The Textual World Of The Bible Studies In Biblical Literature:

The Textual World of the Bible Michael B. Shepherd, 2013 The world of the Bible is a textual world Its composition and intertextuality are what make it a representation of reality To understand biblical world making it is important to understand how biblical books are made and read The Textual World of the Bible explores the patterns of figuration in biblical composition and the way in which these patterns are read within the Bible inner biblical exegesis This book is an excellent choice for courses in biblical theology and hermeneutics

Invitation to Biblical Theology Jeremy M. Kimble, Ched Spellman, 2020-08-04 Invitation to Biblical Theology provides a thorough overview of biblical theology that is accessible for those new to the topic but substantial enough for advanced study Defining biblical theology as the study of the whole Bible on its own terms Jeremy Kimble and Ched Spellman begin with a brief history of the discipline followed by a survey of contemporary approaches They then lay out their own approach built on the framework of the canon the covenants and Christ Taking God's plan of redemption in Christ as the uniting theme of Scripture Kimble and Spellman survey the grand storyline of the Bible from Genesis to Revelation showing how each division of the canon moves the overarching story forward The following ten chapters survey central and recurring themes of Scripture including kingdom worship Messiah and atonement God's glory and mission The authors conclude with reflections on how biblical theology can serve the church as well as the academy

Character Studies and the Gospel of Mark Matthew Ryan Hauge, Christopher W. Skinner, 2015-02-26 Characters in the Second Gospel are analysed and an in depth look at different approaches currently employed by scholars working with literary and reader oriented methods of analysis is provided The first section consists of essays on method theory and the second consists of seven exegetical character studies using a literary or reader oriented method All contributors work from a literary narrative critical reader oriented or related methodology The book summarizes the state of the discussion and examines obstacles to arriving at a comprehensive theory of character in the Second Gospel Specific contributions include analyses of the representation of women God Jesus Satan Gentiles and the Roman authorities of Mark's Gospel This work is both an exploration of theories of character and a study in the application of those theories
