Thomas Merton On Saint Bernard Cistercian Studies:

Thomas Merton on Saint Bernard Thomas Merton, 1980 The best known Cistercian of the twentieth century reflects on the teaching and life of the most renowned Cistercian of the twelfth century Three essays written in the 1950s explore the relation of contemplation and action in the monastic vocation and in the life of Christians [Bernard of Clairvaux on the Spirituality of Relationship](#) John R. Sommerfeldt, 2004 This study argues that Bernard impacted Europe politically ecclesiastically and spiritually because his own life embodied so many of the ideals and values of his age some of which had not crystallized until his coming Bernard saw the Church as the sum of all those pursuing however feebly the path to perfection For him Noah Daniel and Job signified the three orders of church and society prelates monks and laypeople His enthusiasm for church and society was matched by his confidence that people throughout Europe could respond positively to God's invitation to perfection and thus could reach the goal of happiness no matter the social order to which they belonged or the pilgrim's path they followed BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Cistercian Fathers and Forefathers** Thomas Merton, 2018-09-15 This volume of previously uncollected studies makes a notable contribution to Merton's extensive and influential legacy This volume includes pieces on eleventh and twelfth century monastics by Thomas Merton perhaps the most significant American Catholic spiritual writer of the twentieth century The essays are difficult to locate elsewhere the conference transcriptions are available only here *Saint Bernard of Clairvaux* M. Basil Pennington, 1977 **Women and Saint Bernard of Clairvaux** Jean Leclercq, 1989

Thomas Merton Paul R Dekar, 2012-04-26 Thomas Merton was arguably the twentieth century's most widely published and widely read spiritual writer This book explores Merton's prophetic writings and experience as they offer guidance for those seeking to experience God to simplify their lives to live more humanly and to shape Christian community in the face of alienation consumerism noise and technology The book includes parts of three previously unpublished conference contributions by Merton on technology Exploring Merton's thoughts on monastic renewal prayer radical simplicity ecology technology war peace and interfaith dialogue Dekar reminds us why Merton was so influential and why he continues to be so

A Second Look at Bernard of Clairvaux Jean Leclercq, 1990 A psychological case study of the great saint whose influence was felt by popes kings scholars and courtiers across Europe in the twelfth century The modern scholar most familiar with his works and activities brings new light to a man deeply revered by most and roundly disliked by some **Thomas Merton and the New World** Paul R. Dekar, 2023-01-01 Merton still matters writes Paul R Dekar about Cistercian monk Thomas Merton Calling people to act justly love kindness and walk humbly Merton used his contemplative practice to see beyond what disrupts and divides us from one another to find the truth of our common humanity unity in our creation in the image of God In *Thomas Merton and the New World* Dekar focuses primarily on two issues of concern to our current world First he studies Merton's warnings of the abuse that stems from unmindful and irresponsible use of technology and its ecological

devastation Second he examines Merton s thinking on racial injustice in the mid 1960s through his correspondence with his allies and contemporaries James Baldwin for example Using Micah 6 8 to arrange Merton s focus on justice lovingkindness and humility with input from Merton s dialogue with Gandhi Martin Luther King Rachel Carson and others Dekar demonstrates just how prophetic and transferable Merton s teachings remain *Thomas Merton's Dark Path* William H. Shannon,1987-03-01 In the mystical tradition the dark or apophatic way has a long history It is the way of John of the Cross of Master Eckhart of Juliana of Norwich of the anonymous author of *The Cloud of Unknowing* and of Thomas Merton This dark path of contemplation that Merton followed wrote about extensively and considered the focal point of his life is the subject of William H Shannon s book **Thomas Merton** Mario Aguilar,2011-03-18 A fresh exploration of Merton s life and thought focussing on his role as a Christian activist Written by an author who combines a contemplative life with political action this is an inspirational book that will encourage readers to work towards a more just world Bernardus Magister John R. Sommerfeldt,1992 *Thomas Merton: God's Messenger on the Road towards a New World* Paul R. Dekar,2021-06-02 Thomas Merton God s Messenger on the Road towards a New World highlights the contribution of the best selling North American writer between the Second World War and 1968 The Cistercian monk called people to act justly love kindness and walk humbly By his critique of technology a major impediment for people to follow Jesus by his writing on contemplative prayer by his interfaith outreach and through his witness against racism war and degradation of nature Merton still matters This book uses Micah 6 8 to organize Merton s focus on justice lovingkindness and humility as well as his dialogue with Rachel Carson Ernesto Cardinal Gandhi Martin Luther King Jr Thich Nhat Hahn and others **A Companion to Bernard of Clairvaux** ,2011-03-21 Bernard of Clairvaux is perhaps the most controversial figure of Western Europe s vibrant twelfth century Unlike Abelard who is seen as a proponent of modern thinking Bernard is often relegated to the darkest corner of the Middle Ages Nothing is easy with Bernard but these fresh evaluations of him and their reviews of recent scholarship enable the reader to make a more balanced evaluation of the man his writings and his impact on his period Bernard emerges as a multifaceted figure who sought to reform monasticism and ended up becoming a saint with an appeal to virtually all classes in medieval society Bernard lives on today with the lay and monastic scholars who continue to find new layers of meaning in his writings Contributors include Christopher Holdsworth Michael Casey James France Diane Reilly John Sommerfeldt Mette B Bruun Burcht Pranger Chrysogonus Waddell E Rozanne Elder and Brian Patrick McGuire *The Difficult Saint* Brian Patrick McGuire,1991 Born in 1090 Bernard of Clairvaux died sixty three years later and was canonized in 1174 His friends and brothers began writing his official life even before he died so convinced were they of his personal holiness and his importance to the Church of his day Not everyone who knew him however liked him no matter how much they may have admired his holiness For nine centuries those who have read his works and studied his activities have experienced a similar ambivalence Some regard this most controversial and provocative of saints as a great director of souls

others consider him an ecclesiastical busybody In *The Difficult Saint Brian Patrick McGuire* examines various facets of Bernard's life and the legend that survived him from the perspective of the Middle Ages and of the modern world I want to suggest he writes that Bernard becomes more understandable as one grows older and gains more life experience

The Cistercian Reform and the Art of the Book in Twelfth-Century France Diane Reilly, 2025-10-01 This book is a study of the programmatic oral performance of the written word and its impact on art and text Communal singing and reading of the Latin texts that formed the core of Christian ritual and belief consumed many hours of the Benedictine monk's day These texts read and sung out loud memorized and copied into manuscripts were often illustrated by the very same monks who participated in the choir liturgy The meaning of these illustrations sometimes only becomes clear when they are read in the context of the texts these monks heard read The earliest manuscripts of Cîteaux copied and illuminated at the same time that the new monastery's liturgy was being reformed demonstrate the transformation of aural experience to visual and textual legacy

Thomas Merton and the Celts Monica R. Weis, 2016-09-19 Thomas Merton and the Celts offers a new lens through which to view Merton's life and spirituality By examining unpublished letters notebooks and taped conferences for the Trappist novices previously unavailable to the general reader the author breaks new ground in Merton studies revealing Merton's growing fascination with his Welsh ancestry Celtic monasticism and early Irish hermit poetry Merton having immersed himself in reading about Celtic Christianity not just about liturgy but about household rituals illuminated manuscripts high crosses and hermit poetry as well recognized in these ancient hermits who lived on water and herbs experienced kinship with creatures and wrote poems about the birds a mirror of his own desires Indeed in a profound way and at a deep level Merton discovered himself in Celtic Christianity
