The Undisputed Greatest Writer Of All Time:

The Undisputed Greatest Writer of All Time Beau Sia, 2010-08-13 This is the greatest fucking book of poetry ever is how Beau would have described this book ten years ago In truth this collection of poems from 1997 2005 simply reflects a time when he was wrestling with the power he'd given his ego struggling to break from the idealizing of love and beating himself up for his shame and insecurities He allows us into places most poets would edit out exposing his limitations in his choices and in what's absent from each selection Unafraid to live in fear willing to share the empty of glory and pushing to include the minutia as integral parts of one's process these poems bring a mirror to his past sans heroic declarations and beautiful decorations Beau Sia's new collection of old work seeks to give a fuller picture for the reader who is looking for glimpses of the dark places growth begins and who wants to feel like they are beautiful without having to lie in the extremes of tragedy or enlightenment Beau Sia swings gravity like a bat aluminum whiffle ball and fruit I hope to experience everything in this life but if I leave this world before I get to hang glide the high points it won't matter I read Beau Sia Buddy Wakefield Live for a Living Beau Sia mixes serious commentary outrageous theatrics and downright outrage into a potent entertaining and memorable cocktail He is both the spoonful of sugar and the medicine and he goes down in the most delightful way Taylor Mali Last Time As We Are Beau Sia has forged a poetic voice unlike any other a 7th level hybrid of deep sea mind diving and hip hop spelunking and time travel reporting that is once riveting humbling and inspiring a fiery worship of the life you have to live Mindy Nettifee Rise of the Trust Fall Spiking the Sucker Punch Robbie Q. Telfer, 2010-08-13 In Spiking the Sucker Punch Robbie Q Telfer's first published collection the author profiles the modern comedian from the inside out starting with the innards and moving toward a damaged laughter His work blends surrealism and narrative bending grammar and expectations along the way These pieces interrogate identity place and lead the reader to a much higher understanding of bears This gloriously bellowed lyrical and linguistic chaos this mess of crossed wires and mixed seagulls will make your status quo ache your perceptions implode your horizons widen and shatter Patricia Smith Blood Dazzler Robbie Q our dazzling shooting star sparking the gritty Chicago heavens crackling with the surprising and contradictory rhythms of life on the run and in the heat Keep on Brother Q dance the dialectic your wild inspired unruly convergence and conspiracy Bill Ayers activist educator author In Spiking the Sucker Punch Robbie Q Telfer rocks out a bestiary of antic poetics all his own In his open and generous hands speech acts zoom in and out of our collective desire to live and love You will feel alive again reading it Daniel Nester How to Be Inappropriate **Yesterday Won't Goodbye** Brian S. Ellis, 2010-08-13 Brian S Ellis second book *Yesterday Won't Goodbye* explores the author's wild origins and punk rock Americana in powerful poetic form Brian Stephen Ellis is borne of Gelfling and gutter punk Unwashable stain His poems speak with an unbridled urgency yet come to you patient coy brimming with wisdom and acutely aware of their own necessity Read these poems You've never been so alive Jeanann Verlee Racing Hummingbirds Ellis expertly shifts between free verse poetry and creative non fiction
