Theres No Such Thing As Coincidence:

There is No Such Thing as Coincidence-- 2 Barukh ben David Lev,2003 *There's No Such Thing As Coincidence* Jan Wolterman,1997-04-01 *There's No Such Thing as an Easy Job* Kikuko Tsumura,2021-03-23 A 21st century response to Herman Melville s *Bartleby the Scrivener* NPR A thought provoking drily funny critique of capitalism and the systems of self worth that are built around it TIME Must Read Books of the Year A young woman walks into an employment agency and requests a job that has the following traits it is close to her home and it requires no reading no writing and ideally very little thinking Her first gig watching the hidden camera feed of an author suspected of storing contraband goods turns out to be inconvenient When can she go to the bathroom Her next gives way to the supernatural announcing advertisements for shops that mysteriously disappear As she moves from job to job writing trivia for rice cracker packages punching entry tickets to a purportedly haunted public park it becomes increasingly apparent that she s not searching for the easiest job at all but something altogether more meaningful And when she finally discovers an alternative to the daily grind it comes with a price This is the first time Kikuko Tsumura winner of Japan s most prestigious literary award has been translated into English

There s No Such Thing as an Easy Job is as witty as it is unsettling a jolting look at the maladies of late capitalist life through the unique and fascinating lens of modern Japanese culture *There Are Smiles That Make Us Blue* Barry Hawkins,2003-11 NYPD Detective Frank Terranova has enough on his hands dealing with a bad neighborhood a relationship on the rocks and a recently controlled drinking problem But he wasn t expecting the volcano of problems that exploded out of a homicide case on his turf The shock waves reverberate from Manhattan s Ninth Precinct to the slums of Argentina Every time Frank thinks he has an answer another surprise is waiting for him The victim s beautiful widow exerts a seductive pull at Terranova s heart while he tries to keep from being made either a fool or a corpse by a cast of players that includes drug traffickers terrorists and fanatical fascist groups The danger reaches critical levels as his loved ones are taken hostage Vital information to save them is hidden behind cloaks of secrecy in hospital corridors and corporate office buildings while a mysterious drug converts people into grinning murderous automatons Frank faces challenges to his detective skills and the core of who he is But while he conducts his self examination he will have a loaded gun in his hand and plenty of extra ammunition **She Is Not Invisible** Marcus Sedgwick,2013-10-03 Prize winning author Marcus Sedgwick explores obsession trust and coincidence in this page turning thriller about 16 year old Laureth Peak s mission to find her missing father A mission made all the more difficult by one fact Laureth Peak is blind Laureth s father is a writer For years he s been trying and failing to write a novel about coincidence His wife thinks he s obsessed Laureth thinks he s on the verge of a breakdown He s supposed to be doing research in Austria so when his notebook shows up in New York Laureth knows something is wrong On impulse she steals her mother s credit card and heads for the States taking her strange little brother Benjamin with her Reunited with the notebook they begin to follow clues inside trying to find their wayward father But the challenges and threats that lie ahead

are even tougher for Laureth than they would be for any other teenager because Laureth has no vision to guide her Also available as an audio book read from braille by Anna Cannings

The Sleeping Giant Tammy Lowe, 2022-09-21 When a tormented man begs 17 year old Elisabeth London to travel back in time to save his life she reluctantly agrees Assuming Scotland is the destination she ends up in Ancient Rome instead The good news is she finds the man now a bold 17 year old named Aquarius The bad news is he is an indentured slave sentenced to death in the arena and doesn't even know her yet Elisabeth helps Aquarius escape and becomes an outlaw herself Armed with her wits and his rock sling the new friends are on the run from a relentless slave dealer Rufus Leptis Elisabeth soon realizes she is not here to save Aquarius from Rufus but from the doomed city of Pompeii Although trying to be brave the thought of remaining in Aquarius swashbuckling world a minute longer than necessary is inconceivable At least it used to be Before that darn happy go lucky slave stole her heart
