

"In setting down her story, Wicklund has done something brave, not only by refusing to cower in the shadows but also by recounting experiences that don't always fit the conventional pro-choice script."

—*NEW YORK TIMES BOOK REVIEW*

Susan Wicklund This Common Secret

My Journey as an Abortion Doctor

This Common Secret My Journey As An Abortion Doctor

Jennifer Baumgardner

This Common Secret My Journey As An Abortion Doctor:

This Common Secret Susan Wicklund, Alan S. Kesselheim, 2007-12-31 A female physician describes her dedication to helping women through the abortion experience the dangers she faced as an abortion provider and her thoughts on the abortion debate *Obstacle Course* David S. Cohen, Carole Joffe, 2021-07-27 This book tells the real story of abortion in America one that captures a disturbing reality of sometimes insurmountable barriers put in front of women trying to exercise their legal rights to medical services Without the efforts of an unheralded army of doctors nurses social workers activists and volunteers what is a legal right would be meaningless for the almost one million people per year who get abortions There is a better way treating abortion like any other form of health care but the United States is a long way from that ideal

Achieving Peace in the Abortion War Ph. D. Rachel M. Macnair, 2008-12 Elections come and go and outcomes depend on events and characters out of the control of any single movement The United States downward trend in abortions however has happened steadily through both Democrat and Republican administrations There are several reasons to believe this is likely to continue The fragility of abortion practice in the United States is becoming increasingly clear People in other countries may also find useful information in the principles explained here The real life experience of doctors and nurses involved in providing abortion show that they are a weakening link in the abortion chain and this book explains reasons why this is so that depend more on psychology than politics There is also a vital opportunity in understanding the human mind's drive for consistency and its link to behavior When knowing about how abortion practice has begun collapsing people find it safer to hear the case against it and to act in a more constructive way toward the genuine needs of pregnant women The social and psychological dynamics of performing and defending abortions offer many opportunities for stopping widespread feticide The more we understand these the more effective we can be as peacemakers in the abortion war What Friends Are For Harriet Zaidman, 2025-10-28 Set in 1983 at the height of Canada's abortion debate this powerful nuanced YA novel follows a young girl as she grapples with an unplanned pregnancy At fifteen Leesa is preoccupied with friends crushes and schoolwork and looking forward to the freedom of earning her own money and learning to drive Although she doesn't think much about politics she has marched alongside her mother and friend Jenny protesting the planned opening of an abortion clinic in her city In her traditional close knit community abortion feels like a black and white issue with little connection to her real life But after she is raped at a party Leesa's life suddenly merges with the headlines of the day Now she is the one dealing with an unplanned pregnancy and everything she ever believed is turned upside down As she struggles to make a decision that could determine her whole future Leesa comes to realize that she is only one who should have the right to make a choice about her own body But will opening up to her family and friends mean losing them forever **Exploring the Dimensions of Human Sexuality** Jerrold S. Greenberg, Clint E. Bruess, Sara B. Oswalt, 2014 Abortion in the Age of Unreason Warren M. Hern, 2024-09-30 This vivid account by a nationally prominent doctor reports the daily challenges of offering and receiving

abortion services in a volatile political and social atmosphere In stories from the front lines from protecting patients and staff from protesters attacks to the dangers to women of restricted access to abortion services and the pertinent findings of his remote research in Latin America Hern s book is strikingly detailed just as it exposes the needs of women and the U S national interest Dr Hern an abortion specialist researcher scholar and highly visible public advocate shows how abortion saves women s lives given the many risks that arise during pregnancy remarkably more than most people realize He points to political and national solutions to reverse a reawakened crisis that now threatens democracy Throughout the book Dr Hern shows how the current emergency was largely created by political actors who have exploited and distorted the abortion issue to increase and consolidate their power A vital component of women s health care the crisis over abortion is not new Yet the reversal of Roe v Wade and the steady accumulation of power by America s right wing has put the issue at a level of urgency and national prominence not seen since the days before legalization Women s need for safe abortion services will continue as the struggle to secure their rights intensifies This book is about that struggle during what has evolved over the last 50 years to an Age of Unreason

Generation Roe Sarah Erdreich,2013-04-02 Strong support among women was key to Obama s reelection At the start of his second term it is time for Barack Obama forty years after Roe v Wade to finally help lead us to demystify abortion One third of all American women will have an abortion by the time they are 45 and most of those women are already mothers Yet the topic remains taboo In this provocative book on the heels of the Planned Parenthood controversy Sarah Erdreich presents the antidote to the usual abortion debates Inextricably connected to issues of autonomy privacy and sexuality the abortion debate remains home base for the culture wars in America Yet there is more common ground than meets the eye in favor of choice Generation Roe delves into phenomena such as abortion recovery counseling crisis pregnancy centers and the infamous anti choice black children are an endangered species billboards It tells the stories of those who risk their lives to pursue careers in this stigmatized field And it outlines the outrageous legislative battles that are being waged against abortion rights all over the country With an inspiring spirit and a forward looking approach Erdreich holds abortion up unabashedly as a moral and fundamental human right

Pro-Life, Pro-Choice Bertha Manninen,2014-07-01 In this provocative and accessible book the author defends a pro choice perspective but also takes seriously pro life concerns about the moral value of the human fetus questioning whether a fetus is nothing more than mere tissue She examines the legal status of the fetus in the recent Personhood Amendments in state legislatures and in Supreme Court decisions and asks whether Roe v Wade should have focused on the viability of the fetus or on the bodily integrity of the woman Manninen approaches the abortion controversy through a variety of perspectives and ethical frameworks She addresses the social circumstances that influence many women s decision to abort and considers whether we believe that there are good and bad reasons to abort Manninen also looks at the call for post abortion fetal grieving rituals for women who desire them and the attempt to make room in the pro choice position for the views of prospective fathers The author

spells out how the two sides demonize each other and proposes ways to find degrees of convergence between the seemingly intractable positions **Pregnancy, Motherhood, and Choice in Twentieth-Century Arizona** Mary S.

Melcher,2016-12-15 Early twentieth century Arizona was a life threatening place for new and expectant mothers Towns were small and very far apart and the weather and harsh landscape often delayed midwives It was not uncommon for a woman to give birth without medical care and with the aid of only family members By the 1920s Arizona was at the top of the list for the highest number of infant deaths Mary Melcher s *Pregnancy Motherhood and Choice in Twentieth Century Arizona* provides a deep and diverse history of the dramatic changes in childbirth birth control infant mortality and abortion over the course of the last century Using oral histories memoirs newspaper accounts government documents letters photos and biographical collections this fine grained study of women s reproductive health places the voices of real women at the forefront of the narrative providing a personal view into some of the most intense experiences of their lives Tackling difficult issues such as disparities in reproductive health care based on race and class abortion and birth control this book seeks to change the way the world looks at women s health An essential read for both historians and public health officials this book reveals that many of the choices and challenges that women once faced remain even today **Abortion** Tamara

Thompson,2015-02-19 Nearly half of all pregnancies among U S women are unintended and about four in ten of these are terminated by abortion The writings in this anthology have been selected to introduce the reader to the broadest possible spectrum of viewpoints on the abortion debate A question and response format prompts readers to examine complex issues from multiple angles Students are encouraged to see the validity of divergent opinions so that they may understand the debate inclusively Fact boxes are included to summarize important information for researchers **Obstetricians Speak**

Robbie Davis-Floyd,Ashish Premkumar,2023-06-11 For the first time ever in a social science work obstetricians tell their own stories of training practice fear and transformation in this the first of the 3 volume series *The Anthropology of Obstetrics and Obstetricians The Practice Maintenance and Reproduction of a Biomedical Profession* These stories range from those of abortion providers to those of maternal fetal medicine specialists Several chapters tell the stories of obstetricians who have made paradigm shifts from technocratic to humanistic practices the benefits and joys of these paradigm shifts and the ostracism bullying and outright persecution these humanistic obstetricians have suffered This book is a must read for students social scientists and all maternity care practitioners who seek to understand the ideologies and motives of individual obstetricians An excerpt from Kathleen Hanlon Lundberg s chapter Largely maligned in reproductive anthropological literature as callous if not brutal self serving effectors of the over medicalization of childbirth most obstetricians whom I know and have worked with are devoted to providing respectful individualized care to their patients *Abortion after Roe*

Johanna Schoen,2015-09-28 Abortion is and always has been an arena for contesting power relations between women and men When in 1973 the Supreme Court made the procedure legal throughout the United States it seemed that women were at

last able to make decisions about their own bodies In the four decades that followed however abortion became ever more politicized and stigmatized Abortion after Roe chronicles and analyzes what the new legal status and changing political environment have meant for abortion providers and their patients Johanna Schoen sheds light on the little studied experience of performing and receiving abortion care from the 1970s a period of optimism to the rise of the antiabortion movement and the escalation of antiabortion tactics in the 1980s to the 1990s and beyond when violent attacks on clinics and abortion providers led to a new articulation of abortion care as moral work As Schoen demonstrates more than four decades after the legalization of abortion the abortion provider community has powerfully asserted that abortion care is a moral good

Contested Spaces: Abortion Clinics, Women's Shelters and Hospitals Lori A. Brown, 2016-05-13 In this book Lori Brown examines the relationship between space defined physically legally and legislatively and how these factors directly impact the spaces of abortion It analyzes how various political entities shape the physical landscapes of inclusion and exclusion to reproductive healthcare access and questions what architecture's responsibilities are in respect to this spatial conflict Employing writing drawing and mapping methodologies this interdisciplinary project explores restrictions and legislatures which directly influence abortion policy in the US Mexico and Canada It questions how these legal rulings produce spatial complexities and why architecture isn't more culturally and spatially engaged with these spaces In Mexico where abortion is fully legal only in Mexico City during the first trimester women must travel vast distances and undergo extreme conditions in order to access the procedure Conservative state governments continue to make abortion a severely punishable crime In Canada there are nowhere near the cultural and religious stigmas to abortion as in the US and Mexico Completely legal and without restrictions Canada offers an important contrast to the ongoing abortion issues within the US and Mexico Researching the spatial implications of such a politicized space this book expands beyond a study of abortion clinic and includes other spaces such as women's shelters and hospitals that require multiple levels of secured spaces in order to discuss the spatial ramifications of access and security within spaces that are highly personal private and sometimes secret or even hidden In questioning what architecture's responsibility is in these spatial conflicts the book looks at how what architecture does can be used to reconsider the spaces and security around such contested places and ultimately suggests what design's potential impact might be In doing so it shows how architecture's role might be redefined within social and spatial practices

Women against Abortion Karissa Haugeberg, 2017-04-03 Women from remarkably diverse religious social and political backgrounds made up the rank and file of anti-abortion activism Empowered by yet in many cases scared of the changes wrought by feminism they founded grassroots groups developed now familiar strategies and tactics and gave voice to the movement's moral and political dimensions Drawing on oral histories and interviews with prominent figures Karissa Haugeberg examines American women's fight against abortion Beginning in the 1960s she looks at Marjory Mecklenburg's attempt to shift the attention of anti-abortion leaders from the rights of fetuses to the needs of pregnant

women Moving forward she traces the grassroots work of Catholic women including Juli Loesch and Joan Andrews and their encounters with the influx of evangelicals into the movement She also looks at the activism of evangelical Protestant Shelley Shannon a prominent pro life extremist of the 1990s Throughout Haugeberg explores important questions such as the ways people fused religious conviction with partisan politics activists rationalizations for lethal violence and how women claimed space within an unshakably patriarchal movement *Living in the Crosshairs* David S. Cohen, Krysten Connon, 2016 A chilling exposé of the threats harassment and worse that American abortion providers face on a daily basis and groundbreaking remedies to stop it *Roe v. Wade* Deirdre Cooper Owens, Fiona de Londras, Alicia Gutierrez-Romine, Johanna Schoen, Salamishah Tillet, Karin Wulf, 2024-08-15 Just over fifty years ago on January 22 1973 the United States Supreme Court decision on *Roe v Wade* assured millions of women that abortion was a protected constitutional right due to a woman's right to privacy In the context of the burgeoning women's rights movement it seemed like an inalienable victory women might become equal to men in their right to determine what would happen to their bodies This was a hard won fight that reached back to colonial America and slavery but on June 24 2022 the decision was shockingly reversed by the Supreme Court in *Dobbs v Jackson Women's Health Organization* What happened What transpired socially politically legally in religious institutions and in popular culture in the half century when the right to choose led to this stunning transformation in American society *Roe v Wade Fifty Years After* coedited by Rhae Lynn Barnes and Catherine Clinton for the *History in the Headlines* series brings together a team of world renowned scholars prizewinning historians and Pulitzer Prize winning public intellectuals who specialize in reproductive history They assembled at Harvard University in the weeks following the *Dobbs* decision to talk through the centuries long history of abortion in what became the United States how its representation changed in the law and popular culture and how a wellspring of social movements on both the right and left led to a fifty year showdown over some of the most outstanding human questions What is life When does it begin Who has the right to end it Who has the right to determine what happens to someone else's body How can the law define and restrict women's reproductive health And how have race class geography sexuality and other factors shaped who gets to be a part of answering these questions The international impact of the struggles for reproductive freedom for women within the United States comes into sharp focus within this important volume shedding light on past present and future dimensions of reproductive freedom for all Americans **Abortion** Noël Merino, 2013-01-04 Readers will analyze a number of issues relating to abortion and their rights through a carefully selected collection of essays Topics include the federal decriminalization of abortion and state laws concerning abortion parental consent and involvement laws for minors seeking abortion and public and personal opinion of abortion Essays are drawn from a diverse selection of primary and secondary sources including journals newspapers position papers and government documents with particular emphasis on Supreme Court and other court decisions *Exploring the Dimensions of Human Sexuality* Jerrold Greenberg, Clint Bruess, Sarah

Conklin,2010-03-10 Exploring the Dimensions of Human Sexuality Fourth Edition addresses all aspects of sexuality biological spiritual psychological and sociocultural and presents the information both factually and impartially Throughout the text students will find an emphasis on health and well being based on the assumption that we are all sexual beings and that sexuality should be viewed in its totality Students are encouraged to explore the varied dimensions of human sexuality and see how each affects their own personal sexuality sexual health and sexual responsibility **Exploring the Dimensions of Human Sexuality** , Abortion & Life Jennifer Baumgardner,2025-07-01 Baumgardner s groundbreaking new book includes abortion testimonials by Ani DiFranco Barbara Ehrenreich Gloria Steinem and others In her role as author and activist Jennifer Baumgardner has permanently changed the way people think about feminism and will shape the next hundred years of politics and culture The Commonwealth Club of California hailing Baumgardner as one of Six Visionaries for the Twenty First Century In Abortion Life author and activist Jennifer Baumgardner reveals how the most controversial and stigmatized Supreme Court decision of our time cuts across eras classes and race Stunning portraits by photographer Tara Todras Whitehill of folk singer Ani DiFranco authors Barbara Ehrenreich and Gloria Steinem and others accompany their elucidating accounts of their own abortion experiences In this bold new work Baumgardner explores some of the thorniest issues around terminating a pregnancy including the ones that the pro choice establishment has been the least sensitive or effective in confronting

Unveiling the Magic of Words: A Overview of "**This Common Secret My Journey As An Abortion Doctor**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**This Common Secret My Journey As An Abortion Doctor**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound effect on the souls of its readers.

This Common Secret My Journey As An Abortion Doctor Introduction

In today's digital age, the availability of This Common Secret My Journey As An Abortion Doctor books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of This Common Secret My Journey As An Abortion Doctor books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of This Common Secret My Journey As An Abortion Doctor books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing This Common Secret My Journey As An Abortion Doctor versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, This Common Secret My Journey As An Abortion Doctor books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing This Common Secret My Journey As An Abortion Doctor books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for This Common Secret My Journey As An Abortion Doctor books and manuals is

Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, This Common Secret My Journey As An Abortion Doctor books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of This Common Secret My Journey As An Abortion Doctor books and manuals for download and embark on your journey of knowledge?

FAQs About This Common Secret My Journey As An Abortion Doctor Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. This Common Secret My Journey As An Abortion Doctor is one of the best book in our library for free trial. We provide copy of This Common Secret My Journey As An Abortion Doctor in digital format, so the resources that you find are reliable. There are also many Ebooks of related with This Common Secret My Journey As An Abortion Doctor. Where to download This Common Secret My Journey As An

Abortion Doctor online for free? Are you looking for This Common Secret My Journey As An Abortion Doctor PDF? This is definitely going to save you time and cash in something you should think about.
