The Union Jack The Contemporary Art Of The Novella:

The Touchstone Edith Wharton, 2012-11-06 Glennard had never thought himself a hero but he had been certain that he was incapable of baseness The story of a young man who scorns the love of a tortured novelist only to have her words come back to haunt him from the dead The Touchstone shows off the skills Wharton became famous for in novels such as Ethan Frome and House of Mirth particularly her piercing and delicious talent for satiric observation But despite its masterly control this startlingly modern tale is also a simmering rebel *cri de coeur* unleashed by a writer who was herself unappreciated in her own time The combination of these attributes make this edgy novella a moving and suspenseful homage to the power of literature itself The Art of The Novella Series Too short to be a novel too long to be a short story the novella is generally unrecognized by academics and publishers Nonetheless it is a form beloved and practiced by literature's greatest writers In the Art Of The Novella series Melville House celebrates this renegade art form and its practitioners with titles that are in many instances presented in book form for the first time

The Death of Ivan Ilych Leo Tolstoy, 2011-05-17 There is no explanation Written eight years after the publication of Anna Karenina a time during which despite the global success of his novels Leo Tolstoy renounced fiction in favor of religious and philosophical tracts The Death of Ivan Ilych represents perhaps the most keenly realized melding of Tolstoy's spirituality with his artistic skills Here in a vibrant new translation the tale of a judge who slowly comes to understand that his illness is fatal was inspired by Tolstoy's observation at his local train station of hundreds of shackled prisoners being sent off to Siberia many for petty crimes When he learned that the sentencing judge had died Tolstoy was roused to consider the judge's thoughts during his final days a study on the acceptance of mortality only deepened by the death during its writing of one of Tolstoy's own young children The final result is a magisterial story both chilling and beguiling in the fullness of its empathy its quotidian detail and the beauty of its prose and is as many have claimed it to be one of the most moving novellas ever written The Art of The Novella Series Too short to be a novel too long to be a short story the novella is generally unrecognized by academics and publishers Nonetheless it is a form beloved and practiced by literature's greatest writers In the Art Of The Novella series Melville House celebrates this renegade art form and its practitioners with titles that are in many instances presented in book form for the first time

The Girl with the Golden Eyes Honore de Balzac, 2007-10-01 When the night came he went to the meeting place and quietly let himself be blindfolded Raw as Honor de Balzac is famed to be this daring novella never before published as a stand alone book is perhaps the most outlandish thing he ever wrote While still concerned with the depiction of the underside of Parisian life as is most of Balzac's oeuvre The Girl with the Golden Eyes considers not the working lives of the poor but the sex lives of the upper crust In a nearly baroque rendering with erotically charged details as well as lush and extravagant language The Girl with the Golden Eyes tells the story of a rich and ruthless young man in nineteenth century Paris caught up in an amorous entanglement with a mysterious beauty His control slipping incest homosexuality sexual slavery and

violence combine in what was then and still remains a shocking and taboo breaking work The Art of The Novella Series Too short to be a novel too long to be a short story the novella is generally unrecognized by academics and publishers Nonetheless it is a form beloved and practiced by literature s greatest writers In the Art Of The Novella series Melville House celebrates this renegade art form and its practitioners with titles that are in many instances presented in book form for the first time

The Nice Old Man and the Pretty Girl Italo Svevo, 2010-08-31 the sin of an old man is equal to about two sins of a young man The fable like story of an old man s sexual obsession with a young woman is a distillation of Italo Svevo s concerns attraction of an older man to a younger woman individual conscience versus social convention and the cost of sexual desire This novella is a marvel of psychological insight following the man s vacillations and tortuous self justifications to their tragic comic end It is presented here in a translation first commissioned and published by Virginia Woolf for her Hogarth Press The Art of The Novella Series Too short to be a novel too long to be a short story the novella is generally unrecognized by academics and publishers Nonetheless it is a form beloved and practiced by literature s greatest writers In the Art Of The Novella series Melville House celebrates this renegade art form and its practitioners with titles that are in many instances presented in book form for the first time

The L Bruce Andrews, Charles Bernstein, 1984 L A N G U A G E started as a bimonthly magazine of infrmation and commentary a forum for discussion and interchange Throughout we have emphasized a spectrum of writing that places its attention primarily on language and ways of making meaning that takes for granted neither vocabulary grammar process shape syntax program or subject matter All of these remain an issue Focussing on this range of poetic exploration and on related aesthetic and political concerns we have tried to open things up beyond correspondence and conversation to break down some unnecessary encapsulation of writers person to person scene from scene and to develop more fully the latticework of those involved in aesthetically related activity Repossessing the word P IX

The Union Jack Imre Kertész, 2013-07-09 It was unnecessary for me to fret about who the murderer was Everybody was A haunting never before translated autobiographical novella by the 2002 Nobel Prize winner An unnamed narrator recounts a simple anecdote his sighting of the Union Jack the British Flag during the Hungarian Revolution of 1956 in the few days preceding the uprising s brutal repression by the Soviet army In the telling partly a digressive meditation on the absurd order of chance he recalls his youthful self and the epiphanies of his intellectual and spiritual awakening an awakening to a kind of radical subjectivity In his Nobel address Kertesz remembered I on a lovely spring day in 1955 suddenly came to the realization that there exists only one reality and that is me my own life this fragile gift bestowed for an uncertain time which had been seized expropriated by alien forces and circumscribed marked up branded and which I had to take back from History this dreadful Moloch because it was mine and mine alone The Contemporary Art of the Novella series is designed to highlight work by major authors from around the world In most instances as with Imre Kert sz it showcases work never before published in others books are reprised that should never have gone out of print It is intended that the series feature many well known authors and some exciting new discoveries And as with the original series The Art of the Novella each book is a beautifully packaged and inexpensive volume meant to celebrate the form and its practitioners **Pop Art** David E. Brauer, 2001 The techniques utilized however varied the Americans generally used a more reductive method arriving at a centralized iconic image while the British preferred an episodic approach that generated an implied narrative As the essays in this book make clear Pop Art promoted no specific agenda beyond the investigation of the prevailing American environment BOOK JACKET **The Saturday Review of Politics, Literature, Science and Art** ,1903 **The Contemporary Novel** Irving Adelman, Rita Dworkin, 1997-10-09 In this new edition what was already an expansive work has been updated and further enlarged to include information not only on American and British novelists but also on writers in English from around the world The Publishers Weekly ,1907 New Outlook ,1909 **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1913 The Outlook Lyman Abbott, Hamilton Wright Mabie, Ernest Hamlin Abbott, Francis Rufus Bellamy, 1909 **The Living Age** ,1909 Outlook Alfred Emanuel Smith, Francis Walton, 1880 Littell's Living Age ,1909 Authors and Their Works with Dates Ebenezer Cobham Brewer, 1884 **Academy; a Weekly Review of Literature, Learning, Science and Art** ,1903 The Poetical gazette the official organ of the Poetry society and a review of poetical affairs nos 4 7 issued as supplements to the Academy v 79 Oct 15 Nov 5 Dec 3 and 31 1910 **The Bookman** ,1903
