Webs of Corruption Mariya Omelicheva,Lawrence Markowitz,2019-05-21 Counterterrorism experts and policy makers have warned of the peril posed by the links between violent extremism and organized crime especially the relationship between drug trafficking and terrorism funding Yet Central Asia the site of extensive opium trafficking sees low levels of terrorist violence Webs of Corruption is an innovative study demonstrating that terrorist and criminal activity intersect more narrowly than is widely believed and that the state plays the pivotal role in shaping those interconnections Mariya Y Omelicheva and Lawrence P Markowitz analyze the linkages between the drug trade and terrorism financing in Central Asia finding that state security services shape the nexus of trafficking and terrorism While organized crime and terrorism do intersect in parts of the region profit driven criminal organizations and politically motivated violent groups come together based on the nature of state involvement Governments in high trafficking regions are drawn into illicit economies and forge relationships with a range of nonstate violent actors such as insurgents erstwhile

regime opponents and transnational groups Omelicheva and Markowitz contend that these relationships can mitigate terrorism by redirecting these actors toward other forms of violence Offering a groundbreaking combination of quantitative qualitative and geographic information systems methods to map trafficking terrorism connections on the ground Webs of Corruption provides a meticulously researched counterintuitive perspective on a potent regional security problem **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions Iran's Deadly Ambition Ilan Berman,2016-12-06 Are we on the cusp of détente with Iran Conventional wisdom certainly seems to believe so Since the start of diplomacy between the Islamic Republic and the P5+1 powers the United States France England Russia China Germany in November 2013 hopes have been running high for a historic reconciliation of Iran s clerical regime with the West Yet there is ample reason for skepticism that the United States and its allies can truly curb Iran s nuclear ambitions by diplomatic means Moreover the West s current focus on Iran s nuclear program is deeply dangerous insofar as it fails to recognize let alone address Iran s other international activities or its foreign policy aims Those objectives are global and they continue to grow in scope and menace In this sobering book Ilan Berman illuminates the multiple dimensions of the Iranian threat and exposes the perils of lodging confidence in diplomacy with the Islamic Republic
