The Underdogs Mariano Azuela, 2006-09-15 In addition to a fresh translation of Los de Abajo Azuela's classic novel of the Mexican Revolution this volume offers both a general Introduction to the work and an extensive appendix setting the novel in its historical literary and political context Related texts include contemporary reviews of Azuela's book an excerpt from Anita Brenner's *Idols Behind Altars* 1929 and selections from John Reed's *Insurgent Mexico* 1914

The Underdogs Mariano Azuela, 2006 Along with a fresh translation of Azuela's classic novel this volume offers an introduction setting the work in its historical literary and political contexts Related texts include contemporary reviews of Azuela's work excerpts from John Reed's *Insurgent Mexico* and selections from Azuela's correspondence

Revolutionaries, Rebels and Robbers Pascale Baker, 2015-10-02 This volume delivers a comprehensive study of banditry in Latin America and of its cultural representation In its scope across the continent looking closely at nations where bandit culture has manifested itself forcefully Mexico the subject of the case study the Hispanic south west of the United States Argentina Brazil Venezuela and Cuba it imagines a Golden Age of banditry in Latin America from the mid nineteenth century to the 1940s when so called social bandits an idea first proposed by Eric Hobsbawm and further developed here flourished In its content this work offers the most detailed and wide ranging study of its kind currently available

Teaching Literature in Translation Brian James Baer, Michelle Woods, 2022-07-29 The teaching of texts in translation has become an increasingly common practice but so too has the teaching of texts from languages and cultures with which the instructor may have little or no familiarity The authors in this volume present a variety of pedagogical approaches to promote translation literacy and to address the distinct phenomenology of translated texts The approaches set forward in this volume address the nature of the translator's task and how texts travel across linguistic and cultural boundaries in translation including how they are packaged for new audiences with the aim of fostering critical reading practices that focus on translations as translations The organizing principle of the book is the specific pedagogical contexts in which translated texts are being used such as courses on a single work survey courses on a single national literature or a single author and courses on world literature Examples are provided from the widest possible variety of world languages and literary traditions as well as modes of writing prose poetry drama film and religious and historical texts with the aim that many of the pedagogical approaches and strategies can be easily adapted for use with other works and traditions An introductory section by the editors Brian James Baer and Michelle Woods sets the theoretical stage for the volume Written and edited by authorities in the field of literature and translation this book is an essential manual for all instructors and lecturers in world and comparative literature and literary translation
