The Zamlers Last Stand:

Displays of Belonging Sarah Ellen Zarrow, 2025-06-15 *Displays of Belonging* illuminates the lives and work of Polish Jewish collectors and museologists who sought to preserve the treasures of the Jewish past while demonstrating Jewish belonging on Polish soil. As Jews comfortable in the Polish language and within Polish artistic and academic society, they saw themselves as intermediaries between less integrated Jews and the Polish cultural elite. At the turn of the century, Jewish ethnographers and museum creators staked their claim to belonging to the civic nation, though the display of Jewish folk art, fine art, and Judaica. After the First World War, the nearly three million Jews in the Second Polish Republic were suddenly challenged with finding a place for themselves in a state that increasingly defined itself as a creation of the ethnic Polish nation to which Jews, by many accounts, did not belong. By tracing emergent documentation and display practices in partitioned Poland and in the interwar Second Polish Republic, Sarah Ellen Zarrow offers a better understanding of how integrated Jews identified with Polish culture and history and with non-Jewish Poles, and how they conceived of, negotiated, and argued their collective place within Poland. This is not a case of assimilation nor of acculturation but rather of displaying a parallel culture that was at once similar and yet distinctive. *Displays of Belonging* offers a nuanced understanding of the multiplicity of ways in which Jews in Poland saw their present and dreamed of their future. It places Jewish ethnographic practice and art collection within a Polish context and sheds light on ways in which ideas about belonging and national identity were negotiated in the space of museums.

The Zamler's Last Stand Matthew Caldwell, 2009-08 Harry Pike was born running uphill, extraordinary even within the association of zamlers or luck pushers that were spread between Staten Island and Brooklyn to protect the Jewish community. And when Harry and his mother move to Flatbush, separating him from his talented friend Abner, he realizes that there is another religion in play, one that unites the two friends across the great city. The religion of baseball. So as Harry grows into his abilities, his friendship with Abner proves to him that even though he may someday understand the power of the zamlers, he may never understand its purpose. P 4 of cover

The Lost World of Russia's Jews Abraham Rechtman, 2021-06 In 1913, Abraham Rechtman journeyed through the Russian Pale of Settlement on a mission to record its Jewish folk traditions before they disappeared forever. *The Lost World of Russia's Jews* is the first English translation of his extraordinary experiences, originally published in Yiddish, documenting a culture best known until now through romanticized works like *Life Is with People* and *Fiddler on the Roof*. In the last years of the Russian Empire, Abraham Rechtman joined S. An-sky's Jewish Ethnographic Expedition to explore and document daily life in the centuries-old Jewish communities of the Pale of Settlement. Rechtman described the key places where Jewish life and death were experienced and connected these sites to local folklore and customary practices. Among the many unique contributions of his memoir are riveting descriptions of traditional Jewish healers and exorcists, many of them women, and their methods and incantations. Rather than a nostalgic portrait of an imagined shtetl, Rechtman succeeded in producing an

intimate account of Jewish life and death that is highly nuanced and richly detailed The Lost World of Russia's Jews powerfully illuminates traditional Jewish life in Eastern Europe on the eve of its transformation and ultimately destruction

Who Will Write Our History? Samuel D. Kassow, 2011-05-18 In 1940 in the Jewish ghetto of Nazi occupied Warsaw the Polish historian Emanuel Ringelblum established a clandestine scholarly organization called the Oyneg Shabes to record the experiences of the ghetto's inhabitants For three years members of the Oyneg Shabes worked in secret to chronicle the lives of hundreds of thousands as they suffered starvation disease and deportation by the Nazis Shortly before the Warsaw ghetto was emptied and razed in 1943 the Oyneg Shabes buried thousands of documents from this massive archive in milk cans and tin boxes ensuring that the voice and culture of a doomed people would outlast the efforts of their enemies to silence them Impeccably researched and thoroughly compelling Samuel D Kassow's Who Will Write Our History tells the tragic story of Ringelblum and his heroic determination to use historical scholarship to preserve the memory of a threatened people

Fishman, 2018-09-04 *The Book Smugglers* is the nearly unbelievable story of ghetto residents who rescued thousands of rare books and manuscripts first from the Nazis and then from the Soviets by hiding them on their bodies burying them in bunkers and smuggling them across borders It is a tale of heroism and resistance of friendship and romance and of unwavering devotion including the readiness to risk one's life to literature and art And it is entirely true Based on Jewish

German and Soviet documents including diaries letters memoirs and the author s interviews with several of the story s participants The Book Smugglers chronicles the daring activities of a group of poets turned partisans and scholars turned smugglers in Vilna The Jerusalem of Lithuania The rescuers were pitted against Johannes Pohl a Nazi expert on the Jews who had been dispatched to Vilna by the Nazi looting agency Einsatzstab Reichsleiter Rosenberg to organize the seizure of the city s great collections of Jewish books Pohl and his Einsatzstab staff planned to ship the most valuable materials to Germany and incinerate the rest The Germans used forty ghetto inmates as slave laborers to sort select pack and transport the materials either to Germany or to nearby paper mills This group nicknamed the Paper Brigade and informally led by poet Shmerke Kaczerginski a garrulous street smart adventurer and master of deception smuggled thousands of books and manuscripts past German guards If caught the men would have faced death by firing squad at Ponar the mass murder site outside of Vilna To store the rescued manuscripts poet Abraham Sutzkever helped build an underground book bunker sixty feet beneath the Vilna ghetto Kaczerginski smuggled weapons as well using the group s worksite the former building of the Yiddish Scientific Institute to purchase arms for the ghetto s secret partisan organization All the while both men wrote poetry that was recited and sung by the fast dwindling population of ghetto inhabitants With the Soviet liberation of Vilna now known as Vilnius the Paper Brigade thought themselves and their precious cultural treasures saved only to learn that their new masters were no more welcoming toward Jewish culture than the old and the books must now be smuggled out of the USSR Thoroughly researched by the foremost scholar of the Vilna Ghetto a writer of exceptional daring style and reach The Book Smugglers is an epic story of human heroism a little known tale from the blackest days of the war **Holocaust**
