Swindoll, 2008-04-01 Who do you say that I am Whether or not you know it this question posed by Jesus is the most important question you'll ever answer But it's not only a question for those who haven't trusted Jesus for salvation it's also one for those who call themselves followers of Christ Many will claim to know the answer but even Peter who answered it correctly didn't fully understand who Jesus was until later And in a culture two millennia removed Jesus' true identity and purpose are often obscure making His question relevant and vital both for non-Christians and Christians alike This Bible Companion is designed to help you answer His question so that you might know Jesus the real Jesus as revealed in the Bible But be warned This book doesn't offer a mere biographical study because He was no mere man Regardless of what you think of Jesus encountering Him in the Bible is a mind-changing and life-altering event So if you're ready to answer Jesus' question truthfully then this Bible Companion will serve as a good guide to His life and teachings And it can help you grow to know Him better than you ever have **The Holy Spirit in Mission** Gary Tyra, 2011-10-19 The church has been called to participate in God's mission in the world But without a robust biblical sense of the Spirit's action how can we be sure we're fulfilling that call In this innovative work of missional pneumatology Gary Tyra synthesizes charismatic and evangelical perspectives to flesh out the nature and purpose of the church's preaching proclamation and service *Writing Theology Well 2nd Edition* Lucretia B. The Revelation of God Among the Unevangelized Christopher R. Little,2000 **Ten Biblical Concepts** Yung Y. Yang,2025-05-15 This book focuses on ten biblical words or concepts faith doubt sin salvation the kingdom of God election and predestination repentance death and the afterlife heaven and hell and eternal life Each entry begins with an introduction followed by common misconceptions clarifications corrections and debunking Then word studies biblical studies relevant theologies insights and practical implications shed further light on each word With its balanced and scholarly approach this guide empowers readers to grasp the nuances of these essential concepts enhancing their spiritual journeys and encouraging deeper engagement with Scripture It serves as an indispensable resource for those committed to strengthening their theological foundations and applying these insights to their daily faith walk **Divine Truth or Human Tradition?** Patrick Navas,2011-07-07 In Divine Truth or Human Tradition the author critically examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including Dr James R White author of The Forgotten Trinity Dr John MacArthur President of The Master s Seminary Wayne Grudem author of the widely read Systematic Theology Robert Morey author of The Trinity Evidence and Issues Robert L Reymond author of A New Systematic Theology of the Christian Faith and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one God of the Bible is a singular being made up of three coequal and coeternal persons is not only central to the Christian faith but even necessary for one to accept in order to be counted as a true Christian and be saved Such a demand on a Christian s faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a

central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson God in Three Persons p 11 Emphasis added Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first articulated in the late 4th century Many Christians have wondered How can a doctrine that is not clearly or explicitly taught in the Bible be necessary to accept in order to be a true practitioner of the Christian faith *Insights on Matthew 16--28* Charles R. Swindoll, 2020-07-07 Matthew's Gospel shows that Jesus was Israel's King and long awaited Messiah In *Insights on Matthew 16 28* Chuck Swindoll unpacks the journey of Jesus from His transfiguration to His glorious resurrection Chuck's deep insight signature easygoing style and humor bring a warmth and practical accessibility not often found in commentaries The 16 volume Swindoll's Living Insights New Testament Commentary series draws on 13 time Christian Book Award winner Chuck Swindoll's more than 50 years of studying and preaching God's Word Each volume includes both the NLT and NASB translations of the Bible verse by verse commentary charts maps photos key terms and background articles with practical application A must have for pastors teachers and anyone else who is seeking a deeply practical resource for exploring God's Word *Shalom: God's Ultimate Purpose for the World* Dae-Young Lee, 2021-06-23 What is our preconception about Muslims Do we continue to practice medical missions in a way that is no longer considered an effective means of presenting the gospel to the unreached Is our gospel message biblically balanced and firmly contextualized in the context that we try to serve There are numerous questions that we may ask ourselves when we desire to share God's love with people who are still alienated from it Christian cross cultural missions should reconsider the strategies and attitudes that no longer reflect biblical principles This book brings a lot of insightful thoughts and suggestions from the author's medical ministry experience in the Arab world to those who want to reach out to the unreached The theology of shalom enables us to deeply understand God's ultimate purpose toward the world that he created and to devote our lives to bring people to his kingdom in the humble way that Jesus has presented throughout his life on earth when he was with us This book demonstrates how Christian medical missions can be manifested in a more biblical way and can serve people who have been physically injured and emotionally broken more effectively *Insights on Revelation* Charles R. Swindoll, 2014-11-14 This newly revised and expanded edition of *Insights on Revelation* explores one of the most perplexing books in Scripture Drawing on Gold Medallion Award winner Chuck Swindoll's 50 years of experience studying and preaching God's Word this series combines Chuck's deep insight signature easygoing style and humor to bring a warmth and practical accessibility not often found in commentaries Each of the 15 volumes in Swindoll's Living Insights New Testament Commentary series combines verse by verse commentary charts maps photos key terms and background articles with practical application The newly updated volumes now include parallel presentations of the NLT and NASB before each section This series is a must

have for pastors teachers and anyone else who is seeking a deeply practical resource for exploring God's Word **My Dwelling Place** Deborah L Roeger, 2024-04-16 The concept of God's presence is deeply embedded in Christian teaching from God's presence in the Garden of Eden through the hope of God's presence in the New Earth But what does it that mean Many Christians find it difficult to explain what is meant by God's presence We hear of God being especially present in a worship service or of specific places where God's presence is expected by the pilgrims who travel there We know that God's presence was somehow in the tabernacle and will be part of the new earth when Jesus returns It is also taught that God is omnipresent that is present everywhere and always p But what is God's presence What does it take for Him to dwell among His people and why does it matter In this third volume under the Lost in Translation imprint Deborah Roeger applies her in depth and detailed yet extremely practical approach to Bible study to look at God's presence in its many forms and manifestations from the creation to the restoration of God's creation As she traces God's dwelling presence through the pages of Scripture she looks thoughtfully at what God requires of us so He can be present among us In the process she provides a thematic look at the whole of scripture that can be used as a guide to study other topics with full attention to the overall context of the story we find in Scripture It is the story of God who created for His glory and longs for the restoration of His dwelling presence among His creation This understanding of the broad context will help you put other events in their proper place in the history of God's plan of salvation My Dwelling Place is not just an explanation of biblical terms It is first of all an explanation of what it takes for God to come and dwell among us It is then a call to take up our mission and the gifts God has given us and to learn to practice His presence at all times As in each volume in this series there is a valuable added resource in the appendix discussing how to do word studies and how to use both available tools for Bible study and to take the context of each passage seriously when doing so This study can be read individually but it is especially valuable as a resource for small group study or for a transforming church wide study **Prophets, Priests, and Kings: A New Way to Consider Spiritual Gifts** Gabe Sylvia, 2024-01-05 Toward the end of his life the Lord Jesus told the disciples the church would do the work that he had done and greater works in these last days Building on the finished work of Christ by the power and gifting of the indwelling Holy Spirit believers do these works as prophets priests and kings in what the church has called the gifts of the Holy Spirit Through study of the Old Testament saints who filled these offices Christ to whom they point and important New Testament texts Sylvia builds the paradigm for local church leaders to use to identify and deploy their church members in spiritually gifted ministry This paradigm is anchored in the Scriptures and can be used in congregations across the theological spectrum This book lays out a path for taking seriously the Lord's assertion that in these last days by the power of the Spirit and for the glory of God the church will do great things **Ultimate Guide to Heaven and Hell** E. Ray Clendenen, 2024-04-15 What happens after we die The Ultimate Guide to Heaven and Hell is a summary guide to the afterlife that seeks to provide answers based on biblical teaching Throughout readers will encounter questions like What is heaven and how can I be sure I

will get there Is it different from the new heavens and the new earth Will my body be there or just my spirit soul What is hell and how can I be sure to avoid it CHAPTERS INCLUDE Is it Just Hype How Can I Know Geography of Heaven and Earth Heaven the Celestial Fire Heaven Avoiding the Fire Is Heaven Our Home The New Creation The Necessity and Power of Jesus s Resurrection How Can I Know Jesus Was Raised What Is a Person Intermediate State Old Testament Evidence Intermediate State New Testament Evidence What Do We Know about Hades Did Christ Descend to Hades Gehenna the Lake of Fire Tartarus and the Abyss Death and Dying Human mortality can be quite paralyzing to some people but the truth remains our individual bodily lives will one day come to an end What happens after The Bible has much to say in response to that question and ultimately provides hope on this topic as we look to Jesus the one who has conquered death
