The Uncommon Woman Making An Ordinary Life Extraordinary:

The Uncommon Woman Susie Larson, 2008-07-01 Imagine yourself in a pool of strong swimmers all swimming clockwise You a Christian woman are swimming counter clockwise counter cultural if you will This book is for the woman who longs to rise up out of the stereotypical behavior of gossip insecurity pettiness and small dreams She has an unfulfilled desire to be someone who goes against the grain of the common for the sole purpose of living a life with conviction The woman who reads this book is ready to believe in her deep value ready to accept her high calling and ready to make a difference in a world in need of her influence Go ahead swim against the stream to become The Uncommon Woman *The Uncommon Woman*

Susie Larson, 2009 **The Silent Seduction of Self-Talk** Shelly Beach, 2009-06-01 We speak to ourselves at a rate of 1 300 words per minute making constant assessments and judgments often filtered through sinful and selfish agendas Women acknowledge that they are particularly vulnerable to this temptation and dangers of self talk as they compare and judge themselves against others The Silent Seduction of Self Talk provides a readable narrative and practical tools that help readers surface the inner conflicts that churn below the waterline of their awareness These dialogues can make them blind to the Scriptural truth that the vision they hold of themselves and the reality of their walk in Christ are often polar opposites Shelley explores real life examples and includes tools to assist in the spiritual disciplines of self assessment repentance commitment and transformation *Pearl Girls*, 2009-06-24 After experiencing the death of both parents Margaret

McSweeney recognized the importance of community like never before Through these difficult times in life she learned how God uses gritty circumstances to conform us to the stunning image of Christ McSweeney also realized that she was not at all alone It is for this reason that she decided to compile essays into an inspiring book Pearl Girls Encountering Grit Experiencing Grace Through this collection readers will be encouraged by the heartfelt writings that deal with loss and hardship in a real and honest way Respected authors such as Shaunti Feldhahn Melody Carlson Debbie Macomber Robin Jones Gunn and others help remind every woman that they are not alone and that no circumstance is beyond the grace of God McSweeney uses the metaphor of a pearl in order to better describe the situations that ail us all When an oyster takes in a piece of sand in order to create its coveted masterpiece it is initially painful to the soft flesh of the creature But after the pain appears a clean white symbol of simplicity purity and endurance that any woman would be proud to wear McSweeney believes that each woman is a pearl and together form a necklace of great worth In this book readers will discover community and encouragement women are alone in neither their pain nor victories in life *Prepare Him Room* Susie

Larson, 2021-09-14 Let earth receive her King Christmas is a time of joy and celebration But in the hurriedness of December sometimes we find ourselves sacrificing a sacred pace for hustle leaving us feeling more stressed than blessed What if you approached this Advent more open to the things of God What if you decided to be expectant that God would move in your midst What if you made room for the true joy found in the coming of our King Prepare Him Room invites you to give God

sacred space in your holiday season ponder the miracle of Christ within you respond to His work in your life As you begin your Christmas preparations this year journey through Luke s account of Jesus birth life death and ultimate resurrection God invites you to be still and let Jesus radically transform you this holy season **Real Moms...Real Jesus** Jill
