Shinall

Jr.,2018-03-28 In the last decade or so scholarship on the miracles of Jesus has shifted from reconstructions of the historical Jesus to the questions of why and to what end early Jesus followers told stories about miracles Myrick Shinall contends that Mark and Q contain two distinct ways of remembering Jesus s miracles in relation to his proclamation of the kingdom of God He compares three cases of Mark Q overlaps which feature miracles the Beelzebul controversy the commissioning of the disciples and the testing or temptation narratives and finds that in Mark the miracles and the kingdom of God both point to Jesus identity as a divine figure whereas in Q Jesus and the miracles point instead to the coming kingdom of God Shinall further argues that these different views represent different strategies for creating group identities for Jesus followers strategies that came into conflict as the movement s identity coalesced At length he shows that the mix of high and low Christology in the Synoptic tradition requires reframing of the current debate over how early a high Christology developed in the nascent Jesus movement *Legacies of the Asia-Pacific War* Roman Rosenbaum,Yasuko Claremont,2012-09-10 When we look in detail at the various peripheral groups of disenfranchised people emerging from the aftermath of the Asia Pacific War the list is startling Koreans in Japan migrants or forced labourers Burakumin Hibakusha Okinawans Asian minorities comfort women and many others Many of these groups have been discussed in a large corpus of what we may call disenfranchised literature and the research presented in this book intends to add an additional and particularly controversial example to the long list of the voice and powerless The presence of members of what is known as the yakeato sedai or the generation of people who experienced the fire bombings of the Asia Pacific War is conspicuous in all areas of contemporary Japan From literature to the visual arts from music to theatre from architecture to politics their influence and in many cases guiding principles is evident everywhere and in many cases forms the keystone of modern Japanese society and culture The contributors to this book explore the impact of the yakeato generation and their literary creative and cultural and works on the postwar period by drawing out the importance of the legacy of those people who truly survived the darkest hour of the twentieth century and re evaluate the ramifications of their experiences in contemporary Japanese society and culture As such this book will be of huge interest to those studying Japanese history literature poetry and cultural studies Recruiter Journal ,2010 *Contributions of Historically Black Colleges and Universities in the 21st Century* Bagasra, Anisah,Mc

Letchie, Alison,Wesley, Jonathan,2022-06-24 Despite the declaration that we are living in a post racial America multiple

recent events in which Black lives were prematurely ended have sparked a racial reckoning within the United States. Historically Black Colleges and Universities (HBCUs) are institutions with a long history of addressing racial disparities and injustices whose relevance is being recognized in light of these recent events. It is essential to give voice to those who represent the ongoing challenges, aspirations, and impact of HBCUs in the 21st century in upholding their collective mission to educate students of color who were historically excluded from institutions of higher education. Contributions of Historically Black Colleges and Universities in the 21st Century focuses on the role of HBCUs in contemporary American society as diverse and inclusive environments that continue to positively impact historically excluded students. The voices of faculty, students, and administration are included to highlight the innovations and contributions of HBCUs in the areas of scholarship, teaching, and service. Covering topics such as Black Lives Matter, community activism, and self-advocacy, this premier reference source is a valuable resource for sociologists, higher education administration, graduate programs, faculty, and administrators at HBCUs, students and educators of higher education, libraries, government officials, activists, non-profit organizations, researchers, and academicians.

Mao's Children in the New China Yarong Jiang, David Ashley, 2013-10-08. Around 18 million young Chinese people were sent to the countryside between 1966 and 1976 as part of the Cultural Revolution. *Mao's Children in the New China* allows some of them to tell their moving stories in their own voices for the first time. In this inspiring collection of interviews with former Red Guards, members of the first generation to be born under Chairman Mao talk frankly about the dramatic changes which have occurred in China over the last two decades. In discussing

the impact these changes have had on their own lives the former revolutionaries give a direct insight into how ex Maoists view contemporary China revealing an attitude perhaps more critical than that of most Western commentators These poignant memoirs tell the very personal stories of how people from all walks of life were affected by both the cultural revolution and Deng Xiaoping s economic reforms They cover subjects as diverse as marriage and divorce the privatization of industry family relationships universities and the stock market Mao s Children in the New China is essential reading for all those interested in learning more about the personal and social history of modern China [Indian Defence Review 37.1 \(Jan-Mar 2022\)](#) Air Marshal Anil Chopra,Vice Admiral MP Muralidharan,Lt Gen NB Singh,Tamanna Ruth Edwards,Gp Cap AK Sachdev,Brig Deepak Sinha,Danvir Singh,Col Mandeep Singh,Ramananda Sengupta,2022-03-10 In this edition China s Geostrategic Perspect And Eastern Ladakh Lt Gen JS Bajwa Should the Indian Army stay out of politics Ramananda Sengupta Rebuilding the Combat Fleet of the IAF to 42 Squadrons Air Marshal Anil Chopra Soft Kill Air Defence Weapon Systems The Better Alternative Col Mandeep Singh Make in India An Appraisal 2022 Danvir Singh People s Liberation Army Navy A Review Vice Admiral MP Muralidharan Sixth Generation Fighter Aircraft Its Prospects Gp Capt AK Sachdev Need to prioritise the IAF s Unmanned Offensive and Defensive Capability Air Marshal Anil Chopra Chinese Roulette Which way will the Wind Blow Brig Deepak Sinha Military Civil Fusion Strategy of China Col NP Singh The Indian Military and the Element of Surprise Gp Capt PK Mulay Aerospace and Defence News Priya Tyagi Operational Testing and Evaluation of Weapons and Equipment Lt Gen NB Singh Atmanirbhar in Aerospace and Defence Manufacturing Gp Cap AK Sachdev War Widows The Hidden Battles The Journey of Rebuilding Life Tamanna Ruth Edwards Part I The Defence and Decline of Dacca in 1971 Sumit Walia Book Review
