Theological Dictionary of the New Testament, Volume VI Gerhard Kittel, Geoffrey William Bromiley, Gerhard Friedrich, 1969-07-03 Substantial articles on 2000 Greek words that are theologically significant in the New Testament Traces usage in classical Greek literature the Septuagint intertestamental texts and the New Testament **Theological Dictionary of the New Testament, Volume I** Gerhard Kittel, Geoffrey William Bromiley, Gerhard Friedrich, 1964-03-18 Substantial articles on 2000 Greek words that are theologically significant in the New Testament Traces usage in classical Greek literature the Septuagint intertestamental texts and the New Testament **Theological Dictionary of the New Testament, Volume III** Gerhard Kittel, Geoffrey William Bromiley, Gerhard Friedrich, 1966-05-06 Substantial articles on 2000 Greek words that are theologically significant in the New Testament Traces usage in classical Greek literature the Septuagint intertestamental texts and the New Testament **Theological Dictionary of the New Testament** Gerhard Kittel, Geoffrey William Bromiley, Gerhard Friedrich, 1964 One of the most widely respected theological dictionaries put into one volume abridged form Focusing on the theological meaning of each word the abridgment contains English keywords for each entry tables of English and Greek keywords and a listing of the relevant volume and page numbers from the unabridged work at the end of each article or section *Theological Dictionary of the New Testament* G. Kittel, 1969 **Biblical, Traditional, and Theological Framework for Understanding Christian Prophetism in Ghana Today** Daniel Nii Aboagye Aryeh, 2019-01-03 The basis for this project is to verify and determine the extent to which contemporary prophetic ministry in Ghana appropriates prophetism in the early church Corpus Paulinum and traditional prophetism in Ghana The spirit of prophecy which was believed to have ceased in Judaism and during the intertestamental period has now been restored at the inauguration of Christianity Notwithstanding Paul gave stipulations for prophets and prophecy in the church in 1 Corinthians 14 This confirms that prophecy was a common phenomenon in the early church and Pauline communities Contemporary prophetic ministry in Ghana claimed to have conformed to Pauline stipulations concerning prophets and prophecy in the church but what is their level of conformity Contemporary prophetic ministry is becoming popular due to its appeal and compatibility with religious worldviews and its pragmatic outlook that resonates with the Ghanaian phenomenon of religion As an adherent of the Akan traditional religion would go to a religious intermediary for ebisa literally to inquire or ask into present or future happenings contemporary prophets have positioned themselves to be agents of ebisa in Ghanaian Christianity This book explores biblical and traditional understandings of prophetism that have influenced contemporary Christian understanding of prophets and prophecy in the church **Law, Liberty and Church** Dr Gordon Arthur, 2013-05-28 Law Liberty and Church examines the presuppositions that underlie authority in the five largest Churches in England the Church of England the Roman Catholic Church the Methodist Church the United Reformed Church and the Baptist Union Examining what has influenced their development and how the patterns of authority that exist today have

evolved Gordon Arthur explores the contributions of Scripture Roman Legal Theory and Greek Philosophy This book shows how the influence of Roman legal theory has caused inflexibility and at times authoritarianism in the Roman Catholic Church it explores how the influence of reason and moderation has led the Church of England to focus on inclusiveness often at the cost of clarity it expounds the attempts of the Free Churches to establish liberty of conscience leading them at times to a more democratic and individualistic approach Finally Arthur offers an alternative view of authority and sets out some of the challenges this view presents to the Churches

Blueprint for a Revolution: Building Upon All of the New Testament - Volume One Reed K. Merino B.A. M. Div.,2021-07-23 What if for more than fifty years you worked hard to research the New Testament without denominational filters And then what if you were to organize that research by subject matter Well that is what I have done in these two volumes of *Blueprint for a Revolution Building Upon ALL of The New Testament* What follows is a catechism of apostolic true Christianity It is a body of teaching that flows out of taking all New Testament teachings in a grammatically natural and literal sense the way we instinctively read all serious literature Testimony from the earliest Christians is also presented demonstrating that what those earliest churches taught and lived out was typically identical to what you conclude when you take the New Testament doctrines commands and promises in that same sense In those many years of research I have never come upon a single church or book that provides a specific set of principles a k a exegetical method by which all Biblical passages are to be interpreted and that has then set about to consistently surrender to those principles in all the subjects that it covers My claim therefore is that this is the only such catechetical work that does just that The importance of this book does not lie mainly in the specific conclusions of any individual chapter and certainly not in any of my literally skills at presenting those conclusions It lies largely in the juxtaposition of teachings that are often thought to be in conflict with each other only because the traditions that hold to the beliefs in those chapters have been in conflict with each other It is my contention that what Jesus considered to be my church is what is taught within these chapters the church that is an incarnation of His kingdom of God
