Social Work Treatment Francis J. Turner, 2011-03-15 First published in 1974 Social Work Treatment remains the most popular and trusted compendium of theories available to social work students and practitioners It explores the full range of theoretical approaches that drive social work treatment and knowledge development from psychoanalysis to crisis intervention This treasure trove of practice knowledge equips professionals with a broad array of theoretical approaches each of which shine a spotlight on a different aspect of the human condition Emphasizing the importance of a broad based theoretical approach to practice it helps the reader avoid the pitfalls of becoming overly identified with a narrow focus that limits their understanding of clients and their contexts This sweeping overview of the field untangles the increasingly complex problems ideologies and value sets that define contemporary social work practice The result is an essential A to Z reference that charts the full range of theoretical approaches available to social workers regardless of their setting or specialty

The Therapeutic Powers of Play Athena A. Drewes, Edward (Franc) Hudspeth, 2025-11-13 There is no current up to date single text that offers beginners and seasoned clinicians a clear direction in how to conceptualize and interweave the therapeutic powers of play through the lens of a specific seminal theory using a single case study uniformly across chapters This book looks to fill the gap by offering an up to date edition for use by university professors of child and play therapists training directors agency and clinic supervisors as well as private practice supervisors and supervisees wishing to obtain a clear and deeper understanding of the therapeutic powers of play and its relationship to seminal theories It is a much needed book that synthesizes the Therapeutic Powers of Play and Play Therapy theories on a level not seen before This edited book will be a combination of chapters written by the co editors and invited chapter authors who are renowned in the field of play therapy Each chapter author will be given one specific case study for uniformity across all chapters for comparison The chapter author will address in detail how their specific theoretical approach would view and integrate the therapeutic powers of play within treatment This edition is unique in its inclusion of timely chapters addressing the foundations and the seminal theoretical approaches used in play therapy and the nuts and bolts of integration of the therapeutic powers of play for a treatment approach Readers will have the opportunity to compare across the seminal theories the commonalities and differences of conceptualization and practice implementation

Riding the Academic Freedom Train Jeanett Castellanos, Joseph L. White, Veronica Franco, 2023-07-03 Mentoring demonstrably increases the retention of undergraduate and graduate students and is moreover invaluable in shaping and nurturing academic careers With the increasing diversification of the student body and of faculty ranks there s a clear need for culturally responsive mentoring across these

dimensions Recognizing the low priority that academia has generally given to extending the practice of mentoring let alone providing mentoring for Black indigenous and people of color BIPOC and first generation students this book offers a proven and holistic model of mentoring practice developed in the field of psychology that not only helps mentees navigate their studies and the academy but provides them with an understanding of the systemic and racist barriers they will encounter validates their cultural roots and contributions and attends to their personal development Further recognizing the demands that mentoring places on already busy faculty the model addresses ways of distributing the work inviting White and BIPOC faculty to participate developing mentees capacities to mentor those that follow them building a network of mentoring across generations and adopting group mentoring Intentionally planned and implemented the model becomes self perpetuating building an intergenerational cadre of mentors who can meet the growing and continuing needs of the BIPOC community Opening with a review of the salient research on effective mentoring and chapters that offer minority students views on what has worked for them as well as reflections by faculty mentors the core of the book describes the Freedom Train model developed by the godfather of Black psychology Dr Joseph White setting out the principles and processes that inform the Multiracial Multiethnic Multicultural M3 Mentoring Model that evolved from it and offers an example of group mentoring While addressed principally to faculty interested in undertaking mentoring and supporting minoritized students and faculty the book also addresses Deans and Chairs and how they can create Freedom Train communities and networks by changing the cultural climate of their institutions providing support and modifying faculty evaluations and rewards that will in turn contribute to student retention as well as creative and productive scholarship and research This is a timely and inspiring book for anyone in the academy concerned with the success of BIPOC students and invigorating their department s or school s scholarship

Theories of Counseling and Psychotherapy Linda Seligman, Lourie W. Reichenberg, 2010 Theories of Counseling and Psychotherapy categorises theories by their focus background emotions and sensations thoughts or actions This structure helps students better understand similarities and differences among theories and provides an overarching framework that other texts lack

Twenty-First Century Psychotherapies Jay Lebow, 2008 This pragmatic step by step and enthusiastic book is written for an intelligent audience who wants to understand modern psychotherapy its origins relationships to other ideas and research base but doesn't want to be bogged down by research jargon or extended accounts of research methodology Featuring contributions from leaders in the field of clinical psychology this practical reference provides thorough coverage of the most well regarded and clinically sound psychotherapeutic approaches for treating a wide range of disorders and client populations

Culture and the Therapeutic Process Mark M. Leach, Jamie D. Aten, 2013-03 While there are numerous resources for practitioners on the subject the ambiguity remains of what actually constitutes effective multicultural counseling and psychotherapy and how it should be incorporated into their sessions This book addresses the question of how to apply current theories and research with a unique start to finish approach examining the

role culture plays in each stage of the therapeutic process from before the clinical intake to termination Each chapter is devoted to one of these stages and provides practical strategies techniques examples and case studies The reader will find new ways to consider the influence of culture and expand their own knowledge and skills as a practitioner

A Case Approach to Counseling and Psychotherapy Gerald Corey,2000-03 Microcounseling Thomas G. Daniels,Allen E. Ivey,2007 This text presents not only the latest thinking on microcounseling but more specifically outlines the major theoretical constructs and concepts of the microcounseling model These constructs and concepts are framed within the context of the culturally effective helper The book also details the skills and dimensions of microcounseling as outlined in the Microcounseling Hierarchy a methodological approach to the helping process BOOK JACKET *The Psychology of Multiculturalism in the Schools* Janine M.
