Theatre Of The Book 1480 1880 Theatre Of The Book 1480 188:

Shakespeare and the Play Scripts of Private Prayer Ceri Sullivan, 2020-09-04 Early modern private prayer is skilled at narrative and drama In manuals and sermons on how to pray collections of model prayers scholarly treatises about biblical petitions and popular tracts about life crises prompting calls to God prayer is valued as a powerful agent of change Model prayers create stories about people in distinct ranks and jobs with concrete details about real life situations These characters may act in play lets or appear in the middle of difficulties or voice a suite of petitions from all sides of a conflict Thinking of early modern private prayers as dramatic dialogues rather than lyric monologues raises the question of whether play going and praying were mutually reinforcing practices Could dramatists deploying prayer on stage rely on having audience members who were already expert at making up roles for themselves in prayer and who expected their petitions to have the power to intervene in major events Does prayer s focus on cause and effect structure the historiography of Shakespeare s Henry VI Richard III Richard II Henry V and Henry VIII *Entertaining Uncertainty in the Early Modern Theater* Lauren Robertson, 2023-02-09 Lauren Robertson shows how the commercial theater transformed early modernity s crisis of uncertainty into spectacular onstage display Copyright and the Value of Performance, 1770-1911 Derek Miller, 2018-08-16 In the nineteenth century copyright law expanded to include performances of theatrical and musical works These laws transformed how people made and consumed performances Exploring precedent setting litigation on both sides of the Atlantic this book traces how courts developed definitions of theater and music to suit new performance rights laws From Gilbert and Sullivan battling to protect *The Mikado* to Augustin Daly petitioning to control his spectacular railroad scene artists worked with courts to refine vague legal language into clear functional theories of drama music and performance Through cases that ensnared figures including Lord Byron Laura Keane and Dion Boucicault this book discovers how the law theorized central aspects of performance including embodiment affect audience response and the relationship between scripts and performances This history reveals how the advent of performance rights reshaped how we value performance both as an artistic medium and as property Late Shakespeare, 1608-1613 Andrew J. Power, Rory Loughnane, 2013 In *Late Shakespeare 1608 1613* leading international Shakespeare scholars provide a contextually informed approach to Shakespeare s last seven plays **Persistence of Folly** Joel B. Lande, 2018-12-15 Joel B Lande s *Persistence of Folly* challenges the accepted account of the origins of German theater by focusing on the misunderstood figure of the fool whose spontaneous and impish jest captivated audiences critics and playwrights from the late sixteenth through the early nineteenth century Lande radically expands the scope of literary historical inquiry showing that the fool was not a distraction from attempts to establish a serious dramatic tradition in the German language Instead the fool was both a fixture on the stage and a nearly ubiquitous theme in an array of literary critical governmental moral philosophical and medical discourses figuring centrally in broad based efforts to assign laughter a proper time place and proportion in society *Persistence of Folly*

reveals the fool as a cornerstone of the dynamic process that culminated in the works of Lessing Goethe and Kleist By reorienting the history of German theater Lande s work conclusively shows that the highpoint of German literature around 1800 did not eliminate irreverent jest in the name of serious drama but instead developed highly refined techniques for integrating the comic tradition of the stage fool *The Book of the Play* Marta Straznicky,2006 This collection of essays examines early modern drama in the context of book history and focuses on the readership of plays that opens different perspectives on the relationship between the cultures of print and performance **Shakespeare's Book** Richard Meek,Jane Rickard,Richard Wilson,2008-12-15 The volume explores both Shakespeare s relationship with actual printers patrons and readers and the representation of writing reading and print within his works themselves The essays are theoretically critically and methodologically wide ranging What all of the contributors share however is a sense of the importance of books the books Shakespeare read the books he represented within his works and the books within which his works were first read to our understanding of Shakespeare s cultural significance both for his contemporaries and for us Shakespeare s Book will be of particular interest to students and scholars of Renaissance literature theatre and cultural history textual bibliography and the history of the book **BOOK JACKET** *American Book Publishing Record* ,2007 International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences ,2001 *An Ong Reader* Walter J. Ong,2002 This collection puts together the writings of Walter Ong a scholar who has offered his own observations about voice orality speech literacy communication and culture *Catalog of the Theatre and Drama Collections: Theatre Collection: books on the theatre. 9 v* New York Public Library. Research Libraries,1967 **Book Review Index** ,2004 Every 3rd issue is a quarterly cumulation Book-prices Current John Herbert Slater,William Roberts,F. Partridge,1909 **Book-prices Current** ,1909 *A General Catalogue of Books Offered to the Public at the Affixed Prices: Manuscripts and books relating to them. Science. Periodical literature.
