The Time Heiress Two Time Mistress Series:

Queens and Mistresses of Renaissance France Kathleen Wellman, 2013-05-21 DIV This book tells the history of the French Renaissance through the lives of its most prominent queens and mistresses beginning with Agn s Sorel the first officially recognized royal mistress in 1444 including Anne of Brittany Catherine de Medici Anne Pisseleu Diane de Poitiers and Marguerite de Valois among others and concluding with Gabrielle d Estr es Henry IV s powerful mistress during the 1590s Wellman shows that women in both roles queen and mistress enjoyed great influence over French politics and culture not to mention over the powerful men with whom they were involved The book also addresses the enduring mythology surrounding these women relating captivating tales that uncover much about Renaissance modes of argument symbols and values as well as our own modern preoccupations div Royal Mistresses of the House of Hanover-Windsor Susanna de Vries, 2018-10-01 The genuine love match between Prince William and Kate Middleton has rekindled enthusiasm for the British monarchy In the past young princes reluctantly entered into arranged marriages and took mistresses Perdita Robinson a famous actress was enticed from the stage with promises of money to live with the fickle Prince of Wales who turned her and her child onto the street Perdita fought back won a financial settlement and became a pioneer of women s writing Edward VII s most fascinating mistresses were aristocrats wives like the multi talented unconventional Lady Jennie Churchill mother of Winston and the headstrong heiress Daisy Countess of Warwick mother of one of Edward s love children Beautiful Alice Keppel became the love of Edward s life and was the great grandmother of Camilla Duchess of Cornwall yet another royal mistress Edward s grandson Edward VIII suffered an attack of mumps that left him physically and mentally immature He implored Mrs Freda Dudley Ward to elope but she refused Another mistress Lady Thelma Furness star of Hollywood s silent screen introduced Edward to the domineering Wallis Simpson who insisted the impotent king seek psychiatric help In order that Wallis could look like a queen the Duke of Windsor lavished her with jewels and forgave her infidelities in this most intriguing of all royal stories *Royal Mistresses* Charles Carlton, 2023-03-31 First published in 1990 *Royal Mistresses* provides an innovative way of looking at the development of British monarchy and at the same time investigates the relationship between sex and power Charles Carlton focuses not so much on the amorous activities of the mistresses of British monarchs as on their influences on those monarchs and on society at large Ranging from the early medieval period to the late 1990s he shows that a monarch s illicit sexual life sheds light on his character and reign It is no coincidence that Henry I Charles II and Edward VII who were successful with their mistresses were also successful in their reigns while the divorced John and the lovelorn Edward VIII failed Not surprisingly the affairs of the sovereign s heart have very often become the affairs of state This book will be of interest to students of history and literature **The Time Heiress** Georgina Young-Ellis, 2012-02-24 This special illustrated edition of *The Time Heiress* was created as a thank you to those who supported the final phase of its writing by contributions to the author Description Dr Cassandra Reilly is surprised to find

herself time traveling again this time to New York of 1853 accompanying the internationally acclaimed artist Evie Johnston. Evie has funded the trip explaining that she wishes to meet her ancestors activists in the Underground Railroad. However the beautiful painter has another agenda altogether. When they arrive in the pre Civil War city Evie's deception embroils both her and Cassandra in the activities of the abolitionist revolutionaries a situation fraught with danger as well as unexpected romance. Cassandra struggles to keep history intact and to keep herself and Evie from falling victim to a gang of human traffickers. All the while each woman discovers how the past has a way of becoming all too personal and present as they both fall under the spell of the time and the people they meet.

Mistresses Elizabeth Abbott, 2011-09-01 A lively and nuanced look at gender roles as they have been revealed by the lives of concubines and mistresses over the centuries. Kirkus She exists as both a fictional character and as a flesh and blood human being. But who is she really? Why do women become mistresses and what is it like to have a private life that is usually also a secret life? Is a mistress merely a wife in waiting or is she the very definition of the emancipated independent female? Elizabeth Abbott intelligently examines the motives and morals of some of history's most infamous and fascinating women from antiquity to today. Drawing intimate portraits of those who have by chance coercion or

choice assumed this complex role *Mistresses* offers a rich blend of personal biography and cultural insight Ms Abbott is delightfully indiscreet with an eye for a good story and a colloquial style She has done the ladies a service by bringing them out of the shadows *The Economist* [The Time Heiress](#) Georgina Young-Ellis,2012-01-21 Dr Cassandra Reilly is surprised to find herself time traveling again this time to New York of 1853 accompanying the internationally acclaimed artist Evie Johnston Evie has funded the trip explaining that she wishes to meet her ancestors activists in the Underground Railroad However the beautiful painter has another agenda altogether When they arrive in the pre Civil War city Evie s deception embroils both her and Cassandra in the activities of the abolitionist revolutionaries a situation fraught with danger as well as unexpected romance Cassandra struggles to keep history intact and to keep herself and Evie from falling victim to a gang of human traffickers All the while each woman discovers how the past has a way of becoming all too personal and present as they both fall under the spell of the time and the people they meet *Collier's* Hansi,1917 *Collier's* ,1917 *Collier's Once a Week* ,1917 [The Mistresses of Henry VIII](#) Kelly Hart,2010-12-26 Seventeen year old Henry VIII was a youngling he cares for nothing but girls and hunting Over the years this didn t change much Henry was considered a demi god by his subjects so each woman he chose was someone who had managed to stand out in a crowd of stunning ladies Looking good was not enough indeed many of Henry s lovers were considered unattractive she had to have something extra special to keep the king s interest And Henry s women were every bit as intriguing as the man himself In this book Henry s mistresses are rescued from obscurity The sixteenth century was a time of profound changes in religion and society across Europe and some of Henry s lovers were at the forefront of influencing these events Kelly Hart gives an excellent insight into the love life of our most popular king and the twelve women who knew the man behind the mask [The Encyclopædia Britannica: Franciscans-Gibson](#) ,1910 [The Irish Law Times and Solicitors' Journal](#) ,1885 **The New Monthly Belle Assemblée** ,1845 **The life and times of George Villiers, duke of Buckingham Vol.1 (of 3)** Katherine Thomson, George Villiers 1st Duke of Buckingham was an English courtier statesman and patron of the arts He was a favourite of King James I of England Despite a patchy political and military record Buckingham remained at the height of royal favour for the first three years of the reign of King Charles I until a disgruntled army officer assassinated him *The Creation of the French Royal Mistress* Tracy Adams,Christine Adams,2020-03-24 Kings throughout medieval and early modern Europe had extraconjugal sexual partners Only in France however did the royal mistress become a quasi institutionalized political position This study explores the emergence and development of the position of French royal mistress through detailed portraits of nine of its most significant incumbents Agn s Sorel Anne de Pisseleu d Heilly Diane de Poitiers Gabrielle d Estr es Fran oise Louise de La Baume Le Blanc Fran oise Ath na s de Rochechouart de Mortemart Fran oise d Aubign Jeanne Antoinette Poisson and Jeanne B cu Beginning in the fifteenth century key structures converged to create a space at court for the royal mistress The first was an idea of gender already in place that while women were legally inferior to men they were men s equals in

competence Because of their legal subordinacy queens were considered to be the safest regents for their husbands and subsequently the royal mistress was the surest counterpoint to the royal favorite Second the Renaissance was a period during which people began to experience space as theatrical This shift to a theatrical world opened up new ways of imagining political guile which came to be positively associated with the royal mistress Still the role had to be activated by an intelligent charismatic woman associated with a king who sought women as advisors The fascinating particulars of each case are covered in the chapters of this book Thoroughly researched and compellingly narrated this important study explains why the tradition of a politically powerful royal mistress materialized at the French court but nowhere else in Europe It will appeal to anyone interested in the history of the French monarchy women and royalty and gender studies
