distinguished King scholar Lewis Baldwin this volume breaks new ground in our understanding of King Revives My Soul Again Lewis V. Baldwin, Victor Anderson, 2018-11-01 MLK and the Practice of Spirituality The scholarship on Martin Luther King Jr is seriously lacking in terms of richly nuanced and revelatory treatments of his spirituality and spiritual life This book addresses this neglect by focusing on King s life as a paradigm of a deep vital engaging balanced and contagious spirituality It shows that the essence of the person King was lies in the quality of his own spiritual journey and how that translated into not only a personal devotional life of prayer meditation and fasting but also a public ministry that involved the uplift and empowerment of humanity Much attention is devoted to King s spiritual leadership to his sense of the civil rights movement as a spiritual movement and to his efforts to rescue humanity from what he termed a perpetual death of the spirit Readers encounter a figure who took seriously the personal interpersonal and sociopolitical aspects of the Christian faith thereby figuring prominently in recasting the very definition of spirituality in his time King s holistic spirituality is presented here with a clarity and power fresh for our own generation **A Time to Break Silence** Dr. Martin Luther King, Jr., 2013-11-05 The first collection of King s essential writings for high school students and young people A Time to Break Silence presents Martin Luther King Jr s most important writings and speeches carefully selected by teachers across a variety of disciplines in an accessible and user friendly volume Now for the first time teachers and students will be able to access Dr King s writings not only electronically but in stand alone book form Arranged thematically in five parts the collection includes nineteen selections and is introduced by award winning author Walter Dean Myers Included are some of Dr King s most well known and frequently taught classic works including Letter from Birmingham Jail and I Have a Dream as well as lesser known pieces such as The Sword that Heals and What Is Your Life s Blueprint that speak to issues young people face today

Strength to Love Martin Luther King, Jr., 2019-10-15 The classic collection of Dr King s sermons that fuse his Christian teachings with his radical ideas of love and nonviolence as a means to combat hate and oppression As Martin Luther King Jr prepared for the Birmingham campaign in early 1963 he drafted the final sermons for *Strength to Love* a volume of his most well known homilies King had begun working on the sermons during a fortnight in jail in July 1962 While behind bars he spent uninterrupted time preparing the drafts for works such as *Loving Your Enemies* and *Shattered Dreams* and he continued to edit the volume after his release *Strength to Love* includes these classic sermons selected by Dr King Collectively they present King s fusion of Christian teachings and social consciousness and promote his prescient vision of love as a social and political force for change **Behind the Public Veil** Lewis V. Baldwin, 2016-06-03 What was Martin Luther King Jr really like In this groundbreaking volume Lewis V Baldwin answers this question by focusing on the man himself Drawing on the testimonies of friends family and closest associates this volume adds much needed biographical background to the discussion as Baldwin looks beyond all of the mythic messianic and iconic images to treat King in terms of his fundamental and vivid humanness Special attention is devoted to King s personal insecurities and struggles his humility

and affinity to common people his delight in pleasant and passionate conversation his insatiable love for the precious but ordinary things of life his robust appetite for artfully prepared and delicious soul food his enduring appreciation for music and dance his cheerful and playful attitude and spirit his abiding interest in games and sports and his amazing gift of wit humor and laughter King emerges here as an ordinary human being who enjoyed and celebrated life to the fullest but was never bigger than life Here we see the personal qualities of King as a real fleshly human being and also as a man shaped by his social and cultural experiences and locations This book reclaims the man behind the mythology **A Gift of Love** Martin Luther King (Jr.), 2012 This book is largely based on *Strength to Love* originally published in 1963 by Harper Row T p verso

Lewis V. Baldwin, Rufus Burrow, 2013-07-03 Clarence B Jones close King advisor and draft speechwriter has done much to reinforce a conservative hijacking of King s image with the publication of his controversial books *What Would Martin Say* 2008 and *Behind the Dream* 2011 King emerges from Jones s books not as a prophetic radical who attacked systemic racial injustice economic exploitation and wars of aggression but as a fiercely conservative figure who would oppose affirmative action and illegal immigration *The Domestication of Martin Luther King Jr* offers a critique of Jones s work and the larger effort on the part of right wing conservatives to make King a useful symbol or the sacred aura in a protracted campaign to promote their own agenda for America This work establishes the need to rethink King s legacy of ideas and activism and its importance for our society and culture Contributors include Lewis V Baldwin Rufus Burrow Jr Adam Fairclough Walter Earl Fluker Shirley T Geiger Cheryl A Kirk Duggan Michael G Long Rosetta E Ross George Russell Seay Jr Traci C West

Reclaiming the Great World House Lewis V. Baldwin, Vicki L. Crawford, 2019 *Reclaiming the Great World House in the 21st Century* Cross Disciplinary Explorations of the Vision of Martin Luther King Jr does just that Established and emerging scholars explore Martin Luther King Jr s global vision and his lasting relevance to a globalized rights culture The editors further explain that this edited collection looks at King afresh in his own historical context while also refocusing his legacy of ideas and social praxis in broader directions for today and tomorrow Employing King s metaphor of the great world house with major attention to racism poverty and war or what he called the evil triumvirate the focus is on King s appraisal of and approach to the global human struggle in the 1950s and 60s and on the extent to which his social witness and praxis takes on

new hues and pertinence not only in the ongoing struggles against racism poverty and economic injustice and violence and human destruction but also in the mounting efforts to eliminate problems such sexism homophobia and religious bigotry and intolerance from the global landscape The conclusion is that King s ideas and models of social protest are not only alive but also growing in vitality and popularity in the 21st century especially as humans worldwide are struggling daily with the lingering antiquated thinking and behavior around race and ethnicity the widening gap between the haves and the have nots the mounting cycles of violence torture and terrorism and the frustrating and growing chasms resulting from religious pluralism and the subordination and marginalization of certain sectors of the human family based on gender and sexuality

A Hard Rain Frye Gaillard,2018-07-01 Frye Gaillard has given us a deeply personal history bringing his keen storyteller s eye to this pivotal time in American life He explores the competing story arcs of tragedy and hope through the political and social movements of the times civil rights black power women s liberation the War in Vietnam and the protests against it But he also examines the cultural manifestations of change music literature art religion and science and so we meet not only the Brothers Kennedy Martin Luther King Jr and Malcolm X but also Gloria Steinem Janis Joplin Jimi Hendrix Johnny Cash Harper Lee Mister Rogers Rachel Carson James Baldwin Andy Warhol Billy Graham Thomas Merton George Wallace Richard Nixon Angela Davis Barry Goldwater the Beatles Bob Dylan and the

Berrigan Brothers There are many different ways to remember the sixties Gaillard writes and this is mine There was in these years the sense of a steady unfolding of time as if history were on a forced march and the changes spread to every corner of our lives As future generations debate the meaning of the decade I hope to offer a sense of how it felt to have lived it A Hard Rain is one writer s reconstruction and remembrance of a transcendent era one that for better or worse lives with us still
