They Didn't Do What I Told Them To Do

Carmen Rita Wong

They Didn't Do What I Told Them To Do:

They Didn't Do What I Told Them to Do Doris Noble, 2011-11 Just before I married for the third time I noticed a dark cloud hanging over the heads of at least 30 percent of the women walking into the church on Sunday mornings and wondered why because the men looked fine At a marriage counseling session with my third husband the Lord told me why They Didn't Do What I Told Them to Do Soon after He told me He took it from my remembrance and my life became a living testimony to that very fact After my divorce in 2005 I began to learn what it took to be obedient be free from oppression and live a life pleasing to the Lord and it started with the making of this book *Why Didn't You Just Do What You Were Told?* Jenny Diski, 2021-10-15 Finalist for the NBCC Award for Criticism Nothing about Jenny Diski is conventional Diski does not do linear or normal or boring highly intelligent furiously funny Sunday Times Funny heartbreaking insightful and wise Emilia Clarke She expanded notions about what nonfiction as an art form could do and could be New Yorker Jenny Diski was a fearless writer for whom no subject was too difficult even her own cancer diagnosis Her columns in the London Review of Books selected here by her editor and friend Mary Kay Wilmers on subjects as various as death motherhood sexual politics and the joys of solitude have been described as virtuoso performances and small masterpieces From Highgate Cemetery to the interior of a psychiatric hospital from Tottenham Court Road to the icebergs of Antarctica *Why Didn't You Just Do What You Were Told* is a collective interrogation of the universal experience from a very particular psyche original opinionated and mordantly funny

Senate documents, 1877 **Decisions and Orders of the National Labor Relations Board** United States. National Labor Relations Board, 2008 **He Said It, I Didn't** Martin Kennedy, 2018-03-28 Of all the things people do with the Bible such as spreading good will evangelizing or tripping little boys what's the one thing they never do Read the whole thing That's what Martin Kennedy did He discovered that all of the lessons and parables within this respected piece of literature was surrounded by at best confusing stories and at worst horrible tales of human flaws That compelled him to write He said it I didn't When read with no preconceived notions of infallibility the Bible is a stirring example of the depths that the human race will go to when it believes their actions are backed up by an almighty force And when their God can beat your God someone's not going to have a good day As a non believer Martin was able to detach himself emotionally from what would have been a sad and sobering examination of Christianity Instead he pulled from his comedic roots and delivered a book report filled with humor irreverence and insight You may not ever want to see his face but you'll never look at the Bible the same either **FHA Investigation** United States. Ciulirnerunak Yuuyaḡunak/Do Not Live Without an Elder Ann Fienup-Riordan, 2016-10-15 In October of 2010 six men who were serving on the board of the Calista Elders Council CEC gathered in Anchorage with CEC staff to spend three days speaking about the subsistence way of life The men shared stories of their early years growing up on the land and harvesting

through the seasons and the dangers they encountered there The gathering was striking for its regional breadth as elders came from the Bering Sea coast as well as the Yukon and Kuskokwim rivers And while their accounts had some commonalities they also served to demonstrate the wide range of different approaches to subsistence in different regions This book gathers the men s stories for the current generation and those to come Taken together they become more than simply oral histories rather they testify to the importance of transmitting memories and culture and of preserving knowledge of vanishing ways of life

Why Didn't You Tell Me? Carmen Rita Wong,2023-08-29 An immigrant mother s long held secrets upend her daughter s understanding of her family her identity and her place in the world in this powerful and dramatic memoir Riveting Wong tells her story in vivid conversational prose that will make readers feel they re listening to a master storyteller on a long car trip Hers is a hero s journey The New York Times Book Review ONE OF THE BEST BOOKS OF THE YEAR PopSugar Kirkus Reviews My mother carried a powerful secret A secret that shaped my life and the lives of everyone around me in ways she could not have imagined Carmen Rita Wong has always craved a sense of belonging First as a toddler in a warm room full of Black and brown Latina women like her mother Lupe cheering her dancing during her childhood in Harlem And in Chinatown where her immigrant father Papi Wong a hustler would show her and her older brother off in opulent restaurants decorated in red and gold Then came the almost exclusively white playgrounds of New Hampshire after her mother married her stepfather Marty who seemed to be the ideal of the white American dad As Carmen entered this new

world with her new family Lupe and Marty quickly had four more children her relationship with her mother became fraught with tension suspicion and conflict explained only years later by the secrets her mother had kept for so long And when those secrets were revealed bringing clarity to so much of Carmen s life it was too late for answers When her mother passed away Carmen wanted to shake her soul by its shoulders and demand Why didn t you tell me A former national television host advice columnist and professor Carmen searches to understand who she really is as she discovers her mother s hidden history facing the revelations that seep out Why Didn t You Tell Me is a riveting and poignant story of Carmen s experience of race and culture in America and how they shape who we think we are

Peasants in Revolt James Petras,Hugo Zemelman Merino,2014-11-06 Based on extended interviews at the Culipr n fundo in Chile with peasants who recount in their own terms their political evolution this is an in depth study of peasants in social and political action It deals with two basic themes first the authoritarian structure within a traditional latifundio and its eventual replacement by a peasant based elected committee and second the events shaping the emergence of political consciousness among the peasantry Petras and Zemelman Merino trace the careers of local peasant leaders followers and opponents of the violent illegal land seizure in 1965 and the events that triggered the particular action The findings of this study challenge the oft accepted assumption that peasants represent a passive traditional downtrodden group capable only of following urban based elites The peasant militants while differing considerably in their ability to grasp complex political and social problems show a great deal of political skill calculate rationally on the possibility of success and select and manipulate political allies on the basis of their own primary needs The politicized peasantry lend their allegiance to those forces with whom they anticipate they have the most to gain and under circumstances that minimize social costs The authors identify the highly repressive political culture within the latifundio reinforced by the national political system as the key factor inhibiting overt expressions of political demands The emergence of revolutionary political consciousness is found to be the result of cumulative experiences and the breakdown of traditional institutions of control The violent illegal seizure of the farm is perceived by the peasantry as a legitimate act based on self interest as well as general principles of justice in other words the seizure is perceived as a natural act suggesting that perhaps two sets of moralities functioned within the traditional system The book is divided into two parts the first part contains a detailed analysis of peasant behavior the second contains transcriptions of peasant interviews Combined they give the texture and flavor of insurgent peasant politics
