It's OK That You're Not OK Megan Devine,2017-10-01 Challenging conventional wisdom on grief a pioneering therapist offers a new resource for those experiencing loss When a painful loss or life shattering event upends your world here is the first thing to know there is nothing wrong with grief Grief is simply love in its most wild and painful form says Megan Devine It is a natural and sane response to loss So why does our culture treat grief like a disease to be cured as quickly as possible In It s OK That You re Not OK Megan Devine offers a profound new approach to both the experience of grief and the way we try to help others who have endured tragedy Having experienced grief from both sides as both a therapist and as a woman who witnessed the accidental drowning of her beloved partner Megan writes with deep insight about the unspoken truths of loss love and

healing She debunks the culturally prescribed goal of returning to a normal happy life replacing it with a far healthier middle path one that invites us to build a life alongside grief rather than seeking to overcome it In this compelling and heartfelt book you ll learn Why well meaning advice therapy and spiritual wisdom so often end up making it harder for people in grief How challenging the myths of grief doing away with stages timetables and unrealistic ideals about how grief should unfold allows us to accept grief as a mystery to be honored instead of a problem to solve Practical guidance for managing stress improving sleep and decreasing anxiety without trying to fix your pain How to help the people you love with essays to teach us the best skills checklists and suggestions for supporting and comforting others through the grieving process Many people who have suffered a loss feel judged dismissed and misunderstood by a culture that wants to solve grief Megan writes Grief no more needs a solution than love needs a solution Through stories research life tips and creative and mindfulness based practices she offers a unique guide through an experience we all must face in our personal lives in the lives of those we love and in the wider world It s OK That You re Not OK is a book for grieving people those who love them and all those seeking to love themselves and each other better

Let There Be Light Doug Irmien, 2021-05-21 The potentially catastrophic problems we face in the world today are the result of a massive spiritual failure Too many of us appear to have forgotten the real purpose we were born for in the first place which at its most basic level is to love and nurture ourselves and the earth But we re not really loving and nurturing when we cause the environment to decline and the climate to become inhospitable when we keep wasting money and resources by amassing petrifying weapons to fight horrific wars when we fail to take care of the weak and when we demonize each other with so much vitriol that nothing effective seems to get done We are out of control as a species Let There Be Light Saving Ourselves and Our Planet Through a Global Social Compact proposes that we tame the savageness of man by using the internet to adopt a universal Social Compact a grass roots spiritual and political movement that would operate as a Light Network to connect like minded people around the world in an urgent crusade to reverse the course their governments and societies have put them on Our Social Compact will funnel the core goodness we all have within us into a metaphorical ball of Light that beams out the conscience of mankind A conscience that says NO MORE to our current failure to get along and cooperate A conscience that will overwhelm our governments and societies with the message that NOW IS THE TIME for us to truly achieve the universal desire of mankind which is first of all to survive and then to come together to love and respect all life on earth The Light Network website www.lightnetwork.me is now under construction Although the Light Network will not be a formal legal entity its work will nonetheless be continuously felt throughout the world It will be a relentless force that tracks the issues that threaten our world and then shines its spiritual message onto the efforts that will be essential if we are to take back control of our destiny

Six Stages on the Spiritual Path Ruth Whitney, 2021-05-21 In *Six Stages on the Spiritual Path* we learn about spirituality and its stages as well as how spirituality helps to reduce our suffering and create more love Writings from ancient to contemporary mystics across the

world provide us with practical and spiritual wisdom that will make our lives happier and more loving In the first stage on the mystic way children experience awe and wonder but they do not realize that this is a spiritual experience While all indigenous people recognize awe as a mystical experience only some adults and most artists do When parents and religious leaders teach children about God they cause their spiritual growth to flourish or to become stunted at an elementary school level Awakening is an experience of the Divine that helps us realize that the Sacred Spirit is within us and loves us Awakening produces love for our neighbors and ourselves Then love nurtures more awakenings Illumination and union are deeper mystical experiences that the Holy One is not only within all of us and all of creation but also that we are within the ONE Illumination creates more love for all people and all the universe Consciousness Unfolding Joel S.
