Thinking Skills in College Kathleen T. McWhorter, 1988 **Introducing Criminological Thinking** Jon Heidt, Johannes P. Wheeldon, 2014-11-28 Visual techniques for applying criminological theory to social science research Introducing Criminological Thinking Maps Theories and Understanding is an accessible and user friendly criminological theory text for students instructors and researchers In addition to the unique use of concept maps mind maps and other visual techniques to consider theory based inquiry this text combines an exploration of the core elements of theory with relevant examples drawn from biology psychology sociology critical traditions and integrative efforts Unlike in other theory texts the chapters are arranged by level of explanation to help students understand how theories from different disciplines interact with each other as a foundation for many contemporary criminological theories Authors Jon Heidt and Johannes Wheeldon have developed a seven step model to identify key aspects of different theories including their historical and social context base assumptions scope problem foci terms concepts related research and practical ramifications This text offers both a student friendly

theoretical discussion and accessible visual examples to explain criminological theory and its applicability to social science research

On the Sacred Gordon Lynch, 2014-10-14 Progressive modern societies hold the promise of the triumph of reason and the banishing of primitive religious impulses to a bygone age. If this statement is orthodoxy to much of Western liberal thought, then Gordon Lynch's *On the Sacred* is heresy. Challenging the myth of the idealized rational society, Lynch argues that emotionally charged forms of the sacred remain an inevitable foundation of social life. Modernity has not rid us of the sacred but merely presented us with new sacred forms focused around humanity, nature and the nation. Drawing on examples from the changing status of the British monarchy, the growing influence of humanitarian NGOs and moral justifications for the invasion of Iraq, *On the Sacred* presents a compelling account of what the sacred is and why it still matters for us today. By the end of the book, Lynch calls us to a new understanding of our moments of deep moral certainty, challenging us to think about the harm we do in the name of what we call sacred.

Resources in Education, 2001 *The Social Reconstruction of the Feminine Character* Sondra Farganis, 1996-06-30 A classic in feminist theory, *The Social Reconstruction of the Feminine Character* is a stimulating and thought-provoking book that brings to light the ways in which views of women are shaped by concrete conditions. It compares feminism to other contemporary social movements that are raising questions about advanced industrial society. In this new edition, Farganis includes chapters on feminist legal theory and queer theory and updates the chapters on science, reason and morality.

Teaching English Literature 16-19 Carol Atherton, Andrew Green, Gary Snapper, 2013-07-18 *Teaching English Literature 16-19* is an essential new resource that is suitable for use both as an introductory guide for those new to teaching literature and also as an aid to reflection and renewal for more experienced teachers. Using the central philosophy that students will learn best when actively engaged in discussion and encouraged to apply what they have learnt independently, this highly practical new text contains discussion of the principles behind the teaching of literature at this level, guidelines on course planning, pedagogy, content and subject knowledge, advice on teaching literature taking into account a range of broader contexts such as literary criticism, literary theory, performance, publishing, creative writing and journalism, examples of practical activities, worksheets and suggestions for texts, guides to available resources. Aimed at English teachers, teacher trainees, teacher trainers and advisors, this resource is packed full of new and workable ideas for teaching all English literature courses.

Silences, Neglected Feelings, and Blind-Spots in Research Practice Kathy Davis, Janice Irvine, 2022-05-18 This book addresses wide-ranging dilemmas that social researchers may face as a result of silences, neglected feelings and blind spots in their research. In every research endeavour, thoughts, intuitions, biases, feelings or sensations may be left aside as the researcher attempts to come to terms with the complexities of material and figure out what the main issue is. Researchers may pay attention to their own emotional responses during the interview but often only in

their field notes Rarely do feelings of shock irritation boredom or for that matter amusement excitement and delight find their way into the analysis itself In addition researchers are all susceptible to blind spots often unaware of what is being avoided in research or omitted from it However reflection about precisely these gaps or silences may prove essential for developing new and interesting questions as well as comprehensive responsive and responsible research practices In this volume an international cross disciplinary cohort of researchers think critically about the silences neglected feelings and blind spots in their own work and offer insights for enhancing research practices As such it will appeal to scholars across the social sciences with interests in research methods and methodology The Routledge Doctoral Student's Companion Pat Thomson,Melanie Walker,2010-04-07 This book addresses a set of interlocking and overlapping big questions that sit behind the plethora of doctoral advice texts and run through the practice of knowledge identity work Developing Quantitative Literacy Skills in History and the Social Sciences Kathleen W.
