The Trinitarian Controversy Sources Of Early Christian Thought:

The Trinitarian Controversy William G. Rusch, 1980 This volume explores the development of the doctrine of the Trinity in the patristic church as a result of the Arian controversy Arius Letter to Eusebius of Nicomedia Arius Letter to Alexander of Alexandria Alexander of Alexandria Letter to Alexander of Thessalonica The Synodal Letter of the Council of Antioch A D 325 The Creed of the Synod of Nicaea June 19 325 The Canons of Nicaea A D 325 Eusebius of Caesarea Letter to His Church concerning the Synod at Nicaea Arius Letter to the Emperor Constantine Athanasius Orations against the Arians Book 1 Gregory of Nazianzus Third Theological Oration concerning the Son Gregory of Nyssa Concerning We Should Think of Saying That There Are Not Three Gods to Ablabius Augustine of Hippo On the Trinity Book 9 [The Magnification of the Trinity](#) T. Hoogsteen, 2025-05-19 Since the creation of the Christian Scriptures contrary interpretations of the Trinity entered into the history of the church for instance tritheism modalism and Origen's Greek mythological Jesus explanation now firmly lodged in the Great Tradition Athanasius Augustine and John Calvin also professed adherence to this Great Tradition In the late twentieth century to bring relevance to the basic biblical doctrine Karl Barth Karl Rahner Paul Tillich Wolfhart Pannenberg Jurgen Moltmann and John Zizioulas birthed trinitarian teachings that saw the light of day and died The Magnification of the Trinity beginning in Genesis and continuing through Revelation presents the basic biblical teaching on which all other doctrines depend To Him All Glory then simply and profoundly concentrates on the thrust of the Scriptures

The Doctrine of the Covenant of Redemption According to John Gill (1697-1771) Wang Yong Lee, 2025-02-11 What is the doctrine of the covenant of redemption Why does John Gill 1697 1771 an English Baptist pastor and theologian regard this doctrine as the kernel in his systematic theology This book explicates how core theological doctrines in the Bible e g the doctrine of God the Trinity Christology and soteriology are integrated in the doctrine of the covenant of redemption from the biblical and theological perspective of John Gill From his long pastoral experience and over fifty years of rich writing Gill demonstrates that a careful investigation of the Bible and of God the Trinity makes him love the reality of the covenant of redemption in eternity which is ultimately revealed by the gospel of Jesus Christ Gill sees those who are in the gospel of Jesus Christ as the ones through whom the eternal reality of the covenant of redemption is manifested to the saved Gill also encourages those who are in Christ to see the eternal reality of the covenant of redemption revealed by the gospel of Jesus Christ **Everything You Ever Wanted to Know About Mormonism** John Ankerberg, John Weldon, 2019-11-13 This definitive work covers every aspect of the history beliefs and practices of Mormonism Answers the crucial questions How Did Mormonism Begin Are Mormon Revelations from God How Powerful Is the Mormon Church Today Is Mormonism a Christian Religion What Is the Mormon View of Christianity What Is the Mormon View of Jesus Christ What Does the Mormon Church Teach Concerning Salvation What Does the Mormon Church Believe About the Afterlife Were Early Mormon Leaders Practitioners of the Occult This book comprehensively traces the roots of Mormonism and examines all of its major doctrines

Pilgrimage of a Presbyterian John H. Leith, 2001-01-01 Though probably best known for his scholarship on John Calvin Leith's work in the church and the academy has earned him honors in many areas The collection of writings reveals some of his areas of expertise including not only Calvin but the history of the Presbyterian Church civil rights and integration a Christ centered faith theological education issues of sexuality and the nature of the church Pilgrimage of a Presbyterian is a thorough representation of the diversity of Leith's accomplishments and includes photographs and a complete bibliography of his writings

Women and the Authority of Scripture Sarah Heaner Lancaster, 2002-09-01 The theological impact of accepting the absolute authority of biblical scripture is enormous especially for women who attend and serve churches But until now few books have been willing to address this issue head on Sarah Lancaster looks at the way women in the church have dealt with the question of scriptural authority and how they can address it in the future Some women she says accept the authority of the Bible without question and stay in church without change of attitude or action Others deny that the Bible has any authority completely leaving Christianity in the belief that the Bible and Christian tradition are irredeemably patriarchal Still others recognize that while scripture is largely patriarchal it is authoritative for their life of faith The Bible possesses a narrative coherence its story resonating in our own lives For women the Bible can continue to ring true to their experience letting them acknowledge scripture's authority in spite of its problems The Bible is not about patriarchy it is about how God is present to us and interacts with us in order to bring us to fullness of life Lancaster says that women can criticize those things in scripture that help maintain a patriarchal world without invalidating scripture's authority Scripture she argues informs forms and transforms With its combination of narrative and feminist theology Women and the Authority of Scripture brings a powerful new perspective to the doctrine of biblical authority in the contemporary world Sarah Heaner Lancaster is Associate Professor of Theology Methodist Theological School in Delaware Ohio She is an ordained elder in the North Texas Conference of the United Methodist Church She lives in Westerville Ohio

Trinity Without Hierarchy Michael F. Bird, Scott Harrower, 2019-04-30 A defense of equality among the persons of the Trinity In response to those complementarian theologians who assert that the Son is eternally subordinate to the Father the contributors to Trinity Without Hierarchy contend that this view misconstrues the orthodox doctrine of the Trinity and reduces the Son to a lower level of glory and majesty than the Father Surveying Scripture church history and theology sixteen contributors present a defense of the full and equal authority of all three members of the Trinity while critiquing approaches that border on semi Arianism In particular the creedal confessions of Nicaea are upheld as the historical standard by which any proposed Trinitarian doctrine should be judged While some contributors hold complementarian and others egalitarian viewpoints all agree that Trinitarian relations are not a proper basis for understanding gender roles Trinity Without Hierarchy is indispensable reading for anyone interested in the current debate over the relationship between Trinitarian theology and the roles of men and women

Holiness and Pentecostal Movements David Bundy, Geordan Hammond, David Sang-Ehil

Han,2022-03-04 Since the 1830s Holiness and Pentecostal movements have had a significant influence on many Christian churches and they have been a central force in producing what is known today as World Christianity This book demonstrates the advantages of analyzing them in relation to one another The Salvation Army the Church of the Nazarene the Wesleyan Church and the Free Methodist Church identify strongly with the Holiness Movement The Assemblies of God and the Pentecostal Assemblies of the World identify just as strongly with the Pentecostal Movement Complicating matters denominations such as the Church of God Cleveland the International Holiness Pentecostal Church and the Church of God in Christ have harmonized Holiness and Pentecostalism This book the first in the new series Studies in the Holiness and Pentecostal Movements examines these complex relationships in a multidisciplinary fashion Building on previous scholarship the contributors provide new ways of understanding the relationships influences and circulation of ideas among these movements in the United States the United Kingdom India and Southeast and East Asia In addition to the editors the contributors are Kimberly Ervin Alexander Insik Choi Robert A Danielson Chris E W Green Henry H Knight III Frank D Macchia Luther Oconer Cheryl J Sanders and Daniel Woods **The Struggle for Theology's Soul** William M. Thompson,William Thompson-Uberuaga,1996 A leading scholar of Christology shows why a theologian must be a master of Holy Writ and why a biblical scholar must be a theologian William M Thompson makes a convincing case for keeping theology and scriptural studies in fruitful combination and dialogue The Struggle for Theology s Soul is a rehabilitation of the way theologians and biblical scholars practiced their craft in the greater history of the Church but with a second naivete having attempted to pass through the challenges of contemporary thought It honors a certain kind of specialization of disciplines but also argues that it is healthy to have works which are more integrative as well Each style needs and corrects the other The book is somewhat contentious and definitely passionate Christology argues the author is at bottom a contest over Holy Writ and this contest constitutes theology s soul because Christ is theology s center Generalists and specialists alike will find much to ponder discuss and debate in The Struggle for Theology s Soul *The Christology of John Chrysostom* Mel Lawrenz,1996 **The Early Church** Thomas Arthur Robinson,1993 A nontechnical informed survey of recent scholarly debate on major topics important to an understanding of the early church for students and interested laypersons Divided into five general and twenty topical chapters each with a short introductory essay the bibliography contains abstracts of some 1 000 books and major articles dealing with the church from the beginning of the second century roughly to the end of the sixth Most abstracts are followed by a list of book reviews enabling users to gain to a wider evaluation of the work in question Thoroughly cross referenced and extensively indexed Annotation copyright by Book News Inc Portland OR **Challenges and Responses** Gnana Robinson,2000 Contributed articles [The Early Episcopal Career of Athanasius of Alexandria](#) Duane W. H. Arnold,1991 This historical study examines in detail the first seven years of Athanasius s career as bishop of Alexandria from the time of his election and consecration as bishop in 328 to his banishment

by Emperor Constantine following the Synod of Tyre in 335 Thoroughly examining the modern historical and literary tradition which has arrived at a negative assessment of Athanasius as well as original contemporary documents both within and outside the Athanasian corpus Duane W H Arnold evaluates their veracity and reassesses ancient and modern charges of misconduct concerning the early years of Athanasius s episcopate In the course of this volume particular attention is given to identifying the issues and events in Athanasius s career that have been in dispute including the reliability of the Philostorgian narratives the controversy over Athanasius s consecration and his reaction to the Meletian schism in Egypt especially as it relates to the material contained within London Papyrus 1914 and the documents of the Synod of Tyre A brief study is also made of the festival oration of Gregory Nazianzen for its information about Athanasius s character and conduct Arnold suggests that an evaluation of the charges made against Athanasius both at court and in ecclesiastical gatherings indicates that although the motives of certain opponents may have been theological the means used to remove Athanasius from Alexandria were essentially political the Synod of Tyre functioned as a show trial with no real concern for either justice or equity

Church as a Communion Ferdinand Nwaigbo,1996 **Trinity and Inter Faith Dialogue** Michael Ipgrave,2003 In inter faith relations the Trinity is often seen as an embarrassing or irrelevant problem This study proposes a different approach seeing Trinitarian thought as a resource for dialogue Drawing on the suggestions of Paul Tillich and Raimundo Panikkar the author identifies six key issues to be addressed in Trinitarian dialogue These are traced in two historical examples the encounters of patristic Christianity with Greek philosophical religion and of medieval Christianity with Islam The final chapter draws lessons from these experiences to suggest a reshaping of Christian dialogue with Hindus Muslims and other people of faith *Journal of Ecumenical Studies* ,1980 **Byzantine Studies** ,1982 From Nicaea to Chalcedon Frances Margaret Young,1983 **Journal of Biblical Literature** ,1980 *Bible Review* ,1994
