The Unknown Life of Jesus Christ: The Original Text of Nicolas Notovitch's 1887 Discovery Nikolai Aleksandrovich Notovich, The Unknown Life of Jesus Christ: By the Discoverer of the Manuscript Nicolas Notovich, 2023-03-30 Nicolas Notovitch was born into an aristocratic Jewish family but converted to Christianity in his youth A prolific journalist author of twelve books and some say spy he travelled widely in the east visiting India Afghanistan and Ladakh After a riding accident that broke his leg Notovitch recuperated at a Tibetan monastery in Hemis Here he heard of a manuscript that revealed astonishing information on the sixteen Lost Years of Jesus the period between Christ's visit to the Jerusalem Temple at the

age of twelve and His baptism in the Jordan about which the bible is strangely silent The Tibetan manuscript relates that Jesus spent this time traveling to India and Tibet to study the spiritual disciplines of the East He then returned via Persia to Israel where He taught until eventual crucifixion This account was published by Notovitch in 1887 as **The Unknown Life of Jesus Christ** It caused an immediate sensation stirring passions on both sides shaking the foundations of orthodox Christianity and raising a storm of controversy that after more than 125 years has not yet abated An exciting thought provoking book and essential reading for anyone interested in the life of the historical Jesus Print ed **The Unknown Life of Jesus Christ** Nicholas Notovitch, J. broke his leg in an accident While convalescing at the Himis convent Notovitch heard that there were ancient writings chronicling the life of Jesus Christ existed Subsequently he traced and studied a Tibetan rendition of these writings and copied down in his journal in excess of two hundred verses from the curious document referred to as The Life of St Issa Notovitch also translated some Tibetan volumes from which he later wrote his extra biblical book which later became known as The Unknown Life of Jesus Christ The Unknown Life of Jesus Christ Nicolas Notovitch,2004 Controversial since it was first published in 1890 Nicolas Notovitch s The Unknown Life of Jesus relates that Jesus Christ spent at least part of the years of his life unaccounted for in the Bible from the age of 13 to 29 teaching and studying in India and other parts of Asia Notovitch was on an extended journey through the Orient to study the customs and habits of the inhabitants of India During his travels he visited a Buddhist monastery near Mulbek close to the Wakha River Here a Lama told him that Jesus whom the Buddhists called Issa had visited the region and that there were ancient manuscripts documenting Jesus visit and that copies existed at other monasteries Notovitch was able to convince the monks at the Hemis Monastery to read from these documents and as an interpreter translated Notovitch transcribed **The Unknown Life of Jesus Christ** Nicolas Notovitch,2014 When in Tibet in the late 1800s Notovitch heard of a manuscript that revealed astonishing information on the sixteen lost years of Jesus from 12 years to a man of 28 the period the Bible is silent on Notovich published the account which relates that Jesus spent this time in India and Tibet studying the spiritual disciplines of the East **The Unknown Life of Jesus Christ** Nicolas Notovitch,2021-01-02 Discover the unknown life of Jesus Christ as revealed by Nicolas Notovitch This manuscript is the original text of Nicolas Notovitch s 1887 Discovery Translated by J H Connelly and L Landsberg *The Unknown Life of Jesus Christ* Nicolas Notovitch,2017-08-07 After the Turkish War 1877 1878 I made a series of travels in the Orient From the little remarkable Balkan peninsula I went across the Caucasus to Central Asia and Persia and finally in 1887 visited India an admirable country which had attracted me from my earliest childhood My purpose in this journey was to study and know at home the peoples who inhabit India and their customs the grand and mysterious archaeology and the colossal and majestic nature of their country Wandering about without fixed plans from one place to another I came to mountainous Afghanistan whence I regained India by way of the picturesque passes of Bolan and Guernai Then going up the Indus to Raval Pindi I ran over the Pendjab the land of the five rivers visited the Golden Temple of Amritsa the tomb of the King of Pendjab Randjid Singh near Lahore and turned toward Kachmyr The Valley of Eternal Bliss Thence I directed my peregrinations as my curiosity impelled me until I arrived in Ladak whence I intended returning to Russia by way of Karakoroum and Chinese Turkestan One day while visiting a Buddhist convent on my route I learned from a chief lama that there existed in the archives of Lhasa very ancient memoirs relating to the life of Jesus Christ and the occidental nations and that certain great monasteries possessed old copies and translations of those chronicles As it was little probable that I should make another journey into this country I resolved to put off my return to Europe until a later date and cost what it might

either find those copies in the great convents or go to Lhasa a journey which is far from being so dangerous and difficult as is generally supposed involving only such perils as I was already accustomed to and which would not make me hesitate at attempting it During my sojourn at Leh capital of Ladak I visited the great convent Himis situated near the city the chief lama of which informed me that their monastic library contained copies of the manuscripts in question In order that I might not awaken the suspicions of the authorities concerning the object of my visit to the cloister and to evade obstacles which might be opposed to me as a Russian prosecuting further my journey in Thibet I gave out upon my return to Leh that I would depart for India and so left the capital of Ladak An unfortunate fall causing the breaking of a leg furnished me with an absolutely unexpected pretext for returning to the monastery where I received surgical attention I took advantage of my short sojourn among the lamas to obtain the consent of their chief that they should bring to me from their library the manuscripts relating to Jesus Christ and assisted by my interpreter who translated for me the Thibetan language transferred carefully to my notebook what the lama read to me Not doubting at all the authenticity of this chronicle edited with great exactitude by the Brahminic and more especially the Buddhistic historians of India and Nepaul I desired upon my return to Europe to publish a translation of it To this end I addressed myself to several universally known ecclesiastics asking them to revise my notes and tell me what they thought of them Mgr Platon the celebrated metropolitan of Kiew thought that my discovery was of great importance Nevertheless he sought to dissuade me from publishing the memoirs believing that their publication could only hurt me Why This the venerable prelate refused to tell me more explicitly Nevertheless since our conversation took place in Russia where the censor would have put his veto upon such a work I made up my mind to wait

The Unknown Life of Jesus Christ The Original Text of Nicolas Notovitch's 1887 Discovery Nicolas Notovitch, 2009 **The Unknown Life of Jesus** Nicolas Notovitch, 2002-05-01 First published in 1894 this purports to be a lost gospel of St Issa or Jesus Christ discovered in the Hemis monastery in Ladakh Northern India The text asserts that Jesus spent time in India and Tibet during his famous 18 missing years Also included with the text are the Foreword and Epitome written by its alleged discoverer Russian author Nicolas Notovich describing his travels through Tibet and India his discussions with the native lamas and his analysis of the manuscript *The Unknown Life of Jesus Christ* Nickolaï Notovich, 1894
