Language The linguistic inequality is unfair to Christianity because the Gospel was not Preserved in its original language Aramaic and we only have the translated Greek Early Greek Christians had a business mentality towards Religion Removing nearly every Requirement to join Christianity except 10% of our income Tithes The Greek business approach to religion didn't Foresee the Consequences of not maintaining Requirements set by God Instead Christianity was offered as an Easy Religion

- 1 No Requirements to Learn a new language to Read Hear the Exact words of God instead any Every language was anointed and accepted as authentic
- 2 No Requirements to follow the Laws of Moses All sins are forgiven if you accept someone else died for you
- 3 Holidays such as Christmas Easter are researched and focused on and Multiple Christmas songs memorized more than any page in the Bible
- 4 Jesus was redesigned to resemble the Greeks more than the Hebrews and his original language words requiring works in Aramaic were destroyed and only the Greek Gospels remain Changing Christianity into an Easy religion to have Mass appeal has expanded Christianity to be the Largest Religion but all calculations and censuses forecast more Muslims than Christians by 2075 If we calculate Either Catholics or Protestants then Islam is already the largest religion compared to each proving being Easier does not Prevail being Truthful Removing the original Language Requirement is the same as Removing the Requirement to be Authentic giving Christianity a disadvantage when being compared to Judaism and Islam For example On average every 50 years a different English Bible with a different name different words from a different Church is Published and accepted by divisions of Christians as the exact words of God Christians Relaxing the language and law requirements Worldwide has spawned unlimited Bibles in different languages conflicting with each other because languages can't be perfectly translated forming hundreds of errors hundreds of Christian sects corruption scandal and closures in many Churches Comparative Religion is not fair because Christians have an Ocean of Bible translations multiplying the cannons for the critics of Christianity to list grammatical copyist and translation errors from 40 times more content compared to Judaism or Islam For Example The King James Bible may have its own hundreds of Bible mysteries anomalies etc then the opponent of Christianity can find dozens of more errors in the Good News Bible New International Bible New Revised Standard Bible etc Just in English there are 40 differing Bibles each with their own issues because all of them are considered authentic we can add all the Hundreds of Errors from all 40 Bibles giving an unfair advantage to any Jew or Muslim questioning a Christian Because Christians forfeit the requirement of one Authentic language to Read and Hear Scripture Exactly as said from God Christians also surrender being able to say the Bibles are anything other than translations All Translations Translators humans make errors therefore even if each English Bible only had 1 single error a rival of Christianity can add all 40 Bibles to contend with Christianity or even worse avoid our Creator Christians will never win a Religious debate because of the Bible weakness of Language The original language Aramaic of their deity Jesus is extinct instead their translations are based on Greek and German into English shifting the entire meaning of Jesus from the Hebrew Moses to Greek Zeus The second reason the language requirement makes comparative religion

unfair for Christians when debating Jews or Muslims is because of Hebrew or Arabic to English Dictionaries If a Christian Questions an anomaly in a English translation of the Torah or Quran a Jew or Muslim can simply Show from Any Hebrew or Arabic to English dictionary any one of the dual meanings of any words in question thus giving Jews and Muslims Unlimited Correct and Verifiable Answers Christians neither have an Original Aramaic to English dictionary or the Aramaic verses to try to defend mistranslated Greek to German to English Bible words and furthermore Christians are sold the English Bible as the exact words of God Admitting the English Bible is mistranslated and to try to extract a Greek root word is why it s not fair comparing Scriptures because Christians instantly admit and even put it in writing in nearly every Bible commentary that the English Bible has translation copyist grammatical errors In summary Christians removing the one language requirement and also removing the original language opens Christianity to a growing number of skeptics towards the English Bible that just by defending it with the Greek root admits the English Bible is not Devine Keeping the Language Requirements Shields Jews and Muslims from translation critiques because only the Hebrew or Arabic are Accepted as Authentic not the translations Additionally Jews and Muslims have an unlimited amount of translation dictionaries to defend Torah or Quran English mistranslations unlike the Christians For Jews and Muslims the English Translations of the Torah and Quran are only tools to Understand the Original Holy Scriptures The English translations are not considered Holy as in Christianity God Saved the Christian Bible by Sending the Holy Quran in Arabic 632 Ad just 300 years after the Aramaic Bibles were destroyed by the Greek Christian council in 325 Ad nearly 300 years after Jesus The Holy Quran in Arabic is a relative language to the Middle Eastern Aramaic and has been accepted worldwide by more than a Billion followers and for hundreds of miles in any direction where Jesus was born and preached in Aramaic we have converted to Islam and pray in Arabic continuing the Authentic Abrahamic Faith Jewish Scripture is also not fair for Muslims to compare because unlike the disadvantages of Language in Christianity Jews have the Disadvantages of Time 1 Time Verses Nature Very Devout Generations of Jews have Preserved Scriptures for Centuries Copying Hundreds of Scrolls for Hundreds of years using candles bird feathers crossing Seas Exodus 14 21 Being Lost in the Wilderness for 40 years Numbers 14 20 22 Multiple Genocides and Battles Israelites in the Bible have been attacked 52 times captured and recaptured 44 times besieged 23 times and destroyed twice Effecting the quality of Jewish Scripture during 6 000 years For Example The Horrible Nazi Holocaust that killed millions of Jews was less than 100 years ago and had a major impact on Jewish artifacts some belongings from 1933 are still being probed How Fair would it be to compare Jewish documents that suffered nearly 60 Multitudes of Holocausts during 6 000 years averaging one Holocaust nearly every 100 years according to Bible statistics Compared to the Holy Quran that was written and preserved within 20 years with zero Holocausts 2 Time Verses Temptation Jewish Scribes had the Massive Responsibility of passing and teaching the Torah to their children and Community for hundreds of years Tolkien wrote about Hobbits in Lord of the Rings having a similar wrenching struggle to resist putting a human touch on the Devine graphically displaying the Pressure to

Resist the Temptation of Power The discipline to Keep God great and humans humble in Jewish Scripture For Centuries was perhaps unbearable to some Jewish Rabbis some even confessed their deceit Jeremiah 8 8 Jewish Scribes Endured Resisting power for centuries more than Any Religion Rome Riyadh both have many billionaires who benefit from being in vicinity to religious capitals the Jews struggled with greed for twice as long as Christianity and Islam combined The Battle of shifting power and resources from the people to the Pope from Prophets to rabbis from Muslims to monarchs is a timeless struggle that Jews the Torah has had to endure longer than any other religions 3 Time Verses Science Jewish scribes had the disadvantage of writing scripture during a time of minimal Scientific understanding or discovery Contending with both what their eyes could see and believe and risking deadly persecution by fire or decapitation if the Jewish scribes crossed established societal scientific norms thousands of years ago such as The Earth being the center of the universe Psalms 96 10 the Earth being Flat Isaiah 11 12 the Sun and Moon being equal lights each turning on depending on the time of day Genesis 1 16 just to list a few Thus Comparative Religion is not fair Debating Jews and Christians is not fair the Debates may seem fair because the Jews and Christians usually speak better English they Usually look like Harvard Professors compared to the average Muslim looking foreign and many people are swayed by appearance and phonics thus the debates seem somewhat fair but decades later you realize they are anything but fair So what do we do other than debate We Teach Teach Jews and Christians how the

Wonder, Horror, Mystery Morgan Meis, Joshua M. Tyree, 2021 Wonder Horror Mystery is a dialogue between two friends both notable arts critics that takes the form of a series of letters about movies and religion One of the friends J M Tyree is a film critic creative writer and agnostic while the other Morgan Meis is a philosophy PhD art critic and practicing Catholic The question of cinema is raised here in a spirit of friendly friction that binds the personal with the critical and the spiritual What is film What s it for What does it do Why do we so intensely love or hate films that dare to broach the subjects of the divine and the diabolical These questions stimulate further thoughts about life meaning philosophy absurdity friendship tragedy humor death and God The letters focus on three filmmakers who challenged secular assumptions in the late 20th century and early 21st century through various modes of cinematic re enchantment Terrence Malick Lars von Trier and Krzysztof Kie lowski The book works backwards in time giving intensive analysis to Malick s To

The Wonder 2012 Von Trier's Antichrist 2009 and Kie lowski's Dekalog 1988 respectively in each of the book's three sections Meis and Tyree discuss the filmmakers and films as well as related ideas about philosophy theology and film theory in an accessible but illuminating way The discussion ranges from the shamelessly intellectual to the embarrassingly personal Spoiler alert No conclusions are reached either about God or the movies Nonetheless it is a fun ride

Absurdities of the Gods of the New Morality (PB) Stephen F. Baca, 2019-12-09 Absurdities of the Gods of the New Morality By Stephen F. Baca The art on the front cover represents the twelve supreme Greek deities displayed from left to right they are Demeter Hermes Hephaestus Aphrodite Ares Hera Zeus Poseidon Athena Apollo Artemis and Dionysius This book strikes a parallel between the character and behavior of these supreme mythical gods and that of today's elite nihilists Just like the current gods of the new morality the Greek gods were not noble they were absurd decadent and powerful Absurdities of the Gods of the New Morality is unique in that it identifies specifically those who were primarily responsible for the declension of virtue in our society It is a complete comprehensive and exhaustive exposure of the negative enculturation of America by elitist Boomer activists There was a decline of morality and virtue in our country precipitated by Boomer activists starting in the 1960s when Boomers first started reaching age 18 and went off to college where they were proselytized by socialistic professors Sound ethics morality and virtue are essential elements of any orderly society and we are headed in the wrong direction The solution is a return to virtue and decency

The Underground Church Robin Meyers, 2012-11-15 A new way to follow Jesus that draws on old ways of following him Prominent progressive writer speaker and minister Robin Meyers proposes that the best way for the faithful to recapture the spirit of the early Christian church is to recognize that Jesus following was and must be again subversive in the best sense of the word because the gospel taken seriously turns the world upside down No matter how the church may organize itself or worship the defining characteristic of the church of the future will be its Jesus inspired countercultural witness

Ithihaasa Bhaktivejanyana Swami, 2013 Dr Singh Science says that the different species were not created simultaneously but evolved gradually I came across a statement in the Bhagavad Gita to the effect that all 8 400 000 species of living entities are created simultaneously Is that correct Srila Prabhupada Yes Living beings move from one bodily form to another The forms already exist The living entity simply transfers himself just as a man transfers himself from one apartment to another One apartment is first class another is second class and another is third class Suppose a person comes from a lower class apartment to a first class apartment the person is the same but now according to his capacity for payment or karma he is able to occupy a higher class apartment Real evolution does not mean physical development but the development of Consciousness Do you follow The apartment already exists however it is not the lower class apartment that becomes the higher class apartment That is Darwin's nonsensical theory He would say that the apartment has become high class Modern scientists think that life has come from matter They say that millions and millions of years ago there was simply matter but no life We do not accept that Of the two energies life and matter life or spirit is the

original superior energy and matter is the resultant inferior energy Spirit is independent and matter is dependent Dr Singh All that you have been saying completely contradicts Darwin s theory of evolution Srila Prabhupada Darwin and his followers are rascals If originally there were no higher species why do they exist now Also why do the lower species still exist For example at the present moment we see both the intellectual person and the foolish ass Why do both these entities exist simultaneously Why hasn t the ass form evolved upwards and disappeared Why do we never see a monkey giving birth to a human In Bhagavad Gita the word yantra or machine means that in any species of life we are traveling in bodies that are like machines provided by material nature The Contradiction Mystery Has Been Solved Brian Gibbons,2021-09-09 For a long time now there has been a great debate in Christendom as to what is required of a person by God to obtain salvation from him Is it totally of grace as some people say or does it require works as well Since the Bible seems to talk about both works and grace concerning salvation and since according to Romans 11 that works and grace are the opposite of each other it would appear that the Bible is contradicting itself However once you come to understand that there is a one true way to interpret the Holy Scriptures which is one who lives in today s world has never seen before then it opens up a whole new understanding as to what the Bible has to say concerning salvation and that there is no contradiction And once you know what God truly requires of his people you can then live your life by this greater more accurate knowledge to have the salvation of everlasting life given to you someday **Wicked Muncie** Keith Roysdon,Douglas Walker,2016-10-17 Explore the notorious and unusual side of Muncie s history Muncie is the classic small American city But for much of the past two centuries the city fell victim to murder corruption and the bizarre Mayor Rollin Bunch went to prison for mail fraud while his police commissioner faced a murder rap Viola Babe Swartz ran a brothel out of a truck stop that was raided by police at least a dozen times but ran for sheriff in the 1974 primary election June Holland of the locally famous Holland triplets killed her neighbor for refusing to sell her house *The Great Evil* Chris Mato Nunpa,2020-10-01 In this account of the history between Indigenous Peoples and the United States government readers will learn the role of the bible played in the perpetration of genocide massive land theft and the religious suppression and criminalization of Native ceremonies and spirituality Chris Mato Nunpa a Dakota man discusses this dishonorable and darker side of American history that is rarely studied if at all Out of a number of rationales used to justify the killing of Native Peoples and theft their lands the author will discuss a biblical rationale including the chosen people idea the promised land notion and the genocidal commands of the Old Testament God Mato Nunpa s experience with fundamentalist and evangelical missionaries when he was growing up his studies in Indigenous Nations history at the University of Minnesota and his affiliation with the International Association of Genocide Scholars IAGS were three important factors in his motivation for writing this book MURDER MYSTERY COLLECTION - 40+ Thriller Novels & Detective Stories Melville Davisson Post,2024-01-12 In Murder Mystery Collection 40 Thriller Novels Detective Stories Melville Davisson Post presents a rich tapestry of suspense that exemplifies early 20th
