

THE NEW TESTAMENT

A HISTORICAL INTRODUCTION TO THE EARLY CHRISTIAN WRITINGS

BART D. EHRMAN *and* HUGO MÉNDEZ

EIGHTH EDITION

OXFORD

The Writings Of The New Testament

Delbert Burkett

The Writings Of The New Testament:

The Writings of the New Testament Luke Timothy Johnson, 2010-03-01 Luke Timothy Johnson offers a compelling interpretation of the New Testament as a witness to the rise of early faith in Jesus. Critically judicious and theologically attuned to the role of the New Testament in the life of the church, Johnson deftly guides his reader through a wealth of historical and literary description and invites critical reflection on the meaning of these ancient writings for today. The third edition is carefully updated and includes new student friendly format and features including a new design and study and reflection questions.

The Books of the New Testament Leighton Pullan, 2017-06-22 THE NEW TESTAMENT Sidenote Its Name After the gift of the Holy Spirit Himself we may justly reckon the New Testament as the most precious gift which our Lord Jesus Christ has given since His Ascension to those who believe on His Name. The word testament which is in Latin testamentum corresponds with our word covenant and the phrase New Testament signifies the record of that new covenant in which God bound man to Himself by the death of His Son. The truth that this was a new covenant distinct from the covenant which God made with Abraham was taught by our Lord when He instituted the memorial of His death and said This cup is the new covenant in My Blood. We do not know precisely at what date the Christians began to call this record the New Testament but we do know that they used this name before A D 200. Sidenote Its Language In the time of our Lord the popular language of Palestine was Aramaic a language which was akin to Hebrew and borrowed some words from Hebrew. Hebrew was known by learned people but the language which the Son of God learned from His blessed mother and His foster father was Aramaic and He spoke the Galilean dialect of that language. From a few words preserved in the Gospels it is plain that the gospel was first preached in that tongue. In the 7th century after Christ the Mohammedan conquerors who spoke Arabic began to supplant Aramaic by Arabic and this is now the ordinary language of Palestine. As many people who spoke Aramaic were at one time heathen both the Jews and the Christians adopted the habit of calling their language Syriac rather than Aramaic. The great centre of Christian Syriac literature was Edessa and in the eastern part of the Roman Empire Syriac was the most important and most elegant language next to Greek. It is still used in the Church services of many Oriental Christians and it is spoken in ordinary conversation in parts of North Mesopotamia and Kurdistan. Further west it is only spoken in a few villages of Anti Libanus. In the course of this book it will be necessary to refer occasionally to the Aramaic language. It is highly probable that some of the earliest Christian writings were in Aramaic but all the books of the New Testament which we now possess are in Greek. The Greek language was known by many people in Palestine and it was splendidly fitted to be the medium of God's revelation. It was widely known among the civilized nations of the time and it is so rich and expressive that religious ideas are better conveyed in Greek than in almost any other tongue. Whereas it was essential that the gospel should be preached first in Aramaic it was equally essential that it should be written in Greek for the benefit of people who did not live in Palestine or who lived there as strangers. Sidenote The Canon The New Testament

Scriptures consist of twenty seven different books written by nine different authors Each book has some special characteristics corresponding with the mind of the writer and the circumstances under which it was written

The Writings of the New Testament Luke Timothy Johnson,2010 Writings of the New Testament is a key textbook for undergraduates and ordinands studying the New Testament It appears on every reading list and all students studying theology as an academic subject or for ministry have to study the New Testament Luke Timothy Johnson offers a compelling interpretation of the New Testament as a witness to the rise of early faith in Jesus Critically judicious and theologically attuned to the role of the New Testament in the life of the church Johnson deftly guides his reader through a wealth of historical and literary description and invites critical reflection on the meaning of these ancient writings for today The third edition is thoroughly updated and includes new student friendly format and features including a new design and study and reflection questions

The New Testament in Its World Workbook N. T. Wright,Michael F. Bird,2019-11-19 This workbook accompanies The New Testament in Its World by N T Wright and Michael F Bird Following the textbook s structure it offers assessment questions exercises and activities designed to support the students learning experience Reinforcing the teaching in the textbook this workbook will not only help to enhance their understanding of the New Testament books as historical literary and social phenomena located in the world of early Christianity but also guide them to think like a first century believer while reading the text responsibly for today

Books of the New Testament Hermann Freiherr von Soden,1907

The New Testament Anonymous,2019-12-03 The New Testament is a foundational collection of Christian texts that encompasses the life teachings and resurrection of Jesus Christ as well as the early Church s development Written in a variety of literary forms including gospels epistles and apocalyptic literature the New Testament integrates theological reflections with historical narratives Its rich symbolism and doctrinal explorations position it as a cornerstone of New Testament studies reflective of the socio political context of the first century CE where diverse audiences grappled with emerging Christian doctrine amidst Jewish heritage and Greco Roman culture The anonymity of the authorship

invites a broader interpretation of the texts emphasizing a collective spiritual experience rather than individual genius J B T suggests that the writings reflect the collaborative efforts of early Christians each contributing to a communal understanding of faith and salvation Historical insights into the early church persecution and the spread of Christianity reveal profound insights that shaped the text s compilation making it both a literary and historical document pivotal to Christian identity For those intrigued by the origins of Christian theology and its literary expression The New Testament offers an indispensable resource Its profound insights into morality ethics and the human experience make it relevant across centuries and cultures Readers seeking to deepen their understanding of Christianity s historical context and its continuing influence on modern society will find this work to be essential In this enriched edition we have carefully created added value for your reading experience An Introduction draws the threads together discussing why these diverse authors and texts belong in one collection Historical Context explores the cultural and intellectual currents that shaped these works offering insight into the shared or contrasting eras that influenced each writer A combined Synopsis Selection briefly outlines the key plots or arguments of the included pieces helping readers grasp the anthology s overall scope without giving away essential twists A collective Analysis highlights common themes stylistic variations and significant crossovers in tone and technique tying together writers from different backgrounds Reflection questions encourage readers to compare the different voices and perspectives within the collection fostering a richer understanding of the overarching conversation

A Short Protestant Commentary on the Books of the New Testament Paul Wilhelm Schmidt, Franz von Holtzendorff, 1882 **The New Testament and Its Writers** James Alexander MACCLYMONT, James Alexander M'Clymont, 1893 *The New Testament and Its Modern Interpreters* Eldon Jay Epp, George W. MacRae, 1989 **Notes, explanatory and practical, on the New Testament.** ed. by R. Frew Albert Barnes, 1884 The New Testament of Our Lord and Saviour Jesus Christ Adam Clarke, 1831 **The Biblical Theology of the New Testament** Ezra Palmer Gould, 1900
