Thelma Marie Corelli:

Thelma Marie Corelli,2015-12-01 This wildly popular romance from British writer Marie Corelli begins as a classic fish out of water story The eponymous heroine Thelma an innocent Norwegian girl is plucked by a suitor from her family and inserted into the upper echelons of British high society Will she retain her purity of heart or will she give in to the debasement that encompasses her **Thelma, by marie corelli** Marie Corelli,1899 **Thelma** Marie Corelli,2006-05-01

Thelma Marie Corelli,2020-03-11 Midnight without darkness without stars Midnight and the unwearied sun stood yet visible in the heavens like a victorious king throned on a dais of royal purple bordered with gold The sky above him his canopy gleamed with a cold yet lustrous blue while across it slowly flitted a few wandering clouds of palest amber deepening as they sailed along to a tawny orange A broad stream of light falling as it were from the centre of the magnificent orb shot lengthwise across the Altenfjord turning its waters to a mass of quivering and shifting color that alternated from bronze to copper from copper to silver and azure The surrounding hills glowed with a warm deep violet tint flecked here and there with touches of bright red as though fairies were lighting tiny bonfires on their summits Away in the distance a huge mass of rock stood out to view its rugged lines transfigured into ethereal loveliness by a misty veil of tender rose pink a hue curiously suggestive of some other and smaller sun that might have just set Absolute silence prevailed Not even the cry of a sea mew or kittiwake broke the almost deathlike stillness no breath of wind stirred a ripple on the glassy water The whole scene might well have been the fantastic dream of some imaginative painter whose ambition soared beyond the limits of human skill Yet it was only one of those million wonderful effects of sky and sea which are common in Norway especially on the Altenfjord where though beyond the Arctic circle the climate in summer is that of another Italy and the landscape a living poem fairer than the visions of End **Thelma** Marie Corelli,1902 **Thelma** Marie Corelli,2024-12 Thelma by Marie Corelli explores themes of fate love and the mysteries of the unknown The novel centers around the protagonist s chance encounter with Thelma whose beauty and elusive nature spark his deep curiosity and intrigue As the story unfolds it delves into the theme of destiny suggesting that certain events and connections are guided by unseen forces beyond human control The protagonist s growing obsession with Thelma leads him to unravel secrets tied to her past creating a sense of mystery and uncovering the complexities of identity The narrative also addresses the theme of passion as the protagonist s emotions and desires deepen blurring the lines between reason and the supernatural Throughout the novel there is an exploration of self discovery as both characters grapple with their inner worlds facing their deepest fears and desires The interaction between love and fate becomes a central focus highlighting the ways in which the past shapes the present and the unforeseen consequences of choices made Thelma is a rich tale of how love and mystery intertwine exploring the profound impact of destiny the allure of the unknown and the transformative power of passion Thelma.
