

The background of the entire image is a photograph of a man in a dark and light grey shirt and dark shorts walking away from the viewer on a dirt path. To his right is a red, weathered gas pump and a tall, thin metal pole with a lamp at the top. The sky is dark and cloudy, with a bright light source breaking through on the left side.

At the time she takes the blind baby on the girl is herself a child only four years old. A STORY YOU LL BE TELLING EVERYONE *The Country of the Blind* H. G. Wells,2021-09-06 Beyond the peaks and snow capped volcanoes. In the middle of the jungle on the Andes Mountains of Ecuador. There is still a mysterious valley in the middle of the mountain that cuts it off from the outside world. We call this place land of the blind people who live in this place experienced a strange contagious disease. That caused their eyes to become cloudy blurry and eventually become completely blind from birth to adulthood. They have always lived a simple and peaceful life. Their lack of visual potential was not a problem in life at all. But then the whole story has changed. When a man named Nunez from a mountaineering group visited the mountains of Ecuador and fell to this land. When Nunez arrived He was very surprised by this place. Everything looked strange both the shape of the house the corridors as well as the people and he realized that Indeed the people in this village were all blind and did not even know that he was blind. No matter how much he tried to explain to the blind the sight the shape of the trees streams and sky no one believed. They also accused him of being unconscious. So Nunez came up with the idea of becoming the ruler of this place. How foolish and ignorant are you. As the saying goes in the land of the blind the one eyed man is the king. But then Nunez's dream of a coup d'etat failed. Even though he was not the only one eyed man in the land of the blind. But it's a person with good eyesight who can see clearly on both sides why because besides the villagers will not surrender to him to think that he is a danger different from others must be driven out only. What will Nunez do next. Will be able to become the good eye king of the land of the blind or not. Continue to follow in the book *The Country of the Blind* H. G.
