The Tragedy Of The Chinese Revolution:

The Tragedy of the Chinese Revolution Harold Isaacs, 2010-05-01 The story of how China's modern development rests on the tragically suppressed struggle for true socialism *The Tragedy of the Chinese Revolution* Harold Robert Isaacs, 1971

The Tragedy of the Chinese Revolution Harold R. Isaacs, 1974 **The Tragedy of Liberation** Frank Dikötter, 2013-01-01 In 1949 Mao Zedong hoisted the red flag over Beijing's Forbidden City. Instead of liberating the country, the communists destroyed the old order and replaced it with a repressive system that would dominate every aspect of Chinese life. In an epic of revolution and violence which draws on newly opened party archives, interviews, and memoirs, Frank Dikötter interweaves the stories of millions of ordinary people with the brutal politics of Mao's court. A gripping account of how people from all walks of life were caught up in a tragedy that sent at least five million civilians to their deaths. **The Tragedy of Liberation** Frank Dikötter, 2013-09-24 A groundbreaking chronicle of the violent early years of the People's Republic of China by the author of the BBC Samuel Johnson Prize-winning *Mao's Great Famine*. The Chinese Communist party refers to its victory in 1949 as a liberation. In China, the story of liberation and the revolution that followed is not one of peace, liberty, and justice. It is first and foremost a story of calculated terror and systematic violence. So begins Frank Dikötter's stunning and revelatory chronicle of Mao Zedong's ascension and campaign to transform the Chinese into what the party called New People. Following the defeat of Chiang Kai-shek in 1949 after a bloody civil war, Mao hoisted the red flag over Beijing's Forbidden City, and the world watched as the Communist revolution began to wash away the old order. Due to the secrecy surrounding the country's records, little has been known before now about the eight years that followed, preceding the massive famine and Great Leap Forward. Drawing on hundreds of previously classified documents, secret police reports, unexpurgated versions of leadership speeches, eyewitness accounts of those who survived, and more, *The Tragedy of Liberation* bears witness to a shocking, largely untold history. Interweaving stories of ordinary citizens with tales of the brutal politics of Mao's court, Frank Dikötter illuminates those who shaped the liberation and the horrific policies they implemented in the name of progress. People of all walks of life were caught up in the tragedy that unfolded, and whether or not they supported the revolution, all of them were asked to write confessions, denounce their friends, and answer queries about their political reliability. One victim of thought reform called it a carefully cultivated Auschwitz of the mind. Told with great narrative sweep, *The Tragedy of Liberation* is a powerful and important document giving voice at last to the millions who were lost and casting new light on the foundations of one of the most powerful regimes of the twenty-first century. **The Tragedy of the Chinese Revolution**, 1990 **The Tragedy of the Chinese Revolution** Sisouk Na Champassak, 1961

The Tragedy of the Chinese Revolution Harold Isaacs, 2010 The story of contemporary China typically dates back to Mao's 1949 revolution. But in this classic work, Harold R. Isaacs uncovers how workers and peasants struggled for a different kind of revolution, one built from the bottom up in the 1920s. The defeat of their heroic efforts profoundly shaped the further course
