The LORD's Service Robert D. Macina, 2019-06-26 Worship in the Old Testament has been frequently misunderstood Its rites and ceremonies are often perceived as legalistic works that were required by an angry God to gain his favor or avert his wrath But is that really what the Bible teaches To be sure the LORD did institute the divine service in the Old Testament with all of its laws rites and ceremonies Yet did God do this in order to be appeased or pleased by the ancient Israelites When the priests enacted the offerings and sacrifices at the sanctuary was it merely to do good works that God required but without meaning or purpose for his people Was worship in the Old Testament always what the people did for the LORD or did God do anything that was beneficial to the Israelites This book answers these questions and furthermore dispels the recurring misinterpretation of worship in the Old Testament The LORD established the divine service in the Pentateuch not to receive what he demanded from the people of ancient Israel but on the contrary to cleanse them from their sinful impurities sanctify them to share in his holiness and dwell among them with his blessing

Healthy Human Life James K. Bruckner, 2012-06-18 Health is God's original created intent whole persons healthy relationships a thriving environment and ongoing interaction with himself In the Bible human health is body based community based and deeply integrated in a relationship with God's creating Spirit The Pentateuch prophets writings Gospels and epistles all are deeply if not primarily concerned with the ongoing and ultimate health of God's good creation Scripture also has a wide perspective on the disruption of human health It deals with the human tendency to violence corruption and self destructive behaviors The recently renewed interest in health vitality and spirituality of all kinds has led to this articulation of a biblical spirituality in relation to human health Surprisingly when we look for spirituality in the Bible we find real and embodied relationships Everyone is for health and for the restoration of health But what are health and healing How does the Bible describe or define them Here is the result of ten years of conversations with health care professionals in a master's course on biblical perspectives on health and healing The biblical witness can transform the way we practice the healing arts This book provides a biblical foundation for health and its restoration

Allen,2017-07-03 The Book of Revelation and Early Jewish Textual Culture explores the relationship between the writing of Revelation and its early audience especially its interaction with Jewish Scripture It touches on several areas of scholarly inquiry in biblical studies including modes of literary production the use of allusions practices of exegesis and early engagements with the Book of Revelation Garrick Allen brings the Book of Revelation into the broader context of early Jewish literature including the Dead Sea Scrolls and other important works Arguing that the author of the New Testament Apocalypse was a scribal expert someone who was well versed in the content of Jewish Scripture and its interpretation he

Frederik Poulsen, 2015-05-15 The prophetic books of the Old Testament offer a fascinating collection of oracles poetic images and theological ideas Among the most prominent themes are those of judgment and salvation especially concerning the fate of Zion This place where the people of God dwell is alternately presented as either the object of divine wrath or the image of

a salvific ideal Representing Zion provides a thorough and critical study of the images of Zion in the entire prophetic literature of the Old Testament The book challenges traditional interpretations of Zion and offers a fresh exploration of the literary and theological nature of the biblical writings Zion has largely been treated by scholars as an image of the inviolable city consistently and unambiguously used by Old Testament authors Representing Zion reveals the Zion motif to be contested complex and profoundly theological a reflection of the ambiguous role of YHWH as judge and saviour *Paul's*

Understanding of the Church's Mission Robert Lewis Plummer, 2006 This book engages in a careful study of Paul's letters to determine if the apostle expected the communities to which he wrote to engage in missionary activity It helpfully summarizes the discussion on this debated issue judiciously handling contested texts and provides a way forward in addressing this critical question While admitting that Paul rarely explicitly commands the communities he founded to evangelize Plummer amasses significant incidental data to provide a convincing case that Paul did indeed expect his churches to engage in mission activity Throughout the study Plummer progressively builds a theological basis for the church's mission that is both distinctively Pauline and compelling

Salvation in African Christianity Rodney L. Reed, David K. Ngaruiya, 2023-10-31 What must I do to be saved That question raised in the book of Acts by the Philippian jailer is a question for the ages Yet what even does it mean to be saved Is salvation for this life or the next Is it purely spiritual or does it have physical and material implications Can salvation be lost Do we determine who will be saved or does God What role does Christ play in salvation Such are the seemingly unending questions soteriology strives to answer In this eighth volume from the Africa Society of Evangelical Theology African theologians articulate their understanding of salvation and its widespread implications for life and practice in conversation with Scripture and the rich diversity of an African cultural context Salvation is examined from historical philosophical and theological lenses and scholars address topics as wide ranging as conversion ethnicity fertility poverty prosperity the Trinity exclusivism African Pentecostalism rural community eschatology wholeness and atonement It is a powerful exploration of the holistic nature of salvation as articulated in Scripture and understood by the African church

The View of Women Found in the Deuteronomistic Family Laws Carolyn Pressler, 2014-11-21 No detailed description available for The View of Women Found in the Deuteronomistic Family Laws *Mercy for All* Robert D. Anderson, 2023-12-20 This is a study in the interpretation of Paul with a focus on an interpretation of Romans 9 to 11 as a defense of God's faithfulness to Israel The study begins with reviews of three historical approaches to studying Paul's relationship to the Judaism of his era the third anchoring Paul with the Judaism of his time Second Temple Judaism It then moves to an interpretation of his writings from a broad framework within that Jewish sociocultural paradigm The study suggests that Paul's letter to the Romans provides a defense of Judaism and Romans 9 to 11 provides an argument for God's faithfulness to Israel Romans 11 particularly 11:25-32 presents a picture of Israel's redemption and how gentiles relate to Israel's redemption through the mercy they have received via Israel Gentiles are seen as instrumental in the redemption of

Israel Romans 11 25 32 should be read as a missional paradigm to Israel Old Testament Theology in Outline Walther Zimmerli, 1983-03-01 During the period that the Old Testament came into being Israel from whose world the documents contained in the Old Testament derive underwent many changes especially in its sociological structures Such changes produce changes in liturgical life resulting finally in the elimination of a multiplicity of sanctuaries and focusing on Jerusalem Walther Zimmerli suggests that a presentation of Old Testament theology cannot close its eyes to all this movement and change This classic study expertly outlines the essential religious structures and tensions of the Old Testament *The Teaching Minister*, 1991-01-01 With concise and practical guidelines for recovering the identity of the church Clark Williamson and Ronald Allen demonstrate that the central task of ministry is teaching the Christian faith The authors believe that how well ministers understand what is required of them and how well they do what is required of them is part of the problem of churches today as well as part of the solution
