Tudor Wills, 1485-1603 Susan E. James, 2016-03-09 Contributing an original dimension to the significant body of published scholarship on women in 16th century England this study examines the largest corpus of women's private writings available to historians their wills In these female voices speak out commenting on their daily lives on identity gender status familial relationships and social engagement Wills show women to have been active participants in a civil society well aware of their personal authority and potential influence whose committed actions during life and charitable strategies after death could and did impact the health of that society From an intensive analysis of more than 1200 wills this pioneering work focuses on women from all parts of the country and all strata of society revealing an entire population of articulate opportunistic and capable individuals who found the spaces between the lines of the law and used those spaces to achieve personal goals Author Susan James demonstrates how wills describe strategies for end of life care create platforms of remembrance and offer insights into the myriad occupational endeavors in which women were engaged James illuminates how these documents

were not simply instruments of bequest and inheritance but were statements of power and control catalogues of material culture from which we are able to gauge a woman's understanding of her own reality and the context that formed her environment Wills were tools and the way in which women wielded these tools offers new ways to look at England in the 16th century and reveals the seminal role women played in its development Young and Damned and Fair Gareth

Russell, 2017-04-04 Written with an exciting combination of narrative flair and historical authority this biography of Henry VIII's fifth wife Catherine Howard is a stunning achievement The Sunday Times London and a masterly work of Tudor history that is engrossing sympathetic suspenseful and illuminating Charlotte Gordon winner of the National Book Critics Circle Award for Biography On the morning of July 28 1540 a teenager named Catherine Howard began her reign as queen of an England simmering with rebellion and terrifying uncertainty Sixteen months later she would follow her cousin Anne Boleyn to the scaffold having been convicted of adultery and high treason The broad outlines of Catherine's career might be familiar but her story up until now has been incomplete Unlike previous biographies which portray her as a naive victim of an ambitious family Gareth Russell's excellent account puts the oft ignored Catherine in her proper historical context Daily Mail London and sheds new light on her rise and downfall by showing her in her context a milieu that includes the aristocrats and most critically the servants who surrounded her and who in the end conspired against her By illuminating Catherine's entwined upstairs downstairs world as well as societal tensions beyond the palace walls Russell offers a fascinating portrayal of court life in the sixteenth century and a fresh analysis of the forces beyond Catherine's control that led to her execution Including a forgotten text of Catherine's confession in her own words color illustrations family tree map and extensive notes Young and Damned and Fair is a gripping account of a young woman's future destroyed by forces beyond her control an important and timely book Amanda Foreman author of *Georgiana Duchess of Devonshire* and *A World on Fire* This account changes our understanding of one of history's most famous women while telling the compelling and very human story of complex individuals attempting to survive in a dangerous age **At Home in Renaissance Bruges** Julie De

Groot, 2022-03-29 Domestic materiality in a remarkable European city How did citizens in Bruges create a home What did an ordinary domestic interior look like in the sixteenth century And more importantly how does one study the domestic culture of bygone times by analysing documents such as probate inventories These questions seem straightforward yet few endeavours are more challenging than reconstructing a sixteenth century domestic reality from written sources This book takes full advantage of the inventory and convincingly frames household objects in their original context of use Meticulously connecting objects people and domestic spaces the book introduces the reader to the rich material world of Bruges citizens in the Renaissance their sensory engagement their religious practice the role of women and other social factors By weaving insights from material culture studies with urban history *At Home in Renaissance Bruges* offers an appealing and holistic mixture of in depth socio economic cultural and material analysis In its approach the book goes beyond heavy handed

theories and stereotypes about the exquisite taste of aristocratic elites focusing instead on the domestic materiality of Bruges middling groups Evocatively illustrated with contemporary paintings from Bruges and beyond this monograph shows a nuanced picture of domestic materiality in a remarkable European city [Creating the Perfect Form](#) Janet Wood,2024-05-30
