How do you strip a rebound? How do you score with a strong handed dribble while going to the weak side? How do you practice shooting for maximum game effectiveness? How do you recognize defensive changes? STUFF is like having a coach right beside you in your room discussing the fine points of the games. How do you think in the minutes of the game? How do you react to mistakes? What is your attitude about fouls? Eating Superstitions Injuries. All this and more makes STUFF a book that players will find indispensable. Basketball fans will enjoy it but players won't do.
