

This is Our Youth
By Kenneth Lonergan

Warren:

I don't really get what you're upset about. I thought we had a really good time together and I was actually in a fairly Up state of mind for once.

Well, I didn't mean that in any kind of lascivious way, so I don't know why you want to take it like that. I really like you.

I'm sorry I said anything to Dennis. I definitely caved in to the peer pressure. But I also definitely said as little as possible and was totally respectful of you in the way I talked about you. Even though I was pretty excited about what happened last night, and also about like, maybe like, the prospect of like, I don't know, like going out with you – Which I would be very into, if you were. But if you want to think the whole meant nothing to me, then go ahead because that's not the case.

It's totally weird, like, taking all your clothes off and having sex with someone you barely know, and then being like "What's up now?" You know? Like it's such an intense experience but then nobody knows what to fuckin' say, even though nothing really bad actually happened. You know?

I really like you... I don't really agree with most of your opinions...but I don't meet a lot of people who can actually make me think, you know? And who can hold their own in an interesting discussion. And who I'm totally hot for at the same time. You know?

It's a fairly effective combination.

Get the Callback Jonathan Flom, 2016-05-02

All great auditions require preparation and practice but what's the secret to securing a callback? What are the best ways to prepare for that pivotal moment? And once you're in front of the casting director, what does it take to make the most out of your moment in the spotlight? In this second edition of *Get the Callback: The Art of Auditioning for Musical Theatre*, Jonathan Flom provides practical advice on the many facets of preparation, including selection of songs and monologues to suit your voice and the audition, organizing and arranging your music, working with the accompanist, and presenting yourself to the casting team. The book gives a detailed description of the actual audition performance and even offers advice on how non-dancers can survive a dance audition. In addition to extensively revised chapters on the audition process and how to build a repertoire, this guide also features updated chapters on headshots, resumes, and cover letters, voice training techniques from Matthew Edward, advice from musical director Joey Chancey, and a foreword by casting director Joy Dewing. Aimed at professionals as well as young artists, this second edition of *Get the Callback* is a must-have for both seasoned and aspiring musical theatre performers.

Ecclesiastes Peter Enns, 2011-11-15 Seeking to bridge the existing gap between biblical studies and systematic theology, this distinctive series offers section by section exegesis of the Old Testament texts in close conversation with theological concerns. Written by respected scholars, the THOTC volumes aim to help pastors, teachers, and students engage in deliberately theological interpretation of Scripture.

[Drama, Skits, and Sketches 2 Youth Specialties](#), 2011-03-01 Here are 62 brand new youth group tested scripts you can use to introduce a topic with flair. To retell a Bible story with humor. To apply your lessons with poignancy. And they're flexible too: have fun with them as informal no-prep reader's theater or rehearse them seriously for polished performances. Scripture Sketches: Don't despair if your students can't tell the difference between Beelzebub and Barnabas; the Bible will be brought to life for them as they act out scriptural episodes, stories, and passages. And on page 6 is an index to all this book's scripts by Bible reference: Teaching the Prodigal Son, 1 Corinthians, Exodus. We've got a script for you. Contemporary Sketches: Off with the togas, on with the tank tops. Here are right now real-life scripts for everything from event announcements that you can tailor to your own events to dealing with emotional scars. Thanks to the topical index on page 7, you can zip right to the script that fits your meeting. TV Takeoffs: In a TV world of talk shows and sitcoms, sketches based on TV shows always kick off lively discussions. Since all these scripts are also humorous, they're great as openers at camps and conferences too. Monologues: Does your youth group's dramatic talent reside in only one or two students? Or do you want to raise interest in starting a drama ministry? A monologue is your ticket: one-person scripts that require little or no costumes or props yet can be as powerful as a three-act play. To the Tune of CCM and More: Take the music many of your students listen to and use it for dramatic purposes. These scripts each use a song by a Christian artist or a song whose lyrics encourage or challenge Christians.

Five One-act Plays Renzo Ricchi,1996 *DPS: Catalogue of New Plays 2009-2010* , *Character Assassination* Jason Jay Smart,2019-06-26 In the contemporary world that is ever more complex and interdependent international relations take place within the permanent confrontation of states we are witnessing the more frequent use of character assassination as a common tactic of international politics After examining how character assassination has been used in the historic context and continues to be used in daily life especially in politics this book delves into how international actors have used diverse tools to defame political leaders in different countries Of the many current examples are the numerous attacks on US President

Donald Trump those against Russian President Vladimir Putin and other political leaders in France Great Britain etc As today's news shows that the increasingly popular and effective mechanism for defamation is via electronic media resources such as Twitter Facebook etc through which hearty attacks on individuals are commonly conducted transnationally It is worth noting that though the instruments of character assassination may differ as time passes some tropes have existed for many generations Today there is an entire industry built around finding humor in attacks or the multitude of video materials that have the purpose of attacking and destroying the reputation of political leaders in the international arena Importantly this book thoroughly reviews common character assassination tactics and strategies which can be applied in a variety of contexts outside of international politics By understanding the genesis of character attacks and how the target of an attack should best react in defending themselves the reader will be able to apply these lessons to a wide variety of settings outside of politics expanding to the realms of business academia or in day to day life This is the first in depth research book ever written on character assassination with a focused study of cases in international politics *Faith Forward* David M. Csinos, Melvin Bray, 2013-08-01 Knowing how to nurture faith in young people is a challenge particularly when we want to encourage a faith that is generous innovative and contextual *Faith Forward* gathers 21 presentations from the 2012 Children Youth and a New Kind of Christianity conference held in Washington D C and makes them available for those in ministry with children and youth pastors parents professors anyone called to help young people on their journey of faith Authors and attendees alike came from several countries and many denominational inflections Likewise the chapters express various contemporary takes on Christian faith and discipleship This book is a gold mine of information and inspiration for those seeking to engage children and youth in respectful conversation exploration and learning in today's complex world If you are seeking grassroots forward thinking ecumenical innovative and collaborative ways to do children and youth ministry then this book provides the material to move you in that direction Some contributing authors Shane Claiborne foreword Brian McLaren John H Westerhoff III Tony Campolo Ivy Beckwith Samir Selmanovic Joy Carroll Wallis **All I Said Was #*%\$** Stan Kiste, 2022-02-24 After thirty plus years of youth ministry it would be easy to imagine that you've seen it all and that there is nothing left to learn The truth is however that if we just pay attention God loves to surprise us with unexpected moments of joy and humor that serve as opportunities to learn new lessons remind us of those we may have forgotten and most importantly remember why we got into ministry in the first place These experiences can also serve as comforting reminders that we're not in charge Knowing that the success of our ministry does not depend on us should be a relief and remembering that God uses broken and flawed people like us to build his kingdom should be an inspiration This little book of ministry mishaps miscalculations and marvels is a reminder that delight and wonder abound when we are faithful and obedient to God's calling
