and then lost in the tides of history The truth is that after such a long absence their memories no longer match We always believe that our memories coincide with those of the person we loved that we experienced the same thing But this is just an illusion Only those who return after 20 years like Ulysses returning to his native Ithaca can be dazzled and astounded by observing the goddess of ignorance first hand Kundera is the only author today who can take dizzying concepts such as absence memory forgetting and ignorance and transform them into material for a novel masterfully orchestrating them into a polyphonic and moving work **The Unbearable Lightness of Being** Milan Kundera,1987 A young woman in love with a man torn between his love for her and his incorrigible womanizing one of his mistresses and her humbly faithful lover

Slowness Milan Kundera,2023-04-25 Irresistible Slowness is an ode to sensuous leisure to the enjoyment of pleasure rather than just the search for it Mirabella Milan Kundera s lightest novel a divertimento an opera buffa Slowness is also the first of this author s fictional works to have been written in French Disconcerted and enchanted the reader follows the narrator of Slowness through a midsummer s night in which two tales of seduction separated by more than two hundred years interweave and oscillate between the sublime and the comic Underlying this libertine fantasy is a profound meditation on contemporary life about the secret bond between slowness and memory about the connection between our era s desire to forget and the way we have given ourselves over to the demon of speed And about dancers possessed by the passion to be seen for whom life is merely a perpetual show emptied of every intimacy and every joy Life Is Elsewhere Milan Kundera,Aaron Asher,2000-07-25 The author initially intended to call this novel The Lyrical Age The lyrical age according to Kundera is youth and this novel above all is an epic of adolescence an ironic epic that tenderly erodes sacrosanct values childhood motherhood revolution and even poetry Jaromil is in fact a poet His mother made him a poet and accompanies him figuratively to his love bed and literally to his deathbed A ridiculous and touching character horrifying and totally innocent innocence with its bloody smile Jaromil is at the same time a true poet He s no creep he s Rimbaud Rimbaud entrapped by the communist revolution entrapped in a somber farce *The Unbearable Lightness of Being* ,2003 **La Insoportable Levedad Del Ser** Kundera,2017-05-16 Esta es una extraordinaria historia de amor o sea de celos de sexo de traiciones de muerte y tambi n de las debilidades y paradojas de la vida cotidiana de dos parejas cuyos destinos se entrelazan irremediabilmente Y el lector no puede sino terminar siendo el mismo personaje cuando no todos a la vez Y es que esta novela va dirigida al coraz n pero tambi n a la cabeza del lector En efecto los celos de Teresa por Tom s el terco amor de ste por ella opuesto a su irrefrenable deseo de otras mujeres el idealismo l rico y cursi de Franz amante de Sabina y la necesidad de sta amante tambi n de Tom s de perseguir incansable una libertad que tan s lo la conduce a la insoportable levedad del ser se convierten de simple an cdota en reflexi n sobre problemas filos ficos que afectan a cada uno directamente cada d a

The Book of Laughter and Forgetting Milan Kundera,2023-03-28 An absolutely dazzling entertainment Arousing on every level political erotic intellectual and above all humorous Newsweek The Book of Laughter and Forgetting calls itself a novel

although it is part fairy tale part literary criticism part political tract part musicology and part autobiography It can call itself whatever it wants to because the whole is genius New York Times Rich in its stories characters and imaginative range The Book of Laughter and Forgetting is the novel that brought Milan Kundera his first big international success in the late 1970s Like all his work it is valuable for far more than its historical implications In seven wonderfully integrated parts different aspects of human existence are magnified and reduced reordered and emphasized newly examined analyzed and experienced

The Curtain Milan Kundera, 2007 In this entertaining and always stimulating collection of seven essays Kundera deftly sketches out his personal view of the history and value of the novel Too often he suggests a novel is thought about only within the confines of the nation of its origin when in fact the novel's development has always occurred across borders Laurence Sterne learned from Rabelais Henry Fielding from Cervantes Joyce from Flaubert Garc a M rquez from Kafka The real work of a novel is not bound up in the specifics of any one language what makes a novel matter is its ability to reveal some previously unknown aspect of our existence In The Curtain Kundera skillfully describes how the best novels do just that

Ignorance Milan Kundera, 2003 A man and a woman meet by chance while returning to their homeland which they had abandoned 20 years earlier when they chose to become exiles Will they manage to pick up the thread of their strange love story interrupted as soon as it began and then lost in the tides of history

Identity Milan Kundera, 2023-04-25 Kundera master of the twosome finds erotic and existential threads everywhere in daily behavior Like his previous books Identity is a cluster of jeweled observations But Identity has a special charm suspense It gets us turning the pages in excitement and alarm and Kundera's wit keeps us turning them to the very end San Francisco Chronicle In a narrative as intense as it is brief a moment of confusion sets in motion a complex chain of events which forces the reader to cross and recross the divide between fantasy and reality Sometimes perhaps only for an instant we fail to recognize a companion for a moment their identity ceases to exist and thus we come to doubt our own The effect is at its most acute in a couple where our existence is given meaning by our perception of a lover and theirs of us With his astonishing skill at building on and out from the significant moment Milan Kundera has placed such a situation and the resulting wave of panic at the core of this novel Hailed as a fervent and compelling romance a moving fable about the anxieties of love and separateness Baltimore Sun it is not to be missed

Book of Laughter and Forgetting Milan Kundera, 2019-10-03 A new edition of the seminal novel by a literary master to celebrate the 40th anniversary of its first publication One is torn between profound pleasure in the novel's execution and wonder at the pain that inspired it Ian McEwan A masterpiece Salman Rushdie This book is a novel in the form of variations The various parts follow each other like the various stages of a voyage leading into the interior of a theme the interior of a thought the interior of a single unique situation the understanding of which recedes from my sight into the distance It is a book about laughter and forgetting about forgetting and about Prague about Prague and about the angels

The Festival of Insignificance Milan Kundera, 2023-07-18 Slender but weighty What is moving about this novel is its

embrace of what has always driven Kundera the delicate state of living between being and nothingness Boston Globe From the internationally acclaimed bestselling author of *The Unbearable Lightness of Being* an entertaining and enchanting novel a fitting capstone on an extraordinary career Slate Casting light on the most serious of problems and at the same time saying not one serious sentence being fascinated by the reality of the contemporary world and at the same time completely avoiding realism that s *The Festival of Insignificance* Readers who know Milan Kundera s earlier books know that the wish to incorporate an element of the unserious in a novel is not at all unexpected of him In *Immortality* Goethe and Hemingway stroll through several chapters together talking and laughing And in *Slowness* Vera the author s wife says to her husband you ve often told me you meant to write a book one day that would have not a single serious word in it I warn you watch out Your enemies are lying in wait Kundera is finally and fully realizing his old aesthetic dream in this novel that we could easily view as a summation of his whole work A strange sort of summation Strange sort of epilogue Strange sort of laughter inspired by our time which is comical because it has lost all sense of humor What more can we say Nothing Just read Slowness Milan Kundera,1996 From one of the most distinguished writers of modern times comes a libertine fantasy which is also a profound meditation on contemporary life Ruminating on how the pleasures of slowness have disappeared in today s fast paced future shocked world Kundera explores the secret bond between slowness and memory and the connection between our era s desire to forget and the ways in which we have given ourselves over to the demon of speed IDENTITY SIGND ED Kundera Milan,1998-04-24 There are situations in which we fail for a moment to recognize the person we are with in which the identity of the other is erased while we simultaneously doubt our own That also happens with couples indeed above all with couples because lovers fear more than anything else losing sight of the loved one With artfulness in expanding and playing variations on the meaningful moment Milan Kundera has made this situation and the vague sense of panic it inspires the very fabric of his new novel Here brevity goes hand in hand with intensity and a moment of bewilderment marks the start of a labyrinthine journey during which the reader repeatedly crosses the border between the real and the unreal between what occurs in the world outside and what the mind creates in its solitude CURTAIN MILAN.
