fiction and nonfiction expose a secret history that cuts beneath the straight histories of our official accounts And it does so by revealing personal stories of love work family war and interracial romance as they were lived out across the decades of the twentieth century Wyatt reads authors both familiar and neglected examining double consciousness in the post Civil War era through works by Charles W Chesnutt W E B Du Bois and Booker T Washington He reveals aspects of the Depression in the fiction of F Scott Fitzgerald Anzia Yezierska and John Steinbeck Period by period Wyatt s nuanced readings recover the felt sense of life as it was lived opening surprising dimensions of the critical issues of a given time The rise of the women s movement for example is revived in new appraisals of works by Eudora Welty Ann Petry and Mary McCarthy Running through the examination of individual works and times is Wyatt s argument about reading itself Reading is not a passive activity but an empathetic act of cocreation what Faulkner calls overpassing to love Empathetic reading recognizes and relives the emotional cultural and political dimensions of an individual and collective past And discovering a usable American past as Wyatt shows enables us to confront the urgencies of our present moment **Scientific Americans** John
