Counting with the Little Prince Antoine de Saint-Exupéry, 2015-09-26 This classic beloved tale is re imagined as a beautiful tabbed board book with original illustrations and simple text **The Publishers Weekly**, 2003 **The Little Prince's Odyssey**, 2023-04-04 **The Little Prince - Large Print Edition** Antoine de Saint-Exupéry, 2017-12-02 The Little Prince is one of the most famous books ever written It is said to have been translated into 300 languages and dialects The original in French has also been reprinted by Ishi Press as Le Petit Prince grande Edition imprimEe ISBN 4871879275 It was first published by Reynal Hitchcock New York 1943 Copies of the first edition are rare and will sell for more than one thousand dollars Here we have used for this reprint the original translation by Katherine Woods There are at least six other published English Language translations and so many translations in other languages that it is difficult to count them For example there are said to be 70 translations into Chinese The book was written in French The English translation was dictated by the publisher The Little Prince describes his travels to ten planets The other little planets are asteroids that circle the Sun between Mars and Jupiter The asteroids have numbers rather than names The Little Prince lives on one of these asteroids and visits the others It appears to be similar to and a predecessor of the Star Trek TV series involving a space ship that goes from one planet to another finding different life forms and new adventures on each planet *Day with the Little Prince* Antoine de Saint-Exupéry, 2015-09-26 The Little Prince spends his day taking care of his small planet then when the work is done he enjoys a nice sunset The Little Prince for Young Children Antoine de Saint-Exupéry, 2019-10-08 Follow The Little Prince as he travels from Asteroid B 612 to Planet Earth This re telling of Antoine de Saint Exup ry s classic novella focuses on the Little Prince s relationships with the people and places he comes across on his adventure Illustrations from the original work are joined by new designs showing the Little Prince as he flies his plane watches the sunset with the Fox and spends time with his beloved Rose The Grub Street Journal, 1730-33 Vol 4 Bertrand A Goldgar, 2024-10-28 The Grub Street Journal was perhaps the most widely read weekly journal in England of its period The first four years are reprinted here representing the journal in its prime in terms of quality and popularity This edition is enhanced with a general introduction and comprehensive annotation
