The New York Times Magazine, 1997-08 *Peace Is the Way* Deepak Chopra, M.D., 2005-03-08 Deepak Chopra's passionate new book *Peace Is the Way* was inspired by a saying from Mahatma Gandhi There is no way to peace Peace is the way In a world where every path to peace has proved futile the one strategy that hasn't been tried is the way of peace itself We must not bring one war to an end or thirty Chopra tells us but the idea of war itself How can this be done By facing the truth that war is satisfying and then substituting new satisfactions so that violence is no longer appealing War has become a habit We reach for it the way a chain smoker reaches for a cigarette promising to quit but somehow never kicking the habit But Chopra tells us that peace has its own power and our task now is to direct that power and multiply it one person at a time Behind the numbing headlines of violence running out of control there are unmistakable signs of a change Chopra believes that a majority of people are ready to see an end to war Right now 23 million soldiers serve in armies around the world Can't we find ten times that number who will dedicate themselves to peace A hundred times *Peace Is the Way* challenges each of us to take the next leap in personal evolution You aren't asked to be a saint or to give up any belief You are only asked to stop reacting out of fear to change your allegiance from violence to peace In a practical seven step program Chopra shows the reader how to become a true peacemaker Violence may be innate in human nature but so is its opposite love The next stage of humanity the leap which we are poised to take will be guided by the force of that love This is more than a hope or an aspiration It is a new way of being in the world giving each individual the power to end war in our time *Current*
