Williams, 2023-06-19 Dust and Determination After the Civil War emancipated slaves who didn't want to pick cotton or operate an elevator headed west to find work and a new life Charles Goodnight and Oliver Loving drove two thousand longhorns across southern Texas blazing a trail to Bosque Redondo in New Mexico In 1866 the new Goodnight Loving Trail was crowded with cattle headed for a government market By the 1870s twenty five percent of the over thirty five thousand cowboys in the West were black They were part of trail crews that drove more than twenty seven million cattle on the Goodnight Loving Trail Western Trail Chisholm Trail and Shawnee Trail They were paid equally and their skill and ability brought them earned respect and prestige Author Nancy Williams recounts their lasting legacy **Fat White Vampire Blues** Andrew Fox, 2003-07-01 He's undead overweight and can't get a date Vampire nosferatu creature of the night whatever you call him Jules Duchon has lived so to speak in New Orleans far longer than there have been drunk coeds on Bourbon Street Weighing in at a whopping four hundred and fifty pounds swelled up on the sweet rich blood of people who consume the fattiest diet in the world Jules is thankful he can't see his reflection in a mirror When he turns into a bat he can't get his big ol butt off the ground What's worse after more than a century of being undead he's watched his neighborhood truly go to hell and now a new vampire is looking to drive him out

altogether See Jules had always been an equal opportunity kind of vampire And while he would admit that the blood of a black woman is sweeter than the blood of a white man Jules never drank more than his fair share of either Enter Malice X Young cocky and black Malice warns Jules that his days of feasting on sisters and brothers are over He tells Jules he d better confine himself to white victims or else face the consequences And then just to prove he isn t kidding Malice burns Jules s house to the ground With the help of Maureen the morbidly obese stripper vampire who made him and Doodlebug an undead cross dresser who literally flies in from the coast Jules must find a way to contend with the hurdles that life throws at him without getting a stake through the heart It s enough to give a man the blues Tacit Racism Anne Warfield Rawls,Waverly Duck,2020-06-30 We need to talk about racism before it destroys our democracy And that conversation needs to start with an acknowledgement that racism is coded into even the most ordinary interactions Every time we interact with another human being we unconsciously draw on a set of expectations to guide us through the encounter What many of us in the United States especially white people do not recognize is that centuries of institutional racism have inescapably molded those expectations This leads us to act with implicit biases that can shape everything from how we greet our neighbors to whether we take a second look at a resume This is tacit racism and it is one of the most pernicious threats to our nation In Tacit Racism Anne Warfield Rawls and Waverly Duck illustrate the many ways in which racism is coded into the everyday social expectations of Americans in what they call Interaction Orders of Race They argue that these interactions can produce racial inequality whether the people involved are aware of it or not and that by overlooking tacit racism in favor of the fiction of a color blind nation we are harming not only our society s most disadvantaged but endangering the society itself Ultimately by exposing this legacy of racism in ordinary social interactions Rawls and Duck hope to stop us from merely pretending we are a democratic society and show us how we can truly become one **Kissing Oaks Billionaire Brothers Box Set Books**
