Gallery,2008 This book describes the early exploits around the globe of a young naval officer who would become a World War II hero After touring the U S S Pittsburgh in 1926 James Thurber described it as the Playship of the World where the daily lives of officers were akin to living in the sort of Utopia in which old romantic plays used to drop their curtain and old romantic books close their final page Indicative of this adventurous carefree and relatively risk free period between the world wars was the early career of a young naval officer Dan Gallery who would eventually achieve the rank of admiral and garner international fame for capturing the German submarine U 505 during World War II These recently discovered diaries chronicle Gallery's shipboard tours on the Pittsburgh and four other vessels as they steamed to exotic ports in South America northern Europe and the Mediterranean during an era when the U S Navy's mission was to be highly

visible and an officer might expect as the recruitment motto promised to see the world Gallery's diaries are a travelogue through foreign ports bars and nightclubs and record a variety of sports competitions ranging from Gallery's participation as a wrestler in the 1920 Antwerp Olympic Games to baseball games with a ship's crew in ports from Cairo to Constantinople to fleetwide athletic contests sponsored by the navy in Panama and Guantanamo Bay The diaries also recount the coming of age of a naval legend as Gallery describes grappling with shipboard difficulties and contemplating the various directions his career might lead He also recalls romances with young women across the globe and attempts to maintain his moral and religious principles against temptations of lust and liquor Throughout Gallery's spirits are high his friendships numerous and his outlook clear and unpretentious Peppered with companionable wit and burgeoning literary talent the diaries illustrate the humble beginnings of an inspirational figure in military lore *American Culture in the 1940s* Jacqueline

Foertsch, 2008-03-27 This book explores the major cultural forms of 1940s America fiction and non fiction music and radio film and theatre serious and popular visual arts and key texts trends and figures from Native Son to Citizen Kane from Hiroshima to HUAC and from Dr Seuss to Bob Hope After discussing the dominant ideas that inform the 1940s the book culminates with a chapter on the culture of war Rather than splitting the decade at 1945 Jacqueline Foertsch argues persuasively that the 1940s should be taken as a whole seeking out links between wartime and postwar American culture

Around the World in Eighty Days Albert Ramsdell Gurney, 1962 **Musical Comedy in America** Cecil A.

Smith, Glenn Litton, 2013-10-28 First Published in 1987 This is the second edition with an additional foreword The purpose of this book the first to recount the history of the popular musical stage on Broadway and its intersecting streets is to tell what the various entertainments were like how they looked and sounded who was in them and why they made people laugh or cry The values employed in the book are changeable and inconsistent Sometimes an affable smile is bestowed upon a musical comedy burlesque or revue that was really very bad Sometimes a harsh verdict is brought in against an entertainment that received widespread approval and praise **The World To-day**, 1910 *Vanity Fair*, 1928 Shopping for Pleasure

Erika Rappaport, 2021-06-08 In *Shopping for Pleasure* Erika Rappaport reconstructs London's Victorian and Edwardian West End as an entertainment and retail center In this neighborhood of stately homes royal palaces and spacious parks and squares a dramatic transformation unfolded that ultimately changed the meaning of femininity and the lives of women shaping their experience of modernity Rappaport illuminates the various forces of the period that encouraged and discouraged women's enjoyment of public life and particularly shows how shopping came to be seen as the quintessential leisure activity for middle and upper class women Through extensive histories of department stores women's magazines clubs teashops restaurants and the theater as interwoven sites of consumption *Shopping for Pleasure* uncovers how a new female urban culture emerged before and after the turn of the twentieth century Moving beyond the question of whether shopping promoted or limited women's freedom the author draws on diverse sources to explore how business practices legal

decisions and cultural changes affected women in the market In particular she focuses on how and why stores presented themselves as pleasurable secure places for the urban woman in some cases defining themselves as instrumental to civic improvement and women s emancipation Rappaport also considers such influences as merchandizing strategies credit policies changes in public transportation feminism and the financial balance of power within the home Shopping for Pleasure is thus both a social and cultural history of the West End but on a broader scale it reveals the essential interplay between the rise of consumer society the birth of modern femininity and the making of contemporary London *Dress & Vanity Fair*, 1928
