giger and Davidhizar's innovative Transcultural Assessment Model, with a full chapter devoted to each of the six aspects of cultural assessment, helps you address specific assessment and intervention strategies for clients from a variety of cultural backgrounds. Case studies and critical thinking questions at the end of each chapter help you apply the assessment framework in practice. Discussions of spiritual components throughout, with an emphasis on various religions, address this important topic in transcultural care. Clarification of biological variations for select cultural groups provides a better understanding of differences in biology among cultures. A holistic overview of genetics helps you understand genetics and genetic-based diseases related to culture, race, and ethnicity. Additional expanded cases with initial presentation history.

physical examination and lab test data along with sample care plans for each cultural group help you apply knowledge to clinical practice NCLEX examination style review questions at the end of every chapter help you prepare for similar questions on the NCLEX exam Two color design makes information more easily readable New appendix includes an answer key for NCLEX RN Review Questions at the end of each chapter making it easy to check your answers **Transcultural**
