The Truth About Prophecy In The Bible:

The Truth about Prophecy in the Bible Bryan P. Mistele, 2005-01-01 Hidden Truth from Prophecy—Beyond 2012 Robert B. Scott, 2012-10-26 The Harbingers warnings to America expose an important untold story the astounding truth about prophecy hidden from the Christian world This work is like a sequel unveiling the mysteries of prophecy The keys to the enigma that is Bible prophecy consist in knowing these rarely understood truths America is identified in the Bible and is a major player in prophecy The books of Job and Isaiah are the foundations of all Bible prophecy Aliens and giants are also mentioned in Gods Word and will play a major role in end time events Quote from the book This is more than a book that warns the world of what is about to happen It is also a book that offers a sure hope for the future While the winter solstice of 2012 will indeed begin the time of the greatest spiritual darkness the world has ever known its not the end Its not the end of the world its not even the end of this age Determining the Future's Truth Through Bible Prophecy Peter Galarza, 2021-10-26 Two Persian wars in 1991 and 2003 have inspired the author to write about two more incoming wars according to Bible prophecy the latter being the war to end all wars Armageddon It concerns the Messiah s return during a time of trouble and turmoil known as the Tribulation It also comments about our current situation in the world economics technology unbelief wars weather patterns etc It s primary villain is the antichrist who comes to deceive the nations of the world and attacks God s people This antichrist is under the control of Satan himself But the finality of it all is the issuance of a peaceful one thousand year millennium by the Messiah Himself The author wants the reading audience to examine themselves to see if they are ready to receive Him the Son of God and live eternally with Him *Basic Bible Prophecy* Ron Rhodes, 2021-02-09 Get the Who What When Where and Why of Bible Prophecy To the uninitiated Bible prophecy can seem strange puzzling and even frightening yet at the heart of this subject is an awesome revelation of God s wonder and might Basic Bible Prophecy is a straightforward clutter free breakdown of what the Bible makes known about the future With seasoned prophecy author Ron Rhodes as your guide you ll get a big picture overview of the essentials of Bible prophecy complete with helpful charts and infographics You ll understand the primary players places and events relevant to Christ s second coming timeline the Bible gives for when each event will take place sovereignty and trustworthiness of God who has a perfect plan for your future Basic Bible Prophecy will help you view history past and still to come as a reason to live expectantly righteously and with a Christlike perspective Most of all you ll discover how prophecy can fill you with confidence peace and a heart of praise grateful that all of eternity rests under God s control Uncovering the Secrets of Bible Prophecy Jeff Kinley, 2018-11-06 Can I know for sure what s in store for the future With so much hype about the signs of the times it s more important than ever to know what God really said was going to happen It s not enough to take someone else s word for it You must know how to uncover prophetic truths in the Bible for yourself In this easy to read yet extremely helpful guide to understanding the nature and purpose of the prophetic passages in Scripture Jeff Kinley will show you the

five biggest mistakes people make when it comes to Bible prophecy how to sort fact from fiction and spot false prophets the major views and interpretive principles you need to know the difference Bible prophecy makes in your life right now The future may seem like one big mystery but it doesn't have to be God has made His plans evident to all And when you know what He has revealed you can face the last days with a confident assurance of His provision and victory The Evidence of Prophecy: Historical Testimony to the Truth of the Bible Alexander Keith, 1874 *In the Latter Days* Thomas Meeker, 2013-07-23 As I set out to write a book about End Times Prophecy one of the most important rules of interpretation that must be carefully observed is to distinguish between what is actually said in the texts and that which is assumption exaggeration speculation or imagination All too often writers and preachers of prophecy publish their works mainly because they believe they have solved the riddle or completed the picture But their resulting product ends up being more a description of their own personal opinions assumptions speculations and biases than of what the Word of God actually says That by itself wouldn't be so bad The problem comes when these assumptions and speculations are not presented as such but rather are presented and accepted as though they are well established truth Presenting them this way implies that the conclusions of the author have been proven from the Bible and are sure when in fact they are not In hopes of avoiding this kind of error I have carefully tried to distinguish in this study between the facts from the scripture and the assumptions or speculations that may be made from them The facts from the scripture are unmovable and sure Any assumptions or speculations must be open for change or outright abandonment if events around us prove them wrong Now I understand that facts can also be open to interpretation and interpretation can be a very subjective thing Therefore an author's method of interpretation is extremely important if he hopes to discover what is true The method should be as objective as possible and designed to remove the natural tendency to project one's own biases or preconceptions into the interpretation The goal is to allow the Bible to define what is true and to paint its own prophetic picture of what is to come The goal is not to use the Bible to support or lend credence to one's own pet doctrines or preconceived beliefs or imaginations Sadly the latter approach is more often than not the method that is applied in prophetic studies In this study I begin with the assumption that I know nothing of the subject at hand I approach the Bible like a detective looking for clues to solve a mystery In order to get to the truth I have to trust that my clues are accurate and that they say what they mean and mean what they say But like every human being it is hard not to filter what I'm seeing subjectively So in an attempt to keep my method of interpretation as objective as possible I developed several ground rules These ground rules are explained in the book I believe that the whole Bible is true and all prophecy is accurate Therefore it will never contradict itself If it appears to contradict itself then there is something we are missing or misunderstanding If this assumption is valid and I believe it is then there is never a reason to isolate a prophetic text from the rest of the writings They should all agree and form a congruent picture Basically what I am going to be focusing on is developing a timeline Using just what the scriptures tell us without exaggerating reaching

stretching spiritualizing symbolizing isolating projecting or looking for hidden meanings we will discover amazing detail and congruence as to the chronology of events Once we understand the chronology and the framework even if we do not fully understand what the events are or exactly how they will look we will be equipped to recognize the events when they actually begin to happen and thus will not miss our time of visitation Our journey begins in the book of Daniel where most of the framework of the timeline is discovered Then we will move on to the words of Jesus in the gospels of Matthew Mark and Luke With this knowledge then we will work our way through the Book of Revelation and will discover that we are much better equipped to understand how these things flow into the chronology of events In the Latter Days [Fast Facts on Bible Prophecy from A to Z](#) Thomas Ice,Timothy J. Walvoord,1999 Clear explanations for uncertain times by one of today s premier prophecy scholars *What Has Been Will Be Again* Russell Nickel,2019-01-23 The strongest warning Jesus gives to the church deals with the issue of deception It should be no surprise Satan s primary goal includes planting seeds of doubt in the minds of people concerning the truth of God s word When a person rejects the spiritual truths recorded in the Bible the end result always leads to deception having eternal consequences In Ecclesiastes Solomon warns all people willing to listen civilizations have historically struggled with the same types of sins and people tend to repeat mistakes in life over and over again Solomon brings up the truth history repeats itself Any nation forgetting the mistakes of their past is doomed to repeat them and fall from within A key spiritual truth Solomon stresses most people fail to recognize is the cataclysmic events recorded in the Old Testament such as the Flood the Exodus and the destruction of Sodom were literal events meant as prophetic pictures of cataclysms repeating themselves again According to Solomon these events recorded in the Old Testament should not be taken as mere allegorical stories These stories should be viewed as literal historical events intended as prophetic

warnings of future worldwide catastrophes coming upon the earth A detailed description of these events is laid out as a warning for all people in Revelation Jesus warns many people have eyes that cannot see and ears that are unable to hear This book will give the reader biblically backed responses pertaining to these Old Testament events explaining how they are prophetic pictures of future events being repeated on earth We truly serve a God who loves people so much He goes to great lengths warning all people of the eternal consequences of rejecting the love and grace God freely offers Most people even in the church will be shocked when they finally understand the information the Bible is really trying to tell them The thing that hath been it is that which shall be and that which is done is that which shall be done and there is no new thing under the sun Ecclesiastes 1 9 KJV

advance and the prophecy of the key empires that would come to pass But the bulk of the book is reserved for the future prophesies those pertaining to the last days in which we are now living It discusses the Rapture the coming wars and the 7 year Tribulation period that lies just ahead of us It closes with the plan of salvation If you truly belong to God if you have accepted Christ as your Savior then there is nothing to fear from the future If however you are not a believer if you are on the fence then today is the day of salvation Please consider all the evidence and make a decision now because time is running out

THE EXCITING TRUTH ABOUT THE END-TIMES B. Vincent Shelton,2014-10-29 The prophets of old warned that certain key end time prophecies wouldn't be revealed until the time of the end For centuries scholars have curiously wandered through a valley of endless supposition hoping to stumble upon a proper understanding of end time events Hence much of our teaching about the latter days is not strongly supported by scripture Well finally the time of the end has come Today we can scripturally prove the answers to questions like Will the Rapture of the Church occur before during or after The Great Tribulation Period Will the Beast really be a man Will the Door of Salvation still be open when the tribulation period ends Who or what are the two hundred million killer horsemen in John's vision Is our interpretation of end time prophecy emotionally obscured The scripturally sound answers to these questions will likely surprise you The Treasures of the Bible, Or, Golden Thoughts on the Leading Subjects of Holy Scripture Edwin Davies,1895 Signs of the End Time 21st Century Fulfilment of the Bible Prophecy Matthew 24 Pastor Amoah Da Costa,2017-08-09 God has revealed himself to his servant to write this great revelation about the signs of the End Times according to the biblical prophecy and its fulfilment in these last evil days of mass media as predicted by the Lord Jesus Christ there will be wars famine earthquakes and a false Messiah This book is the result of ten years of studying and meditation of the book of Matthew chapter 24 as directed by the Holy Spirit to make people aware of the End Times signs and to awaken humanity about the End Times and get people ready for the coming of the Lord Jesus Christ Signs of the End Times as Predicted by Christ The destruction of the temple foretold Many shall come in my name saying I am Christ Rumours of wars Famines and pestilences Earthquakes in diverse places False prophets shall rise False prophets The Gospel must be preached as a witness Great tribulation The fulfilment of the biblical prophecy Real Prophecy Unveiled Joseph J. Adamson,2002-01-23 Religious hypocrites wage holy war while the faithful wait expecting a Messiah Christ Buddha Avatar Imam Mahdi to come Meanwhile however prophecy is being fulfilled in a way they did not expect As Jesus foretold the present day messenger of God was first rejected by his generation but will now finally guide you unto all truth and show you things to come As John wrote he is of your brethren and has the testimony of Jesus As Isaiah wrote he will deliver judgment but unlike Jesus he will not make his voice heard in public It is his pen that will finally prove mightier than the sword because the weapons of his warfare are not carnal but mighty through God for dealing with the forces of hate greed hypocrisy intolerance and injustice Here finally is a voice with real authority telling the truth that will expose the ignorance and hypocrisy of the fundamentalist Religious Right make the

greedy rich ashamed bring low the proud and militant and enable the humble and meek to inherit the earth A New Reformation will enable all religions to serve their true purpose and enable all governments to finally be of for and by the people Then rather than be divided by rivalry for the throne we will all share the throne as equal joint heirs to God s New Kingdom which shall be set up on the earth and last forever never to be destroyed That is what real prophecy foretells and thus it shall be
