The Tyranny Of Being Religion And The Human Condition:

The Tyranny of Being C. Scott Tripp, 2009-07-17 In *The Tyranny of Being* the author explores the question of why there is such an enormous gap between the theory and practice of modern religion which is what traps humanity in bondage to the guilt and shame of not living up to some impossible standard of perfection *The Tyranny of Being* strips away the hypocrisy of modern religion and seeks to rescue and return religion to its pure and undefiled roots that existed before the centuries long accretion of entangling rules Finding liberation from guilt and shame involves being attuned to the presence of God in our lives living our lives in accordance with universal and eternal principles rather than narrow and rigid rules and moving continually outward along the karmic spiral towards integration of the self harmony with our fellow humans and the universe and communion with God The Gods and Religions of Ancient and Modern Times ... Lay religion, letters on the present religious situation Richard Harte, 1894 The Routledge Handbook of Liberal Naturalism Mario De Caro, David Macarthur, 2022-03-14 The central question of naturalism the relation of philosophy to science was one of the defining strands of twentieth century thought and remains a major source of debate and controversy Today many argue that philosophy should fold itself into the sciences especially the natural sciences Liberal naturalists argue that such scientific naturalism demands reductive and Procrustean conceptions of knowledge and reality Moreover many philosophical problems are beyond the scope of the sciences such as the nature of persons the normativity of the space of reasons and how best to understand the peculiar mix of objectivity and subjectivity of ethics and art *The Routledge Handbook of Liberal Naturalism* is the first collection to present a comprehensive overview of liberal naturalism a philosophical outlook that lies between scientific naturalism and supernaturalism Comprising 37 chapters by an international team of contributors it examines important cutting edge topics including what is liberal naturalism is metaphysics a viable project naturalism in the history of philosophy including Hume Dewey and Quine contemporary liberal naturalists such as P F Strawson John McDowell Hilary Putnam and John Rawls related kinds of naturalism including subject naturalism common sense naturalism and biological naturalism the bearing of liberal naturalism on contemporary debates in epistemology philosophy of mind ethics and aesthetics Essential reading for students and researchers in all areas of philosophy this volume will be of particular interest for those studying philosophical naturalism philosophy of science metaphysics epistemology philosophy of mind ethics and aesthetics Handbook of Marriage and the Family Marvin B. Sussman, Suzanne K. Steinmetz, Gary W. Peterson, 2013-06-29 To know where we are going as scholars educators and practitioners in the field of marriage and family life we first need to know where we have been A perusal of early texts on marriage and family life provides some thought provoking insights into the accuracy of the saying what goes around comes around It is interesting to note who has been considered to be in a position to provide information on marriage and family life Included in the eclectic collection of texts we reviewed were ministers whose focus was on spirituality doctors who emphasized medical aspects of child and adult health

and public health professionals and home economists concerned with fighting disease who emphasized cleanliness order fighting germs and eliminating rodents and insects There are also philosophers who drew from ancient texts when discussing family life and a count who assembled a group of German intellectual elites to address various topics An insightful essay of this type is by Marta Karlweis 1926 in which she notes There is no other fetish that society holds to so firmly as the conception woman with all its usual associations of infantilism and dependence The child requires protection is a minor and consequently a serf but above all it possesses no spiritual existence Neither doctorates or other distinctions nor the right to vote have as yet been able to dispel this sweet idea of the childishness of woman which man cherishes p *Debate on the Evidences of Christianity; containing an examination of the "Social System" and of all the systems of scepticism and infidelity of ancient and modern times. Held in the City of Cincinnati ... 1829, between R. Owen ... and A. Campbell ... Reported by C. H. Sims, Stenographer. With an appendix written by the parties. Edited by A.
