The World To Come A Portal To Heaven On Earth:

The World to Come Derek Leman, 2008 A fresh but old perspective on the world to come as it interacts with the prophets and the Bible **The Book of Enoch Revised** Unknown, **ENOCH, JUBILEES AND JASHER: BIBLICALLY ENDORSED COMPILED AND ARRANGED APOCRYPHA BOOKS** Buddy Midkiff, 2019-08-25 These Apocrypha books were found within the Dead Sea scrolls Were they taken out on purpose to further a sinister plan Could these writings which were referred to and quoted in the canonized 66 books of the Bible shed new light on some old mysteries If the closest man to ever walk and talk with God and was shown how the universe works wrote a book would you want to read it 'The Real Scriptures' of God James Platter, 2012-08 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isn't in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language The Book of Enoch R. H. CHARLES, D.LITT., D.D., 2016-07-24 A book of Jewish myth and thinking the Book of Enoch was a book that was widely used in the first century as a point of reference in Jewish belief While it is largely unknown exactly when the book was written it was known to have been written by the time of the New Testament since a passage in the book of Jude comes from this source While not canonical this book is an interesting tool to enlightening the myths Jews held onto at the time of Biblical writing *The Sacred Books and Early Literature of the East* Charles Francis Horne, 1917 **The Book of Enoch** , 1925 The Apocrypha and Pseudepigrapha of the Old Testament in English: Baruch, or the Syriac Apocalypse of Baruch (Charles) Robert Henry Charles, 1913 *The Apocrypha and Pseudepigrapha of the Old Testament in English* Robert Henry Charles, 1913 The Apocrypha and Pseudepigrapha of the Old Testament in English , 1913 **Creation Centered in Christ** Henry Grattan Guinness, 1896 **The Book of Enoch** Robert Henry Charles, 1921 *The Book of Enoch* R. H. Charles, 2006-05 Said to be the most widely read book by Christians during the first two centuries this lost book is now back Translated by R H Charles who knew the Ethiopic language As a result this version provides the most accurate translation **'THE REAL SCRIPTURES' OF GOD - OLD**

TESTAMENT James Platter, 2012-11-21 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isn't in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language The Real Scriptures edited by James Platter above a layman who formerly studied the scriptures for many years with the Baptist Bible Fellowship in San Dimas California in the United States but now rejects the reduced 1627 A D Version of the KJV Bible and formally learned the Greek language of the New Testament at Capernwray Missionary Fellowship Moss Vale N S W Australia under the Reverend Alan Catchpoole in 1973 Creation Centred in Christ Henry Grattan Guinness, 1896 **The Old Testament Apocrypha** Catherine Dimier, 1964 In the introductory section of this volume the author presents a detailed but concise survey of the apocryphal works She outlines how and why this type of literature developed and shows its relation to the growth of the Judaeo Christian tradition A list of the most important apocrypha with explanatory notes about their content and influence concludes this complete introduction The text continues with extracts from the writings themselves Various accounts of creation the conceptions of good and evil and the notions of the spirit world are all studied in depth Legends of the Age of the Patriarchs and several other selections reflect the traits of the people of ancient Israel The author devotes special attention to the pious sect of Jews who formed the Qumran community and who are responsible for the writings in the Dead Sea Scrolls Interesting portions from the actual text of these scrolls provide illuminating insights into the daily life of this religious group Through comments and evaluations the author provides a significant link in the chain of religious history *The Apocrypha and Pseudepigrapha of the Old Testament in English: Pseudepigrapha* Robert Henry Charles, 1979 *The Apocrypha and Pseudepigrapha of the Old Testament* The Apocrypha and Pseudepigrapha of the Old Testament **Pseudepigrapha** Robert Henry Charles, 1963 **Explanation of the Epistles and Gospels for the Sundays, Holidays and Festivals Throughout the Ecclesiastical Year** Leonard Goffin , 1871 **The American Friend**, 1900
