The Worlds Religions Plus:

The World's Religions Peter B. Clarke, Peter Beyer, 2009-05-07 This comprehensive volume focuses on the world's religions and the changes they have undergone as they become more global and diverse in form. It explores the religions of the world not only in the regions with which they have been historically associated but also looks at the new cultural and religious contexts in which they are developing. It considers the role of migration in the spread of religions by examining the issues raised for modern societies by the increasing interaction of different religions. The volume also addresses such central questions as the dynamics of religious innovation which is evidenced in the rise and impact of new religious and new spirituality movements in every continent.

Illustrated World's Religions Huston Smith, 1994-09-03 Retaining all the beloved qualities of Huston Smith's classic *The World's Religions*, this stunning pictorial presentation refines the text to its wonderful essentials. In detailed, absorbing, richly illustrated and highly readable chapters on Hinduism, Buddhism, Confucianism, Taoism, Islam, Judaism, Christianity, and primal religions, we find refreshing and fascinating presentations of both the differences and the similarities among the worldwide religious traditions. The approach is at once classic and contemporary, retaining all the empathy, eloquence, and erudition that millions of readers love about the earlier edition, while being edited and designed for a contemporary general readership. This delightful marriage of engaging text and remarkable pictures vividly brings to life the scope and vision of Huston Smith's expertise and insight.

The World's Religions Huston Smith, 1991-09-13 Introduction to the world's religions that has been completely revised and updated.

The World's Religions after September 11 Arvind Sharma, 2008-11-30 This set is an unprecedented examination of religion's influence on modern life, an honest assessment of how religion can either destroy us or preserve us, and a thorough exploration of what steps might be necessary for all religions to join together as a force for good. Convening on the fifth anniversary of the terrorist attack on the World Trade Center, the global congress *The World's Religions after September 11* explored the negative and positive possibilities of the religious dimensions of life. The presentations from the congress have been pulled together in this set, which addresses religion's intersection with human rights, spirituality, science, healing, the media, international diplomacy, globalization, war, and peace, and more. This comprehensive set includes contributions from such well-known scholars of religion as Arvind Sharma and a host of others from all the world's religious traditions. This set is an unprecedented examination of religion's influence on modern life, an honest assessment of how religion can either destroy us or preserve us, and a thorough exploration of what steps might be necessary for all religions to join together as a force for good. Because of the attack on the World Trade Center on September 11, 2001, the very concept of religion underwent a paradigm shift. Instead of standing for virtue and piety, peace and harmony, the word religion also came to be inextricably associated with evil, aggression, and terror. People around the world began to question whether the religious and secular dimensions of modern life can be reconciled, whether the different religions of the world can ever coexist in harmony. Indeed,

the very future of religion itself has sometimes seemed to be uncertain or at least suspect After World Religions
 Christopher R Cotter, David G. Robertson, 2016-02-05 The World Religions Paradigm has been the subject of critique and controversy in Religious Studies for many years After World Religions provides a rationale for overhauling the World Religions curriculum as well as a roadmap for doing so The volume offers concise and practical introductions to cutting edge Religious Studies method and theory introducing a wide range of pedagogical situations and innovative solutions An international team of scholars addresses the challenges presented in their different departmental institutional and geographical contexts Instructors developing syllabi will find supplementary reading lists and specific suggestions to help guide their teaching Students at all levels will find the book an invaluable entry point into an area of ongoing scholarly debate *A History of the World's Religions, Books a la Carte Plus MyReligionLab with Etext -- Access Card Package* David S. Noss, Blake R. Grangaard, 2012-11-13 A History of the World's Religions Shown Through Original Sources A History of the World's Religions bridges the interval between the founding of religions and their present state and gives students an accurate look at the religions of the world by including descriptive and interpretive details from the original source materials Refined by over forty years of dialogue and correspondence with religious experts and practitioners around the world A History of the World's Religions is widely regarded as the hallmark of scholarship fairness and accuracy in its field It is also the most thorough yet manageable history of world religion available in a single volume treating many subjects largely neglected in other texts Teaching and Learning Experience Personalize Learning MyReligionLab delivers proven results in helping students succeed provides engaging experiences that personalize learning and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals Improve Critical Thinking A wealth of integrated primary source passages quoted from sacred texts give students an accurate look at the religions of the world by including descriptive and interpretive details Engage Students All source materials within A History of the World's Religions are accompanied by explanatory comments In addition helpful glossaries and bolded terms help enrich students understanding of the world's major religions Support Instructors Teaching your course just got easier You can create a Customized Text or use our Instructor's Manual Electronic MyTest Test Bank or PowerPoint Presentation Slides PLUS The book's depth breadth and organization frees instructors from having to cover everything in lectures enabling them to select specific assignments and use class time for questions discussion and their own favorite materials Note MyReligionLab does not come automatically packaged with this text To purchase MyReligionLab please visit www.MyReligionLab.com or you can purchase a valuepack of the text MyReligionLab VP ISBN 10 0205007554 VP ISBN 13 9780205007554 **Christianity the World-religion** John Henry Barrows, 1897 **Ninian Smart on World Religions: Traditions and the challenges of modernity. I. Individual traditions. Buddhism. 'Mysticism and scripture in Theravāda Buddhism'** Ninian Smart, 2009 Ninian Smart came to public prominence as the founding Professor of the first

British university Department of Religious Studies in the late 1960s His pioneering views on education in religion proved hugely influential at all levels from primary schools to academic teaching and research An unending string of publications many of them accessible to the general public sustained a reputation that became worldwide Here for the first time a selection of Ninian Smart's wide ranging writings is organised systematically under a set of categories which both comprehend and also illuminate his varied output over a career spanning half a century The editor John Shepherd was Principal Lecturer in Religion and Philosophy at the University of Cumbria He first met Smart as a postgraduate student and recently helped establish the Ninian Smart Archive at the University of Lancaster

The Encyclopedia of World Religions Robert S. Ellwood, 2008 Contains nearly 600 brief entries on the world's religious traditions
