We are writing each other's stories as much as we are writing our own. In his bestselling book *The Good Life*, Hugh Mackay argued that kindness and respect for others are the hallmarks of a life well lived. Now in *The Art of Belonging*, Mackay shows how strong communities develop our moral sense and build our emotional security. He says that as social creatures, we can only reach our potential when we engage with our communities in the local neighbourhood, at work and even online. Drawing on his lifelong work as a social researcher, Mackay creates a fictional suburb, Southwood, and populates it with characters who like most of us struggle to reconcile their need to belong with their desire to live life on their own terms. Through a series of stories illuminated by Mackay's social analysis, we witness the conflicts that arise when individuals assert their needs at the expense of others, but we also glimpse the satisfactions that flow from contributing to the common good. Written with wisdom, compassion and wit, *The Art of Belonging* is for those who yearn for a society that sustains and nurtures the many, not just the fortunate few. **A NYONYA INHERITANCE** Pearly Kee, 2012-11-28 Pearly Kee, a true blue fifth-generation Nyonya, was schooled in a traditional Nyonya kitchen and teaches what were once closely guarded cooking secrets. From her cooking school in Penang, she's taught a whole new generation of fans, from professional chefs to foodies and amateur enthusiasts. Her first best-selling title has since been revised to include five new authentic Penang Nyonya recipes. Her Gourmand Award-winning cookbook *Pearly's Nyonya Pantry* is also available from Clarity Publishing. **Speedy Budget Busters** Alyce Alexandra, My mission has always been to get people cooking more often and from scratch. Yet over the years, I've come to realise there are three things that get in the way of this: for people, time, money and skill. So in this eBook, I'm covering off on all three so you are

empowered to put a homecooked meal on the table every night this week and hopefully many more after that I've kept all these recipes super quick using only a thermo cooker chopping board and occasionally a stove burner You'll have each one complete and on the table in less than 30 minutes some in as little as 15 Your total shop for the five nights will be less than 50 less than what a family of four would spend in one night on takeaway And these recipes are dead easy I promise The thermo cooker does most of the work and no matter what your skill level you'll be able to handle the rest The five recipes have been developed as a weekly collection offering a variety of flavours and also heavy and light meals I have intentionally tried to repeat ingredients as much as possible within those confines so there is less wastage and you can get a better price by buying things in bulk For example you'll buy one bunch of spring onions and use them across two recipes That's why we've included a shopping list for the five meals However by no means feel you need to embrace all five recipes at once each will happily stand on their own whenever a cheap and speedy meal is in order I've kept the ingredients list for each recipe as short as possible both to keep costs down but also to show how it really doesn't take much to put a nourishing and delicious meal on the table I have however added little notes on how you could jazz each recipe up if you had spare ingredients in the fridge pantry or garden but these are by no means essential I've also kept all the recipes vegetarian there is a time and place to cut costs and quality but in my opinion animal products isn't one of them I hope you love this ebook and that my team and I have helped make your life that little bit easier Happy cooking love alyce alexandra xo P S Share your thoughts on this ebook with us on Facebook or Instagram We always love hearing from you
