dictated shortly before his death in Urdu and translated during his lifetime into English at the personal request of Professor David Christopher Lane It also includes a seasoned selection of Faqir Chand s radical teachings as well as several introductory essays and pertinent interviews This is the first Hindi translation done by Bharat Bhushan **The Reluctant Guru: A Brief Introduction to the Life and Work of Baba Faqir Chand** , *Baba Faqir Chand's Illuminations* Faqir Chand,David Christopher Lane,2018-06-25 I have been fortunate to be able to publish Baba Faqir Chand s satsangs as presented to Harjit Singh Sandhu and skillfully translated by Pulkit Bose First as a series in Sach Khand The Journal of Radhasoami Studies and now in book form These talks that were given in London England in 1980 are genuinely remarkable for their utmost clarity and penetrating insights into the nature of spirituality Baba Faqir Chand is unique amongst masters since he unlike so many other gurus was exceptionally honest about his experiences and what he learned from them over the course of his long life Perhaps Faqir s most fundamental realization was that inner visions are a projection of one s own mind and not due to the religious leaders that we attribute to them As Faqir said so pointedly on many occasions Now you see no Jesus Christ comes from without in anybody s visions No Rama no Krishna no Buddha and no Baba Faqir comes from without to anybody The visions are only because of the impressions and suggestions that a disciple has already accepted in his mind These impressions and suggestions appear to him like a dream No body comes from without This is the plain truth I have had the privilege of knowing Baba Faqir Chand personally and have read almost everything available by him in English He has provided us with an amazing cornucopia of wisdom on such subjects as karma meditation and ethical living Yet I must confess that I find the satsangs that he gave to Harjit Singh Sandhu and Simret Kaur Sandhu in London England in 1980 to be unique They are extraordinarily powerful in their import and reveal in a nutshell the very essence of Faqir Chand s radical thinking I have read through these satsangs several times and in each instance I discover something new in them Faqir s satsangs are akin to a multifaceted jewel shining forth with crystalline illuminations I want to express my deepest thanks to Harjit Singh Sandhu for allowing these satsangs to be made publicly available and to Pulkit Bose for his superb translation work Alongside these wonderful satsangs I have included a short introduction to my own understanding of Faqir Chand s revelations which were first presented at an invited lecture at California State University Fullerton Regardless of one s religious persuasion or lack thereof I believe that interested seekers and scholars will be richly rewarded by knowing more about this great unknowing sage of Hoshiarpur *The Enchanted Land* David Christopher Lane,2014-06-12 This book describes the life and work of eight Indian mystics including Ramana Maharshi Sawan Singh Paramahansa Yogananda Baba Faqir Chand Sushil Kumar Tripta Devi and Pratap Singh Includes the author s personal interaction with several of them as well as a detailed account of shabd yoga and the inner journey that occurs during meditation *Meeting the Great Sage of the Punjab* David Christopher Lane,2017-12-16 This book contains two interviews of Baba Faqir Chand the great sage of the Punjab which were originally published in India in 1978 They were conducted by Professor Mark Juergensmeyer and his

research assistant at that time David Lane Also included is a new interview with Professor Bhagat Ram Kamal who is now the spiritual leader at Faqir Chand s ashram Manavta Mandir This book provides an insight into Faqir s radical philosophy on spirituality
