sensitive guide to working the Steps skills for understanding your addiction processing your trauma and navigating your recovery journey the anticipated companion to Trauma and the 12 Steps This addiction recovery workbook from clinicians Jamie Marich PhD and Stephen Dansiger offers skills to prevent relapse enhance recovery and understand how trauma impacts alcoholism drug dependency and even other types of addictions Working the Steps for the first time can feel scary and unfamiliar and depending upon the experiences you've had at AA or NA you may question whether the 12 Steps are right for you Here Marich and Dansiger help you get to the root of your addiction while offering skills and exercises for an inclusive recovery program Unlike some 12 Step programs this workbook is open to all regardless of your background history identity or spiritual beliefs It also recognizes that for most of us on recovery or sobriety journeys each Step isn't made to be worked through only once this workbook is designed to support your individual needs whether that's practicing one step on a day to day basis revisiting another at different times throughout your recovery process or using the exercises as part of a yearly check in The workbook begins with a self care inventory then moves through each of the 12 steps with prompts meditations journaling reflections and body based exercises The authors also offer coping skills and an open minded approach that acknowledges that your recovery is as unique as you are one size fits all doesn't apply Compassionate trauma responsive and grounded in the latest behavioral and neuroscience research this workbook is your go to addiction recovery toolkit

When Trauma Survivors Return to Work Barbara Barski-Carrow, 2023-06-14 A practical guide for managers and co workers who want to foster the emotional recovery process of traumatized employees returning to the workplace For trauma survivors returning to work can be a difficult process It can also be difficult for managers and co workers to know how to help This guide offers authoritative actionable advice on how to treat colleagues after an experience such as a violent accident rape armed robbery the diagnosis of a terminal illness or a loved one's suicide or sudden death All too often the trauma is left unacknowledged because no one is sure of the right thing to do or say This can lead to feelings of alienation or resentment and make the recovery process difficult Dr Barbara Barski Carrow offers a straightforward primer full of practical examples on how to support survivors and help them truly return to work

Trauma and the 12 Steps, Revised and Expanded Jamie Marich, PHD, 2020-07-07 An inclusive research based guide to working the 12 steps a trauma informed approach for clinicians sponsors and those in recovery Step 1 You admit that you're powerless over your addiction Now what 12 step programs like Alcoholics Anonymous AA and Narcotics Anonymous NA have helped countless people on the path to recovery But many still feel that 12 step programs aren't for them that the spiritual emphasis is too narrow the modality too old school the setting too triggering or the space too exclusive Some struggle with an addict label that can eclipse the histories traumas and experiences that feed into addiction or dismisses the effects of adverse experiences like trauma in the first place Advances in addiction medicine trauma neuropsychiatry social theory and overall strides in inclusivity need to be integrated into modern day 12 step programs to reflect the latest research and what it means to live with an addiction today

Dr Jamie Marich an addiction and trauma clinician in recovery herself builds necessary bridges between the 12 step s core foundations and up to date developments in trauma informed care Foregrounding the intersections of addiction trauma identity and systems of oppression Marich s approach treats the whole person not just the addiction to foster healing transformation and growth Written for clinicians therapists sponsors and those in recovery Marich provides an extensive toolkit of trauma informed skills that Explains how trauma impacts addiction recovery and relapse Celebrates communities who may feel excluded from the program like atheists agnostics and LGBTQ folks Welcomes outside help from the fields of trauma dissociation mindfulness and addiction research Explains the differences between being trauma informed and trauma sensitive and Discusses spiritual abuse as a legitimate form of trauma that can profoundly impede spirituality based approaches to healing
