The Trouble With Moonlighting A Simona Griffo Mystery:

The Trouble with Moonlighting Camilla T. Crespi, 2003-07 Originally published Zebra Books 1991 **The Trouble with Too Much Sun** Camilla Crespi, 2003-07-30 It's January and Simona considers herself lucky to shoot HH H's ad campaign for a new sun product on the sandy beaches of a Club Med on Guadeloupe where she plans to sneak in the R R she badly needs. Instead Simona finds a lost two year old boy who instantly wins her heart and later that night hidden under the sail of a Windsurfer the body of his mother Iguana Who would kill the mother of a small child The machete wielding coconut seller who had been her lover once The sexy Club Med aerobics instructor who likes to lie on the island guide who dabbles in guns and voodoo Simona wants justice for Iguana's son and starts asking questions but before she can get answers she discovers another corpse This time one of her own crew is implicated and Simona wastes no time in cooking up a recipe to mollify the police commissioner and risking her life to find the real murderer A recipe for Crisis Pasta is included Crespi creates a believable inner life for Simona a transplanted Italian with a keen interest in human nature lush descriptions of paradise and a whodunit plot that keeps the pages turning Publishers Weekly Crespi successfully conveys the peculiar mix of beauty and the touch of malevolence behind it that is the Caribbean A sigh of relief to see Greenhouse her detective boyfriend reappear and to see that Simona's stubbornness and humanity are both intact and able to move the plot ahead Joyce Christmas *Mysterious Women* **The Trouble with a Hot Summer** Camilla T. Crespi, 1998 *The Trouble with a Small Raise* Camilla T. Crespi, 2003-07-30 Simona needs a raise badly but her boss is too busy with HH H's new advertising campaign for a fancy perfume to give her the time of day She gets up early one morning to confront Fred one last time only to find him lying on the plush carpet of his office murdered Who is the killer and why Maybe it's the art director who hungered for Fred's job Or the jilted ad executive Or the secretive CEO Or the overworked Office Manager There are too many suspects to sort through but when the cute detective assigned to the case discovers incriminating evidence in Simona's desk she knows she better find the murderer fast Replete with well drawn characters Nothing spoils the fun of this thoroughly engrossing whodunit which introduces one of the boldest and most likable female sleuths Publishers Weekly *Small Raise* presents a complicated plot and a lot of intriguing ad business colleagues and introduces Simona's When in doubt cook philosophy My kind of woman Joyce Christmas *Mysterious Women* Crespi has a light touch with location and atmosphere and her characters are far from the staid characters often found in series books Ellen Nehr *Murder Ad Lib Ms* Crespi truly shines in the humor department Realistic and richly detailed Crespi will undoubtedly win a following among those who become acquainted with her heroine Stevanne Carter Mostly Murder **Mystery Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with

the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008
