Knoppers,2003 This text claims that Chronicles provides a distinct perspective on much of Israel s past especially the monarchy The author discusses how the chronicler s introduction to the people of Israel redefines Israel itself explains and defends the transition from Saul to David and shows how the Davidic Solomonic monarchy was not only a time of incomparable achievement and glory but also the period during which the nations most important public institutions the Davidic dynasty the Jerusalem Temple the priests and the Levites took formative shape This text also systematically employs

the Dead Sea Scrolls to reconstruct the biblical author's text.
