Linnaeus Ives,1878 *Spurgeon's Sermons on Jesus and the Holy Spirit* Charles Haddon Spurgeon,2006 Considering Christ and the Comforter Since the days he shook the pulpits of Victorian London with Christ centered passion each succeeding generation seems to discover Charles Spurgeon anew And this splendid collection is the ideal place to start Featuring stirring sermons on the birth of Jesus on his astounding love and on his promised second coming as well as comforting meditations on the work of the Holy Spirit it offers over 40 homiletic gems from the Prince of Preachers In sermons as timeless as their topics Spurgeon combines keen intellect scriptural truth and a zeal for making God known to a world in darkness With insightful truths gleaming from every page readers will find devotional treasure whenever they sample Spurgeon s gifted exposition and will be drawn closer to the God who came who will come again and who sends his Spirit as a promise of his presence Unlocking the Puzzle David Oliver Smith,2016-11-22 A shorter simpler first draft of the Gospel of Mark has been theorized by New Testament scholars for almost two hundred years Using literary tools David Oliver Smith strips away interpolation and redaction from the canonical Gospel to reveal that long sought first draft the Original Gospel of Mark Original Mark shorter than the canonical version and with several large blocks of text replaced in their original locations reveals a coherent structure and a different picture of who Jesus is But it is anything other than simple The Original Gospel also presents puzzles for the curious reader of Mark to solve and Smith has found the keys to their solution Analysis of the text that was interpolated into Mark reveals who that redactor might have been Evidence is presented that it was the author of the Gospel of Luke who redacted the first written Gospel jumbled its structure and changed its Christology Follow the analysis of literary structures created by the genius who wrote Mark s Gospel and discover the astounding design of the Original Gospel of Mark **Transfiguring Life** Andrew D. Mayes,2025-04-29 Explosive esoteric enigmatic the Transfiguration event is often greeted with puzzlement But as a mystery pulsating at the very heart of the gospel a watershed in Mark at its very center the pivotal turning point in Jesus ministry it reveals crucial aspects of Christian living This book uncovers its secrets and unleashes its significance for discipleship in troubled times looking through the lens of life giving paradox This hermeneutical key unlocks unexpected insights and allows transfiguring light to shine into crucial contemporary concerns and crises as we discover the energy and dynamic of paradox Drawing on the wisdom and experience of a wide variety of sources from patristic teachers spiritual writers orthodox art and liturgies present day scholarship as well as from the author s years researching in the Holy Land this resource becomes a kaleidoscope of the Transfiguration opening widening and challenging perspectives We discover it to be a vortex of grace epicenter of revelation its centrifugal power emanating seismic implications for the universe its centripetal power drawing all things into Christ the unifying center of all paradox Ultimately we re invited not to solve a puzzle but to live a transformative mystery ever more deeply ever more creatively The Transfiguration Lionel Payne Crawford,1912 **The Mode of Man's Immortality** Thomas Aiken Goodwin,1874 **The Expository Times** James Hastings,Ann Wilson Hastings,Edward Hastings,1903 *Spurgeon's*

Sermons Volume 10: 1864 Charles Haddon Spurgeon, 2017-06-22 Charles Spurgeon was one of the most evangelical and puritan of protestant ministers in the 19th century. In the tenth volume of these series of sermons, these charismatic and inspiring sermons are enough to encourage, convict, and inspire anyone who seeks a closer and more intimate relationship with God.
