Burkett, 1998-08-01. Although it is better to give than to receive, giving is harder for most people. Giving is not only good stewardship; it enables the church to help those in need. Respected Christian financial expert Larry Burkett uses God's Word to show the strong biblical basis for giving to and serving in the church. Using benevolence ministries as an example, Burkett explains how God uses Christians to minister in His name. This is accomplished by giving back to God a portion of what He has graciously given. **Your Career in Changing Times** Lee Ellis, Larry Burkett, 1998-01-12. Work is part of God's plan for people. For a career to be fulfilling, that work should fit into the individual's values, talents, and gifts. In *Your Career in Changing Times*, Lee Ellis and Larry Burkett explore tying a career into the large picture of pursuing God's will through efficient use of one's gifts. You'll discover the four skills that every employee will need in tomorrow's job market, the how to's of preparing for work through education and training, and even twelve steps you can take to help your children select the right career. Sixty to eighty percent of those in the work force are dissatisfied with their jobs. The workplace is changing. With economic prospects dim, companies are downsizing to make themselves more competitive, and college graduates are facing a dismal hiring environment. Automation and technology will reduce employment needs even more, and there will be strong competition for jobs. Whether you're a young person preparing to attend college, an executive considering a job change, or you're looking forward to retirement, *Your Career in Changing Times* is the tool you'll need to make these life-changing decisions. In a transforming workplace, you can't afford to be plagued with doubt about the skills you have to offer, and you can't afford to be uninformed about career planning. **Finding the Career That Fits You** Larry Burkett, Lee Ellis, 1998. In a time when 60 to 80 percent of employees are not satisfied with their jobs, many people are wondering if there is such a thing as job security, and whether they can actually enjoy their work. According to Lee Ellis and Larry Burkett, you can. It's just a matter of assessing who you are, knowing your strengths and interests, and discovering the kind of work that will utilize those talents. In this new edition of *Finding the Career That Fits You*, you will discover the person God made you to be through insightful looks at your personality, skills, life values, and vocational interests. All statistics and resources have been updated, and the latest information on using the Internet in your job search has been added. Ellis and Burkett will walk you through the job search process and give you the confidence you need to start or change your career and your life. **Copycatting Made Easy: A Step-by-Step Guide to Financial Freedom** Pasquale De Marco, 2025-07-27. *Copycatting Made Easy: A Step by Step Guide to Financial Freedom* is your comprehensive guide to achieving financial freedom through the art of copycatting.
